THE MEDIA IS THE ENEMY

Find out why maverick, independent grass-roots media voices such as employee-owned and operated American Free Press have declared all-out war on the elite-controlled Big Media Monopoly in America and around the globe . . .

In the old Soviet Union, the government controlled the media. Not a word of substance could be published without prior approval from the Bolshevik commissars. Today, in the United States, the situation is starkly similar. But most Americans don't even know it.

In the United States today, it is a select handful of super-rich families and tightly-knit financial interests—a plutocratic elite—who own the Big Media and who control the government through their ownership of that media. . . .

Every single one of the major media outlets is controlled by this powerful interlocking combine.

ABC, CBS, NBC, CNN, *Time*, *Newsweek*, *U.S. News & World Report*, *The New York Times*, *The Washington Post*, *The Los Angeles Times*, *The Chicago Tribune*—even such "regional" giants as *The New Orleans Times-Picayune*, *The Miami Herald*, *The San Diego Herald-Tribune*. . . . The list goes on and on.

And these media powerhouses control dozens—actually thousands—of other daily and weekly newspapers, magazines, and radio and television outlets across America (and around the globe).

PLUS: Did you know that every single supermarket tabloid is owned by just one, super-rich Wall Street banker?

To consolidate their influence, the Masters of the Media and their international corporate allies reward obedient journalists with membership in the Council on Foreign Relations or the Trilateral Commission where they rub shoulders with others in the international policy-making networks. A handful get promoted to the higher ranks of the secret Bilderberg Group.

The so-called "mainstream" media is very much a "closed shop" and only those willing to do the bidding of the global power elite need apply. Tom Brokaw, Dan Rather and Peter Jennings and other puppets are just the *public* faces that the American people see.

Behind the scenes are the shadowy owners and corporate power brokers who dictate what you will (or will not) see in your daily newspaper or on the evening news.

Billionaire Barons of the Media Monopoly Decide What's 'News'

Above, left to right, David Rockefeller, Edgar Bronfman, Rupert Murdoch and Sumner Redstone. Just four of the men who decide what news you will hear or see—and what news you won't.

The average American has no idea that super-rich predators with names like Rockefeller, Rothschild, Bronfman, Newhouse, Murdoch and Redstone are making vast profits and achieving immense power through their stranglehold on the American media (and, increasingly, on media around the globe.)

See inside for more uncensored national news scoops.

- These shadowy media controllers decide which politicians are "in" and which politicians are "out." (They made Bill Clinton overnight. They also broke Richard Nixon overnight.)
- The Masters of the Media decide which issues can—or can not—be debated. (Imagine a public debate over the Federal Reserve system on Ted Koppel's *Nightline*. It will never happen!)
- The Masters of the Media promote the perverse, anti-Christian Cultural Communist ideology that permeates publishing and broadcasting today.
- The Masters of the Media decide which are the "good wars" and which are the "bad wars."

• The Masters of the Media decide who is the "hero" and who is the "villain."

If the Big Media decides you will be the patsy, then the patsy you will be.

It's that simple. Ask Lee Harvey Oswald or James Earl Ray or Gordon Kahl or Randy Weaver or the victims of Waco.

As we said: THE MEDIA IS THE ENEMY.

And that's why *American Free Press* is right here on Capitol Hill taking up the challenge against this enemy. We're in the forefront of the battle to reclaim America.

But *American Free Press* couldn't exist without the support of its readers. That's what makes this populist newspaper unique.

We have lots of enthusiastic readers—good patriots all across America—but we don't have the massive resources or the endless financial backing of the Media Monopoly.

In 1989, there were 11 major media giants emerging as the most powerful names in the global Media Monopoly. Today there are nine major corporations dominating the global media (although two of the nine are actually controlled by one family).

And that's why *American Free Press* exists: to counter the ever-tightening Media Monopoly both here in the United States—and around the globe.

Subscribe today and find out the news that you need to know. ★

Inside this special AFP "mini-issue" are included important news "scoops" reported by *American Free Press* that the Media Monopoly has ignored. This is only a sampling; there are literally hundreds of other vital, yet under-reported—or not reported—news stories we could have included . . .

HERE ARE JUST A FEW OF THE MANY AFP 'SCO

UN WANTS IT ALL: *Guns, Water, Land, Liberty*

Is Uncle Sam Obsolete? American farmers, ranchers, gunowners and sportsmen are just the front-line targets in schemes by United Nations bureaucrats—and their New World Order cheerleaders in Congress—who are working to subvert American sovereignty. Land grabs, gun control and a host of other population control measures are in the works. *American Free Press* is sounding the alert for all sincere patriots in America.

American Free Press gives America's patriots the news and information they need to fight for liberty. Old Uncle Sam would be proud.

Your Counties, Cities & States Stash Billions in Slush Funds

Who's Profiting? Financial analyst Walter Burien has documented that hundreds of billions of dollars are in government investment slush funds kept secret from taxpayers, even as taxes are hiked and citizens are told to expect less in services. Evidence can be found in official government reports, known as the Comprehensive Annual Financial Reports (CAFRs) that citizens have begun to procure for themselves. The Media Monopoly suppresses this explosive story.

Comprehensive Annual Financial Reports (CAFRs), such as the one above, document billions in slush funds kept secret from the taxpayers.

Pentagon Rejects Imperialism; Against Global Warmongering

Only War Profiteers Want War. Because America's top military heroes adamantly oppose endless U.S. meddling in the Middle East and around the globe, a well-financed ring of pro-Israel arms dealers, lobbyists and "ex-Trotskyite" neo-conservatives—are trying to undermine the Pentagon brass. Only *American Free Press* has pinpointed the source of subversion, describing the strange history of the intelligence community unit known as "Team B" that spawned this network. In keeping with its "America First" philosophy, AFP is the only newspaper in the country to rally behind our military leaders in the face of this threat.

