WELCOME HOME DAVID DUKE!

I will definitely be there, and numerous other writers, speakers, publishers and movement figures will be there as well. Look for me at all conference events and at the literature distribution area. We always want to meet our readers. See the item below, by the EURO staff, for complete details. Don't miss this very important conference -- see you there!!!
Dr. Harrell Rhome, Publisher

On May 28, 29, and 30 (Memorial Day weekend) the International European-American Unity and Leadership Conference will be held in New Orleans, Louisiana. Speakers will include prominent leaders and scholars from around the world who are in the forefront of the struggle for our heritage and freedom. The conference will include both scholarly and activist speeches and discussions on the major issues confronting the European-American World, focusing on the Zionist Threat and its destructive influences. Topics will include the Zionist-driven war and occupation of Iraq, the demographic and cultural threats to Europe and the United States, and the Jewish supremacist war against civil liberties and freedom of speech. Speakers will emphasize effective strategies for the next decade of the struggle for securing both our freedom and survival!

A few of the scheduled speakers include Roy Armstrong of EURO, Don Black of Stormfront, Willis Carto and Mike Piper of American Free Press and Barnes Review, Erich Gliebe and Kevin Strom of National Alliance, Germar Rudolf of the Revisionist, John Tyndall of British National Party, Paul Fromm from CAFÉ in Canada, attorney Sam Dickson and attorney Edgar Steele. Additional major speakers are being added.

The gathering will especially honor David Duke who has spent a year in the American gulag because of his unremitting work on behalf of European Americans and his uncompromising stance against Zionism. Not only had David Duke become one of the leading American voices opposing the Zionist-instigated Iraq War, and his new book, *Jewish Supremacism*, [see Eric Thomson's short review in this issue] has become the leading book in the world on the Jewish question.

David Duke will open the conference on Friday evening, May 28, 2004 and give the keynote address at the banquet on Saturday evening.

Come join us in New Orleans to welcome David Duke home and to chart the road for our heritage and freedom!

[And, a few words more...]

DAVID DUKE HOMECOMING MAY 29 IN NEW ORLEANS ARE YOU COMING?

from him:

"This may be the most important gathering of the decade in our struggle for our heritage and freedom. The May 29th Conference is going to set the tone for our people in the 21st century. This can be a huge, huge moment in our history."

Mr. Duke is so on fire on the phone that only a professional stenographer could keep up with his mind as he races through the plans and ideas that he has formulated while he was imprisoned. His imprisonment began on April 15, 2003.

Mr. Duke also asked me to mention that due to the tremendous response to this event it has been necessary to expand the event schedule. Mr. Duke will be receiving arriving guests in a hospitality suite with refreshments throughout the afternoon of Friday, May 28th. At 7:30pm Friday, May 28th the conference will be opened in our event hotel. Saturday, May 29th will be completely filled with speakers, events, and a lunch break giving you an opportunity to share a meal with fellow patriots from all over the world, including our speakers. At 7:00pm Saturday the Banquet commences. A delicious New Orleans seafood dinner will be served in our fine event hotel. David Duke will deliver the weekend's keynote speech at the conclusion of our Saturday Banquet. Sunday morning, May 30th, we will all join in an outdoor European-American historical commemoration at a famous New Orleans White heritage site. From Noon Sunday until 7pm in the evening we will return to our very conveniently located beautiful hotel in a good part of town for more panels, seminars, speakers and events inside.

On the phone, Mr. Duke said today (Wednesday, April 14th): "Please make sure to include the Sunday afternoon portion of our program in your travel plans. This will be a very important part of everyone's experience for the weekend."

You can order your Conference tickets now for \$35 and your Saturday evening New Orleans' Seafood Banquet and keynote speech tickets for an additional \$35. JEWISH SUPREMACISM By David Duke

A Review By Eric Thomson

This is the most timely and important book anyone can read in regard to the Zionist Occupation Government (ZOG), particularly in the U.S.A., which is the jews' golem or Frankenstein monster. David Duke has taken on a truly monstrous subject. Although his book is encyclopedic, it is not a multi-volume monster, but is quite readable and succinct. It covers jew supremacism (Zionism) from ancient times to the present, and is very much up to date in regard to the Zionist players and atrocities. This is the essential job for 'our' media (actually the jewsmedia) has avoided, tht of informing the U.S. people and other Zionist victims. The temperate wording of the text makes the treachery of our Zionist rulers stand out starkly, demanding tht justice be done to liberate us from these evil-doers.

