What is a Hitler?

As we all know we have to stamp out the evil Hitlers .

Hitler we are told caused the war.If so then we have to stop other Hitler's . People who start aggressive wars need to be stopped. People who commit genocide and warcrimes need to be stopped.

This is what we all have been told Hitlerism stands for .

They tell us Hitler was bad because he was a genocidal war starting warcriminal but some genocidal war starting warcriminals are more like Hitler than others we are told.

Sometimes people who seek independence from the genocidal warcriminal war starters of ZOG (Zionist occupation government) get called Hitler.

We are also told that a series of people are new Hitlers.

We were told that Slobovan was a new Hitler, we were told that Saddam was.

We are now being told that president Ahmadinejad is one.

We even have the German Chancelloress Merkel calling President Mahmud Ahmadinejad Hitler. He is just like Hitler she says. You would think that she is more like Hitler being at least German. Mahmud is like Hitler and therefore the implied reasoning goes Iranians can be killed , bombed , slaughtered , raped , deculturised , reduced to starring in Jewish porn films alongside Negros and animals.

Against these evil Hitlers and in the interests of freedom and democracy we can launch wars of "liberation " (not aggression, we are the good guys) and we can kill thousands and thousands of people and cover countries with depleted Uranium which the wind carries back to our own populations.

Of course it isn't genocide when we do it , its Saddam's or Slobovans fault that we had to kill everyone to liberate them. If he had surrendered earlier there would have been no problems and we could have had them all on dog leashes like at Abu Ghraib without out the need for a fight first.

What is the answer ? The answer is blowing in the wind (along with the depleted Uranium).

What is a Fascist?

Of course we have one of the Neocon thinkers ,Michael Lebed ,saying we should be "Universal Fascists" . This is a "respectable" opinion .

Of course the problem with implementing his excellent idea is that the Neocons only stand for the Zionists and their running dogs like Bush.That dosen't seem universal enough to me although implied in Mr Lebed's reasoning is that the universe consists of Zionists and Globalists and nobody else counts . Besides the postnational global elite every other race and nation suffers under this system .

Simultaneously the ZOG media tells us the Iranians are "Islamofascists" and all those who oppose the movement of millions of brown people to Europe and America are fascists. A Fascist is defined as anyone who resists the Anglo-Zionist war of aggression genocide machine ,that kills mainly Brown people.

Simultaneously a Fascist is defined as something from the 1930s that is really scary but nobody really knows why anymore because everyone is a wifeswapping , MTV watching , beerbellied , potsmoking retard or perhaps some species of Jesus-freak.

So Universal Fascism represents all opinion besides the far-left homo drug user subhuman bigot types and Zionists.

What is a Racist?

Hitler we are told was the biggest Racist. He was the Alpha and Omega of Racists. He was so racist that he was allied with the Japanese (dirty Yellow Japs of Allied

nonjews

"non-racist" propaganda), Indian nationalists , the Grand Mufti of Palestine and countless Soviet nationalities.

Hitler fought with coloured people against White colonial empires . The British even starved the Bengalis during the war by the million but that isn't racism .

If the media dosen't conjour these dying Bengalis before the eyes of the retarded masses ,then those Bengalis never existed and the "Racism" of starving them never happened either.

So a Racist ,as the system tells us, is someone who opposes the mass murder of Brown people by White people led or inspired by Jews.

You can murder any amount of millions of brown people you like as long as its in a "good" i.e. Jewish cause.

You would think White Nationalists and Conservatives would use some similar definition instead of trying to squirm out of admitting that they believe in biology like some medieval flat-earth crackpot?

The Jews tell us simultaneously that the White race dosen't exist and that they are White. Logic is Antisemitic and can shut its Nazi mouth. The Jew's God indeed defines himself using circular logic "I AM THAT I AM" EXO:003:014 , so he is literally illogic deified. Its blasphemy to use your brain about Jews.

So a Nazi Fascist Racist Hitler is someone who opposes the murder of millions of Brown people by the self declared White supremacist Zionist Jews and their Globalist henchmen.

And a champion of human rights and equality is someone who murders millions of Arab kids and brings millions of Third world people to Europe and America to do jobs the native's own kids would be doing if they had not been aborted by the million by the overtaxed natives , who could not afford to rear them because they were paying the taxes to pay for the low wage immigrants from whom only some Globalists profited .

The Zionists also tell us that Israel is a western country and when American politicians speak they say they speak for the "West " and so forth.

If they are what is defined as western today then I am no longer from the West.

Then if I'm not from the West then where indeed can I identify with?

I must be a Third worlder by this reasoning?

The Far-left tell us however that we can't be Nazi Fascist Racist Hitlers because that is evil. It must therefore be evil not to want to kill millions of Brown people.

