

Police Powers

No tyranny can exist without police powers to enforce the ruler's "laws" and punish rebels or free thinkers. The enforcers are called soldiers when sent to other countries and police when operating inside a country. But their function is the same.

The Roman Legions were Caesar's police powers. They collected tribute from most of the White population of the world. They brought tens of thousands of slaves from other White nations to Rome, to serve degenerate rulers or to be butchered in brutal spectacles. When 90,000 slaves led by Spartacus revolted in BCE 71 the survivors were crucified along the Appian Way.

When the powers behind the Roman Empire discovered that religion aided in enslaving the nations, the Roman Catholic(universal) Church was created. It, too, had its police powers. They murdered, tortured and burned at the stake tens of thousands of heretics, philosophers, scientists, free thinkers and later, Protestants. After the reformation the Protestants had their police powers. They burned thousands of Catholics, witches, pagans, free thinkers and heretics at the stake. The Soviet Union had its police powers. The best known were the KGB and the GRU. They tortured and murdered millions.

America was formed to be the police power of a New World Order. Some statements of the founding fathers indicate otherwise, but all politicians are deceivers and liars. The Cabalism in the Great Seal of the United States seen on the back of a dollar bill, where the 13 stars form the Jewish Star of David, was designed by the Masonic founding fathers. The words "E Pluribus Unum" and "Novus Ordo Seclorum" tell the story. Furthermore, intent can only be discerned by action and results. As the police power of the Zionist New World Order, America has helped maim and murder 200 million people through wars and revolutions in countries thousands of miles away for two centuries. Today America has occupation troops, i.e. police powers, in 100 countries. The media and government called the Vietnam War "a police action." Police actions are performed by police powers. All who enforce the power of the rulers, be they military, cops, prison guards, prosecutors, judges or the media, are "Police Powers."

At Waco, Texas the police powers of America burned alive 87 innocent people including many children. At Dresden and Hamburg the police powers of America burned alive many tens of thousands of innocents, a high percentage of whom were children.

America's police powers murdered Kathy Ainsworth, Vicki Weaver, Sammy Weaver, Gordon Kahl, Robert Mathews and others, to say nothing of millions falsely imprisoned or financially destroyed by malicious prosecution. When the 101st Airborne used bayonets to force racial integration in the schools of Dixie, that was police power. When the cops beat the White mothers of South Boston into bloody submission for protesting the racial integration of their schools, that was police power.

Famed lawyer Jerry Spence stated at a Bar Association meeting in Montana that he had never seen a case in Federal courts where the prosecution did not present false evidence and perjured testimony. When the Federals set the example, the lesser courts follow suit. This is police power as it has been throughout history. The rulers want a result and the police powers make it happen. By the very nature of governments the police must be the most brutal and unthinking segment of the population. The external police powers, the military, like to get their recruits while young in order to teach unquestioning obedience. The holy mantra taught to the police powers and to the masses consists of these two words, "The Law." In reverent terms the judges, lawyers, politicians and media proclaim, "It's The Law." So what is this holy icon called "The Law?"

In 1461 Philip, Duke of Burgundy, having lost his hair in an illness, forced by decree 500 of his nobles to sacrifice their own locks as well. When Francis I of France decided to grow a beard to conceal a scar on his chin, he forced his whole male population by law to follow suit. Tsar Peter the Great of Russia enforced a tax on those with beards, which would be hacked off on the spot if seen in public without the required tax receipt. But that hardly scratches the surface of the criminal enterprise known as "The Law." "The Law" is codified slavery. It is what the rich, powerful and clever use to enslave the masses. Often "The Law" is put

into written form, such as the Magna Carta, the U.S. Constitution, so-called criminal codes, etc. This is done to deceive the sheep, for "The Law" has never applied to the rulers. "The Law" is not for Ted Kennedy, or Bill Clinton, or O.J. Simpson, nor is it for the politicians who kill tens or hundreds of millions in their never-ending wars. "The Law" is not for Lon Horiuchi, who shot an innocent woman's head off as she nursed her baby. "The Law" does not restrict the rulers or their favorites, only their victims. The first and most fundamental function of the media, be they town criers of ages past or the slicksters of TV today, is to maintain a false illusion of moral authority for the police powers. The media demonize foreign countries and leaders to justify intervention and slaughter by America's police powers. The media glorify the police and justify the imprisonment of two million Americans.

Early TV programs, such as Dragnet, glamorized the police and promoted worship of police power. Since then there have been dozens, if not hundreds of TV programs indoctrinating Americans with worship of the police. Many awakening Americans already know the media are a propaganda device, but have failed to recognize that a major portion is devoted to glorification of police powers. Rulers create "The Law" and police powers to enforce it. Those who violate "The Law" are called criminals and other pejoratives. But who are the real criminals?