The book is well researched, and its strength for convincing the uncommitted reader is in its reliance upon official jewish sources, with revealing quotes from their leaders and pundits. The eternal jewish message to Gentiles is: 'Do as we say, not as we do.' The jew approach to Gentiles has always been two-faced, for the Gentile is told to love the jew and the jew teaches his own to hate the Gentile host people. Under this smokescreen, the jew panders his way to power over his Gentile hosts. Ex-Mossadnik Victor Ostrovsky described the jewish attitude toward Gentile colleagues as follows: 'When I was sitting with my friend, he's not sitting with HIS friend.' In other words, all contacts should be one way, in favor of Israel, first, last and always.

The conclusion is inescapable: that jewish patriotism is alien and hostile to American patriotism, and jewish target #1 for genocide is the White race. As George Washington would say, 'Patriot, look and learn.' This book is top priority for reading, now! DOWZ and ORION! [Order from from EURO - special"Eagle Newsletter readers price, \$19.95.]

SHEIKH AHMED YASSIN AND LITTLE LEO by Tom Mysiewicz

In a land far, far away a harmless creature of God was brutally killed. The people of that land, not ones to stand idly by while injustice was done, spent 14 months looking for the perpetrator. When the criminal was found, little mercy was shown and he was given a stiff sentence for the killing. Some even thought he should face the death penalty.

This land was America. And sadly, the manhunt was not made for the perpetrator(s) of the massacre-by-missiles of an elderly wheelchair-bound quadriplegic cleric, Sheikh Ahmed Yassin, but for a small Bichon Friese dog named Leo. Leo was thrown to his death in early 2000 by an angry California motorist after the dog's owner collided with his SUV. With Little Leo's death, Northern California was thrown into action. Leaflets were circulated. And animal lovers around America agitated for justice. Police worked nonstop on the case. And--if three years of a man's life is worth the life of a dog--justice they got.

In the case of Shiekh Yassin, a different picture was painted entirely. Israeli spokesmen appeared nonstop on TV reading endless lists of Yassin's supposed crimes. Few, if any, photos of Yassin were shown. It wasn't until 11:30 p.m.--Pacific Time...very early morning on the East Coast--that I saw an actual photo of Yassin in his wheelchair. (When it comes to Saddam, the networks scarcely let a day go by without showing his drugged and bedraggled visage!) "He still was very, very dangerous," the CNN, FOX and MS-NBC commentators assure us, "A terrorist mastermind." They mention that he was, well, also hit in the chest with a missile. Israeli "intelligence experts" are brought on. They tell of his master memory and "hands on" control of every terrorist act by Hamas. (No word is ever said about charitable work by Hamas, though.)

Most Americans accept this. Few, probably, visited the IDF website a few years back to see the great intelligence coup on Yasser Arafat--the papers "proving" he had been masterminding all terrorist attacks during the Intifada. Well, I did. Having been a reporter for a number of years I was greatly disturbed to find a series of inconclusive documents whose "proofs" would be thrown out of any U.S. court at any level. Apparently, in the Israeli system of justice, assuming one is not Jewish, even an allegation or fuzzy statement is the equivalent of a capital crime. For instance, if tortured prisoner "X" says you, a Palestinian, may be part of a terrorist cell, it's O.K. to bulldoze your house! But few Americans understand this difference. And the major media do nothing to dispel the illusion of the rough equivalence of Israeli and U.S. justice.

Which, I think, explains why the average American values the life of a dog over the life of a disabled and elderly Palestinian cleric. And which is why there will be little pressure on politicians in the U.S. to do more than grumble about this Israeli murder in pursuit of a "restructured" Mid East.

RABBI YISRAEL WEISS OF NETUREI KARTA ON THE ASSASSINATION OF SHEIKH YASSIN: AN HONEST RABBI BRAVELY SPEAKS OUT

The assassination of Sheikh Ahmed Yassin by the Zionist State is the latest tragic episode in the one hundred year old confrontation between Zionist and Arab in Palestine. It is tragic both for Jews and for Palestinians. It is tragic for the Palestinians because it is another instance of the trail of bloodshed which has been the result of the Zionist Palestinian confrontation which has existed since the formation of the Zionist ideal to set up an illegitimate State in Palestine. The Zionist ideal is illegitimate because it is contrary to Jewish Religious teaching and contrary to humanitarian justice. Tragic for Jews because the Zionists claim (mistakenly) to represent

the Jewish People and any animosity arising among the Palestinians as a result of the assassination falls on the whole Jewish People. Orthodox Jews wish to declare that the Zionists do not represent the Jews in any way and have no mandate whatsoever to speak in the name of the Jewish People. They also dissociate themselves entirely from the perpetuation of the confrontation with the Palestinian People. Furthermore, they declare once again, that the only solution to the impasse in Palestine, is the total peaceful dismantling of the Zionist State.

