Ninety Five Theses on the Holocaust – September 17, 2006

Patrick Henry McNally - patrick@fps.chuo-u.ac.jp - anti-Semist, not anti-Semite

Introduction: A Head Note on Jewish Hate Speech

The Tallmud contains lots of nasty racism, insulting epithets, and filthy lies. Perhaps today's elite joory acquired their racism and mendacity largely from that dreadful book. At any rate, modern elite joory has perfected the art of successful lying by defaming those who refuse to believe their lies.

The best -but not the only- example is the dirty Hoaxoco\$t blood libel. The scam works like this. Apparently about six thousand joos qua joos were killed or murdered during WW2. No one really knows for sure. One scholar said, during WW2 a war was going on. He referred to the obvious fact that wars are for killing people so one should expect that a few joos would die in a war their own leaders started. Six thousand jooz killed is a good number to start with because it is Tallmud based. The Tallmud states that one joo is worth a thousand cattle-goyim, i.e. (6000 joos x 1000 = 6,000,000) cattle goyim equivalents. Of course, this is only one possible explanation for the magic number of 6,000,000 which always keeps popping up. Another explanation is PR-based and argues that elite joory started with a much higher figure like 28M, 16M, or 10M and only reduced it when even the joos themselves or the chief Gentile paradise goyim stooges could not

swallow the Big Lie. Finally, they stopped at 6,000,000 and dogmatically clung to it. All the details and even other explanations can be found in Gernar Rudolf's *Lectures on the Holocaust*.

In any case, back to the hell's kitchen where joo fables get cooked up! The top dogs of the joo elite were floating 10M, 8M, 6M in the early 1940s and the Awshucks Lie pretty much got written in stone at the Nuremberg Show Trials where joo prosecutors and persecutors tortured confessions out of defenseless Germans. The mendacious Nuremberg judgments gave the joosmedia carte blanche to spread the Auschwitz Lie through school textbooks, radio, TV [Tallmud Vision], pseudo-scholarly reference works, institutes, think tanks, synagogue, churches, the whole shtick.

Now it would take a very stupid and gullible person to believe world history's dirtiest blood libel, the Hoaxoco\$t, so elite Jewry began to accuse hoaxoco\$t skeptics of - can you believe this? - HATE SPEECH. In German they even coined a word, Volksverhetzung, which the innocent beginning student of German might think means exciting the people but it actually means exciting the cattle goyim to not believe joo lies. However, joos themselves are always

inciting the joosish sheeple and stupid cattle goyim to believe their lies.

In brief, this is the psycho-joo hate speech cycle:

1. Jew elite tells a cosmic-sized Big Lie.
 2. Gentiles says, Whow! Let's investigate that!
 3. Joos scream, what? You question joosish suffering and eyewitness testimonies? You are engaging in hate speech.
 4. Joosmedia then proceed to silence and defame the hapless Gentile.
 5. If the Gentile persists, Jewish thugs like Rabies Kahane's JDL [Joo Death League] send him mail-bombs or joosish assisted lightening burns down his house. These joosish thugs are almost always protected by their co-tribalists in the jewdicial system and the useless police never bother to investigate the crime.
 6. If the Gentile persists, jewdiciaries bankrupt, deport, and imprison him.
- These six stages of this psycho-joo hate speech cycle can all be seen in the life of the great human rights fighters Ernst Zündel, Robert Faurisson, Gernar Rudolf, Jürgen Graf, et multi alii. The basic assumption behind elite joory's thinking is that joos themselves could never be guilty of anything in their relations with Gentiles.