The Trotskyite Far-left indeed , although they claim to be Anti-zionist , while doing nothing to further that, share a key feature with Zionism, besides the Neo-Cons being ex?-Trots, and that is the vilification of those who work with Brown people to prevent the killing of millions of Brown people by Anglo-Zionists.

We must learn to be good boys and dip our arms up to the elbows in the blood of innocent Palestinian children . Then we will be holy , and has not the Pope himself prayed at the wailing wall?

The media also tells us the Whites are responsible for the sins of the world.

Whites ? What Whites? The Jews are over there they are always telling everyone that they are White .While you told us that the White race dosen't exist and that we're all really Africans , so you can't mean us . You must mean them. In fact I'm sure you do.

Why not define ourselves as Africans , like the Boers?

We the oppressed peoples of the world want equality and we are told is the ideology for those who want equality .

We Third Worlders are evil and to be good we must learn the virute of mass murder and the

nonjews

need to be hypocritical about it . We can never do it for our own interest. Thats too honest and would be evil Fascism.

No we must conquer Israel in the name of liberating the Jewish people . God told us to do it

Not "I am that I am " the other God " I am whatever yon Priest says I am". Jesus after all was a Palestinian.

We will not use depleted uranium as part of a cunning scheme to depopulate the country, no but as a way to "save lives" and "ensure efficient armour penetration".

We can't be Nazis but we can be Communists. Thats PC. Did not the great Ilya Ehrenburg himself say to rape the women and "Break their racial pride" . I only know of one proud race abouts these days, only one that boasts of being "Gods chosen people". Were are only being good Communists if we rape those Jewish women to death as we liberate them. Oh course they won't actually have been raped to death but will have "expired of joy ".

The propaganda department has a big imagination and the people such a small one.

A Nazi would not touch them as that would be "Racial pollution " of oneself.

In our hedonistic age such purity is evil and can't be allowed.

(Rule one of Imperialism is sleep with the local women and flatter the locals . Don't remind them that science says they are more closely related to monkeys than you.

If you want power be politically intelligent.)

But Nazism is evil we are told and those poor orthodox Jewish women need a taste of equality. Have they not been good loyal wives while their husbands were down at the brothel enjoying Russian sex slaves? Have they not got a right to "explore their sexuality" ? and we're just the equalisers to help them out.

The male Jews will get a chance to explore their own sexuality with our Hiv positive Haitian voo doo legions who have answered the call of one of our many brown Hitlers. After all the Jews spent a long time telling us how equal we all were and now they will get to prove it.

We will practice their dual morality in the reverse direction .

In the USSR they experimented with nationalising women. Being good Marxists we will nationalise the women of our ideological enemies, those evil right-wing free traders and so forth. No one will mind when our Cheka butchers grotesquely the entire present ruling class , after all we did it in the name of equality and progress towards social justice , and even world peace . We will even be doing in the name of racial equality between the gentile races and the arrogant God's chosen. What could be more PC and therefore noble than that?

We have to liberate Palestine to save the Arabs from those terrible Jewish Hitlers of the Ashkenazi Master Race and to save those Arabs from the Jewish Gas chambers in which they are being exterminated (what ? there is no evidence? since when did that make any difference to the retards? you got to understand the mass mind man!)

Keep your truth to yourself and tell people whatever will make them do your bidding ,thats political intelligence. Stop acting like the world is a Science convention.

The Homosexuals tell us it is evil to oppose internationalist homosexuality which is responsible for the deaths of perhaps millions of Sodomites through the spread of AIDS (indeed more than "I am that I am" killed).

It therefore must be good by their own logic to kill millions of Homosexuals as long as its done in a way consistent with their "sexuality" ,(public impalings?).

It would be even better for them to go spread their gospel among the coloured brothers along with the abortionists and not come back. Let them all learn the evils of homophobia , so what if it results in a drastic drop in their population?

nonjews

Liberal crackpot notions are more important than human life as our masters have taught us.

Lets have equality then and democracy (as directed by a media we will control). The first vote of the Third world will be to kill the Jews . The second will be to ask the Aryans to take over as the plumbing has not worked since decolonisation and after we have shown them all the films we will make once we take over Hollywood about Zionist warcrimes etc,hey and our films will actually be based on true stories.

Today its good to kill millions but its evil to open your mouth and reason, explain or criticise.

Is this Hate speech? No its Haitian speech. We're all from the Third world now and the Zionist West has to go. Yesterday Jewish Communists led the Third world against European colonists. Today we will lead them against Zionist Neo-colonists (called Globalists)

who oppress and exploit billions.

Non-Jews of the world unite ! You have nothing to lose and the world to gain!

Read your Machiavelli . Universalisms always beat nationalisms.

With our Brown Hitlers we will be unstoppable!