William Kristol (L), Richard Perle (C) and Paul Wolfowitz (R) are key figures in a network trying to undermine America's top military brass.

Fed Undercover Operative Linked to OKC Bombing

Attorney Kirk Lyons (L) says his client, Andreas Strassmeir (R), wasn't a federal informant. An attorney would say that, wouldn't he?

Classic Cover Up. *American Free Press* continues to chip away at the Justice Department cover-up of the role of a likely federal informant, Andreas Strassmeir, alongside Timothy McVeigh in the Oklahoma tragedy. Echoing Morris Dees of the Southern Poverty Law Center and all of the major media, Strassmeir's attorney, Kirk Lyons, says it's "just a conspiracy theory," but solid evidence suggests otherwise. The bottom line: there's much more to the Oklahoma bombing than you've been told.

OPS' SUPPRESSED BY THE MEDIA MONOPOLY

Bankers, Industrialists, Media Moguls Meet Secretly to Direct World Affairs

Big Money Rules the Globe. Only *American Free Press* has dared report on the secret meetings of the Bilderberg group and its allies in the Trilateral Commission. AFP names names and exposes the U.S. politicians and other global movers and shakers among the international moneyed elite who participate in these gatherings. Although Bilderberg effectively directs the course of world affairs for the benefit of the high-powered financial empires of the

Rockefeller and Rothschild families, the American media refuses to report on Bilderberg's activities. For example, although the owners and editors of *The Washington Post*—among other media giants—have attended Bilderberg, the *Post* has never once reported anything about these gatherings, despite the fact that some of the world's most influential figures are meeting—behind closed doors, protected by armed guards—and deciding public policy.

Both Bill and Hillary Clinton attended separate Bilderberg meetings but the media kept it under wraps. And Bilderberg got Bill the White House.

Jim Traficant (L) and George Hansen (R) were crucified for being "too independent" while in Congress. See below.

FBI, CIA, BATF, IRS INFILTRATED:

Secret Clique Targets Political Dissidents

Never heard of "Nesher"? Trumped-up "corruption" charges against two outspoken congressmen, Jim Traficant (D-Ohio) and George Hansen (R-Idaho) can be traced to a powerful tightly-knit group known as "Nesher" that has infiltrated federal law enforcement. The same forces were implicated in the infamous INSLAW affair and Iran-contra, along with Waco, Ruby Ridge and other scandals. Only *American Free Press* has confronted this shocking story.

U.S. Conservatives Afraid to Ask: 'Why Is Israel Arming Red China?'

Anti-Communists, Take Note: *American Free Press* is the only media voice to address Israel's ongoing (and long secret) supply of arms and nuclear technology to Red China. In addition, AFP is the only newspaper to publicize Michael Collins Piper's blockbuster "underground best-seller"—*Final Judgment*—which describes how John F. Kennedy tried to block the secret joint Israeli-Red Chinese drive for nuclear weapons and what happened as a result. Real news. Secret history.

John F. Kennedy tried to stop Israel and its secret ally, Red China, from building nuclear weapons. Lyndon Johnson reversed JFK's policy less than a month after JFK's assassination.

There's More to the 9-11 Tragedy Than the Controlled Media Is Telling

Time after time, ground-breaking exclusives first published in *American Free Press* have been confirmed by other media. When we first reported evidence of foreknowledge of the 9-11 attacks by insiders in the government, critics said we were "supporting the terrorists" and mocked our stories. They said we simply couldn't be trusted—that we were "interfering with the war effort" and other nonsense. We were right. They were wrong.

However, the compilation of our best stories about 9-11 appearing in our special report, *50 Unanswered Questions About 9-11*, (shown here) are ones you will definitely want your friends and neighbors to see. These are just some of the big—really big—breakthrough news stories that have appeared in *American Free Press*.

We're on the cutting edge of hard-hitting news coverage that challenges the propaganda being churned out by the Controlled Media in America.

One Gutsy Newspaper; Some Powerful Enemies

Why should YOU subscribe to *American Free Press*?

There's one and only one national populist newsweekly staffed by an unsurpassed team of veteran investigative journalists who've dared to rip the veil off many major news stories that have been CENSORED and SUPPRESSED by the Big Money-Controlled Media Monopoly . . . *American Free Press*.

You won't be disappointed. AFP's no-holds-barred journalists have gored a lot of golden oxes over the years, fearlessly treading forward, no matter how "controversial" the issue.

Can there really be any doubt why "the powers that be" have been working over-time to silence AFP's loud and unrelenting voice that places America and our Constitution first?

- AFP publishes exciting in-depth, un-censored news and information that good, decent grass-roots patriotic Americans need to know in order to combat the growing police-state that's being clamped down on our republic.

- AFP stands foresquare against the New World Order conspirators with names like Rockefeller and Rothschild who are working to establish a "Global Plantation" under the rule of a powerful select few.

- AFP exposes the plutocratic elites in the Bilderberg-Council on Foreign Relations-Trilateral crowd and their corrupt Media Monopoly which suppresses real news and promotes "cover-up cover stories," sex scandals and culture distortion to dumb down the American public.

That's right. AFP is YOUR voice. We're proud to be representing all good Americans who love liberty and who oppose the New World Order.

LET'S STOP THE NEW WORLD ORDER!

If you have any doubt about why "they" want to silence *American Free Press*, you must be relying on *The New York Times*, *The Washington Post*, *Time*, *Newsweek*, *U.S. News & World Report*, CNN, NBC, ABC, CBS or Fox for your "news" and "information"—and that's a very big mistake.

Subscribe to AFP today—and catch up on the *real* news you need to know.