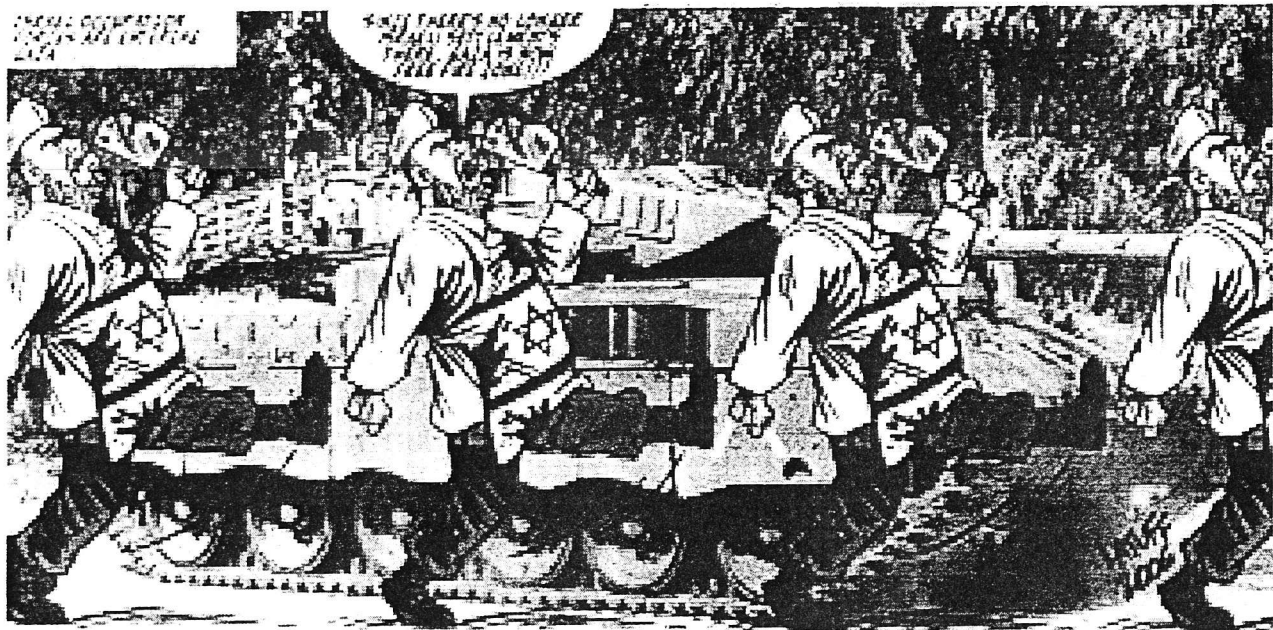

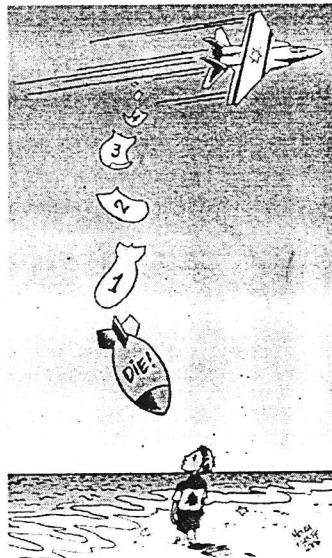

Ninety Five Theses on the Holocaust

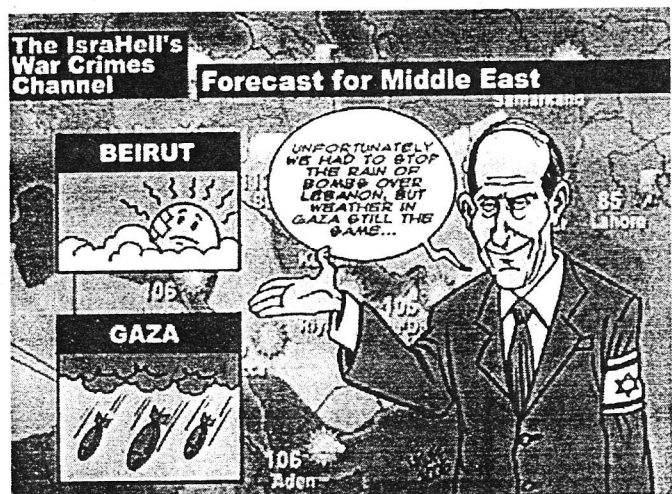

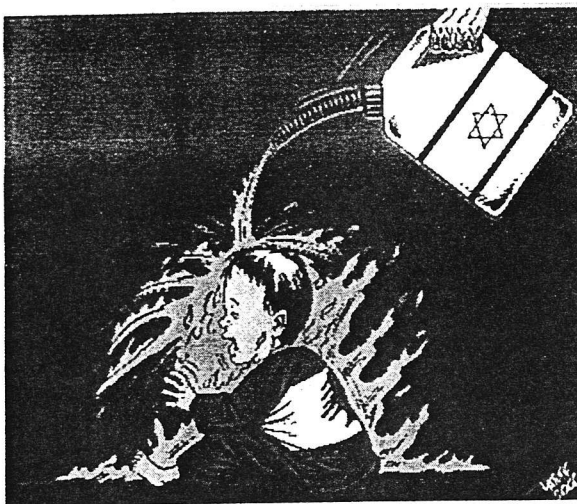

1. There is no forensic evidence whatsoever for the hoaxoco\$t.
2. There logically cannot be any holyhoax eyewitnesses.
3. All so-called holocaust evidence is merely hearsay and senile lies.
4. The hoaxoco\$t affirmers jump grasshopper-like from refuted lies to new lies awaiting refutation.
5. The hoaxoco\$t is world history's filthiest blood libel.
6. The Awshucks Labor Camp had more amenities than the USA WW2 camps for Japanese Americans.
7. Crematoria are never used anywhere to kill people. They are used to burn the bodies of people who are already dead. There is nothing ominous about crematoria.
8. Awshucks and all labor camps had insecticidal gas chambers.
9. Insecticidal gas chambers saved Jewish lives.
10. There were no homicidal gas chambers anywhere in German occupied territory.
11. Faurisson's Challenge [Draw me a homicidal gas chamber!] must be met. Holocaustomaniacs must finally put up or shut up!
12. There were no 6,000,000 joos to be killed.
13. During WW2 there was a war going on. During wars people die and get killed.
14. If Hiroshima deaths were not murders, neither were Auschwitz deaths.
15. Hiroshima and Nagasaki were real holocausts [killing by burning].
16. The only real holocaust in Germany was against Germans in their firebombed cities.
17. The worst war criminals [1941-1945] were the American Air Force fire bombing squadrons.
18. There is better and more proof for the Trojan War than for the holyhoax.
19. Belief in the hoaxoco\$t is epistemologically similar to belief in witches.
20. Belief in the hoaxoco\$t is morally much worse than belief in witches.
21. G. Rudolf's *Lectures on the Holocaust* is the indispensable vademecum for students of the holocaust.