A law to be valid and worthy of obeying must be true to natural law, and of course, Nature's highest law is the preservation of one's own kind. A law should be based on enduring moral codes and societal benefit. And in the interest of freedom, no more laws should be passed or enforced than absolutely and direly needed. That means damn few laws at all, especially on a national level. National governments simply must not be allowed to legislate morality; venue must remain at the local level. Neither must religion be given that power, although a folkish religion subtly influences behavior, which is beneficial. Legislating morality on a national level leads to endless evils and constant changes.

While drugs and perversions which are destructive to individuals and to the folk are to be condemned, wise men know that the tyranny of governments and priestcrafters using their "Law" dwarfs any acts by individuals a thousand times, nay, a million times over.

One day alcohol was legal in America. The rulers passed a law making it illegal, so thousands went to prison and the Bureau of Alcohol, Tobacco and Firearms became a monstrous police power. Another day the rulers rescinded prohibition and what thousands went to prison for was no longer a crime. Still their lives and families had been destroyed. And as long as Edgar Bronfman, head of the World Jewish Congress, owns Seagram's Whiskey, alcohol is not likely to again become a crime.

"The Law" is codified slavery.

George Bush, William Clinton and the CIA smuggle billions of dollars worth of illegal drugs into the U.S., while relatively inconsequential marijuana growers and smokers go to prison for decades.

"The Law" is tyranny.

The rulers pass laws against gambling; they say it is to protect families. Unless, of course, they get their tax cut from lotteries and paramutual betting, then they promote it.

"The Law" is deception.

In America's federal prisons there are many so-called bank robbers; it is a contradiction in terms. A banker is a usurer. Usury, interest on money at any percentage, is a high crime. The only difference between 2% and 20% interest is the amount of time until the usurer owns everything. Ancient religious texts properly prescribe the death penalty for usurers. There is only one greater crime than usury, that is violation of Nature's highest law, the preservation of one's own kind. One Central Banker like Alan Greenspan, or Volker or Burns, the last three chairmen of the Federal Reserve, all Jews, steals more wealth from the folk every minute of every day than has ever been retrieved by all the so-called bank robbers in history.

"The Law" is plunder.

Some say that large modern countries need a national police force. No, no! A thousand times, NO! Perhaps a cooperative investigative body and data base to identify mobile offenders, but arrest and prosecution powers must not be ceded to national governments. Punishment for offenses against folkish communities may include fines, restitution, banishment, corporal punishment, or in extreme cases, execution. But building more prisons is pure ignorance. Punishment for those who do not worship the rulers' "Law" changes with time and circumstance. In olden times if a starving serf killed a deer in order to feed his family, he was hanged for stealing one of the King's deer, then drawn and quartered in the public square as a lesson in deterrence. In this century on live radio or TV we listen or watch as America bombs or burns millions alive in Germany or Iraq, or burns Davidians, Mathews or Kahl alive.

There are many more subtle lessons for the masses. Hardly a day goes by that both national and local media do not show alleged malefactors, dressed in prison clothes, chained hand, foot and waist, as the police powers parade them to and from the star chambers of deception and injustice called courts. Of course for the real criminals, like Boesky, Levine and Milken, who steal hundreds of billions, the punishment is a slap on the wrist, a few months in one of ZOG's country club prisons. As the only reason they were prosecuted at all is because they were too blatant, not properly discreet.

For the masses, the judges hand out life sentences like candy. I received 190 years for resisting the Judeo-American murder of the White race. Collectively the Order Bruders Schweigen were sentenced to over 1,000 years in prison. Do you suppose they will imprison our bones in a corner of their gulags after we die? And the prisons we inhabit are not country clubs. Think of being a small minority in a prison filled with colored races, inflamed to hatred of the "evil White man" by the media. Or think of spending the rest of your life in a small bathroom with another man whose odors, sounds and habits may be repulsive. Think of spending the rest of your life without a single sensory experience that is not mental torture. That is what every White man knows awaits him if he effectively resists genocide.

Many Whites want "The Law" to protect them from the Negroes who rape, rob and kill at ever-increasing rates and with near impunity. But "The Law" has sentenced the White race to death. Furthermore, it is improper to label actions by Negroes against Whites, or vice versa, as crimes. Nature decrees that the males of different races cannot inhabit the same territory, for such is racial death. Males are designed to pursue women, so an undeclared war exists when "The Law" dictates racial integration. War is not a crime! Napoleon proclaimed, "**He who saves a nation violates no law!**"

All peaceful methods of resistance to the forced-mixing and murder of the White race in the "democratic" world are totally blocked by censorship, by media character assassination and by governmental decrees. So, the only recourse remaining is covert action, of both military and propaganda types. America's police powers are used to arrest, prosecute or murder the last true White resisters. With your last breath curse the police, for they are the ultimate murderers of the White race.

"Do not give yourself into slavery,as long as it still remains open to you to die freely."