22. The constant changes in the holyhoax fable are due to revisionist pressure and not to any jooish honesty.
23. Jooz have abandoned the filthy "soap made from Jews" blood libel.
24. The whole hollowcause story is exactly like the filthy "soap made from Jews" lie.
25. Only jooish obstinacy, greed, and mendacity maintain the Hoaxocost Lie.
26. The Awshucks Labor Camp was much safer than the German cities being bombed.
27. Giving false testimony must be a criminal and tort offense. ["Thou shalt not bear false witness against thy neighbor!"]
28. In colloquial English and bureaucratic German, the phrase "Auschwitz Lie" has exactly opposite meanings.
29. If the Auschwitz Lie collapses, the hoaxoco\$t collapses.
30. The holyhoax is the Achilles heel of Jew Power over Gentiles.
31. If the hoaxoco\$t collapses, Jew Power collapses.
32. Nazis wanted to deport Jooz to somewhere.
33. Zionists wanted jooz to be deported to somewhere.
34. Nazis and Zionists cooperated to save jooz by getting them out of the war zone to Palestine.
35. Russia and Western Europe have different railroad width gauges.
36. The Bergen-Belch-Burp Camp and several other camps were located at the railroad width gauge difference line. They were all transit camps and not death camps.
37. If it is morally acceptable for Jews to deport Palestinians from their homeland, it was morally acceptable for Germans to deport Jews from a country not their homeland. This is called Torah tit-for-tat.
38. Deholyoaxotoxification is urgently needed.
39. Both the Nürnberg Show Trials and Stalin's Show Trials used lots of torture to get confessions.
40. The Nurnberg Show Trials were far worse than Stalin's Show Trials because a whole people was condemned in perpetuity at Nürnberg.
41. An international commission must study the forensic aspects of the holocaust accusations of murder. This commission cannot include any Jews, Christians, or citizens of HOGs [Holocaust Occupied Governments].
42. Finkelstein's witty and informative The Holocaust Industry does not even touch on the holocaust as such.
43. Jooz lie and then get angry when people do not believe their lies.
44. The absolutely biggest jooish lie is the hoaxoco\$t.
45. The holyhoax fable is nothing but jooish hate speech.
46. Jooish anti-Gentile lies are a clever defense tactic.
47. Gentiles get so overwhelmed by jooish lies that they do not see that jooz are committing the very crimes they accuse Gentiles of.
48. Gentiles will stop telling truths about jooz when jooz stop telling lies about Gentiles.
49. Germans must institute a class action lawsuit against the holocaust jet-set plutocrats.
50. The hoaxoco\$t of fried European Union should be dissolved back into its member states.
51. Holocaust affirmers should be incarcerated.
52. World Jewry has to pay back all money extorted via the Auschwitz Lie.
53. The once proud German people have become cowards enslaved by the Auschwitz Lie.
54. Germany is now a HOG [Holocaust Obsessed Government].
55. The Hoaxoco\$t is the worse plague facing humanity today.
56. All UN member states should institute an anti-Holocaust loyalty oath for their citizens. No holocaust affirmer can be trusted.
57. The holyhoax of fried UN itself should be disbanded.
58. The holyhoax must be privatized, i.e. removed from public space.
59. All hoaxoco\$t museums, libraries, and stink tanks must be closed.
60. Alley the Weasel told significant lies to get his UAssA citizenship.
61. Alley the Weasel is a schmaltzy vicious hate-mongering racist liar.
62. Alley the Weasel, history's filthiest libeler, should be deported back to the JewsOnlyState whence he came. He did not come to the USA as a homeless refugee but as a speaker and spreader of anti-Gentile hatred.
63. The Holocaust industry causes infinitely more harm than the tobacco industry. Public health warnings should be put on anything published by holocaustomaniacs.
64. The Hoaxoco\$t is elite Jewry's cash cow, golden calf, and prize alibi for any and all of its crimes.
65. The holocaust fable has replaced Christ's Crucifixion.
66. The birth of Isrealhell has replaced Christ's Resurrection.
67. Holocaustianity has replaced Christianity.
68. The vast majority of the jooish sheeple are hoaxoco\$t racists.
69. Israel must continue to exist but within the 1948 UN mandated borders.
70. Israel can continue to serve as an open-air mental hospital for incorrigible racists. Where could Izzies go?
71. There cannot be any "one state solution" forcing Palestinians to live with racist joos.
72. The apart-hate JewState must get rid of its worse than Nazi race laws.
73. Israel sees the UAssA as its chief near-term enemy.
74. Israel destroys the UAssA through its fifth column of traitors high in the American government. Israel blackmails the JewAssA into wars fought for the JewState and these wars are bleeding America to death.
75. Unrepentant racist Jews must be helped to emigrate to the demilitarized JewState or be put back into a new ghetto.
76. Jewdayism is not any kind of a religion but merely a racist political ideology.
77. Zio-Judyism must be privatized back into the synagogues and mental wards.
78. Zio-Judaism is a Tallmud teaching of anti-Gentile hatred.
79. Aliyah Zionism teaches that all jooz should emigrate to Izzie. Actually a great idea!
80. Non-aliyah Zionism teaches that jooz should support the JewsOnlyState by acting as a fifth column of traitors in the various cattle-goyim states. Not a good idea!
81. Zionism must be recognized as [not even] a racism.
82. Any Gentile racism is on a higher moral level than Zionism.
83. Semitism [Jewish Supremacy] teaches that a joo elite should use deceit to dominate cattle goyim nations. Semitists principally use the Auschwitz Club to control the goyim.
84. Anti-Semitists [not anti-Semites] are urgently needed to fight Semitism [jooish supremacy].
85. The "Clash of Civilizations" is just a joo scam used to cause wars against and among all humans.
86. Jewry is defeating the West [both Black and White] with the hoaxoco\$t lie. Jewry is simultaneously waging an anti-Islamic war using Gentile stooges to fight and die for Isrealhell.
87. Jewry's multi-front wars are very risky for Mr. Joo because some cattle goyim might wake up.
88. The German [Hitler] Revolution was very democratic. The French and Russian Revolutions were very undemocratic.
89. Elite Jewry started WW2 in 1933 by unilaterally declaring war on Germany.
90. Judaism is the residual racism uniting the Solomon Sixpackers, i.e. the hoi polloi of the jooish sheeple.
91. The jooish contribution to Gentile societies is a net negative.
92. An anti-Semitist [not auntie-Semenist] used to mean someone who hates Semitists. Now an anti-Semitist means someone whom Semitists hate.
93. A Zionist used to mean a Jew who wanted to send stupider Jews to Palestine. Now a Zionist is often a rich Jew who escapes from Israel and leaves the stupidest jooz holding the bag as the JewState implodes.
94. The War on Terrorism [actually a War on Common Sense] is a joo-inspired scheme to get stupid Whites and Christians to kill innocent Arabs and Muslims.
95. Delendae sunt Judaea atque holyhoaxotoxia! [Israel and the hoaxoco\$t must be destroyed.]

IN LOVING MEMORY OF THE CHILDREN OF THE LEBANESE VILLAGE OF QANA, MURDERED IN AN ISRAELI ATTACK ON 30 JULY, 2006.

Israel, the failed Zionist Experiment