FORMER CONGRESSMAN PAUL FINDLEY (R-IL) SPEAKS OUT ON THE MIDEAST

"Nine-eleven would not have occurred if the U.S. government had refused to help Israel humiliate and destroy Palestinian society. Few express this conclusion publicly, but many believe it is the truth. I believe the catastrophe could have been prevented if any U.S. president during the past 35 years had had the courage and wisdom to suspend all U.S. aid until Israel withdrew from the Arab land seized in the 1967 Arab-Israeli war."

"In its violent assaults on Palestinians, Israel uses the pretext of eradicating terrorism, but its forces are actually engaged advancing the territorial expansion just cited. Under the guise of anti-terrorism, Israeli forces treat Palestinians worse than cattle. With due process nowhere to be found, hundreds are detained for long periods and most are tortured. Some are assassinated. Homes, orchards, and business places are destroyed. Entire cities are kept under intermittent curfew, some confinements lasting for weeks. Injured or ill Palestinians needing emergency medical care are routinely held at checkpoints for an hour or more. Many children are undernourished. The West Bank and Gaza have become giant concentration camps. None of this could have occurred without U.S. support. Perhaps Israeli officials believe life will become so unbearable that most Palestinians will eventually leave their ancestral homes."

BLACKS COMPILE HIT LIST ON WHITES

New Kensington PA -- Two 14-year-old Valley High School freshmen were arrested Wednesday after school officials discovered they had declared Friday to be "kill a cracker day." They are being held at a juvenile detention center. One of the students was found in possession of a hit list, with the names of about 10 Whites to be killed. The incident was swept under the rug by multiracialists, who insisted, "there's no racial tension at the school," and that "it seems like an isolated incident." The local police chief, a Jew, quickly announced that there was no need for any extra security to watch over White students. School officials didn't even care enough to notify White parents, who had to learn of the incident through local media. Their loyalty to multiracialism obviously trumps the safety and security of Whites.

WHY CAN'T GENTILES DO THIS?

"Any organized minority with a given amount of intelligence can obtain supremacy over a disorganized majority of equal intelligence. A race-conscious population is far more effective and successful in most forms of endeavor than a race-unconscious population group. Racial spirit, like team spirit, stimulates victory in all types of competition, athletic or political, intellectual or social. If the Majority were as race-conscious as the Jewish minority and had half as many organizations working for it, Jewish predominance in America would disappear overnight. Where Jews diverge most sharply from the Majority, aside from important personality differences, is in having a higher degree of ethnocentrism, not a higher degree of intelligence. To put it in a different perspective, Jewish power

may derive as much or more from Majority weakness and disorganization as from Jewish strength." (Wilmot Robertson, *The Dispossessed Majority*, 1972, pp. 196-197)

DISHONORABLE ISRAELI TROOPS SEEK TO ERASE MEMORY OF RACHEL CORRIE

April 3, 2004 <http://www.palestinemonitor.org>

Early this week four Israeli jeeps, 16 tanks and two bulldozers invaded the highly populated area in the Al-Salam neighborhood in the city of Rafah, along the Egyptian border of the Gaza Strip, an area constantly under continuous firing. They headed straight towards Dr. Samir Nasrallah's home, the very house Rachel Corrie died in front of a year ago while trying to prevent its destruction.

Corrie was the 23-year-old American peace activist from Olympia, USA, killed by an Israeli army bulldozer which ran over her while nonviolently trying to prevent the demolition of yet another Palestinian house in the city of Rafah. Corrie and other pro-Palestinian activists based in Rafah had frequently spent the night in Nasrallah's house, acting as human shields against the Israeli tanks and bulldozers clearing a security zone around the border. For a while Nasrallah's abode had stood alone in a sea of sand and debris. Almost every other structure in the area has been knocked down in recent months.

Dr. Nasrallah, a Palestinian pharmacist, lived in the house with his wife and children. "When I returned to the site of my house I was in shock: they not only demolished the house, but all the rubble and dust were totally removed and gone....". In this operation also some trees were uprooted and the surrounding landscape was totally razed.

Locals are convinced that this targeted demolition took place as one more attempt to erase the memory of crucial events that took place in the area and to cover the crime of the assassination of Rachel Corrie, since the place used to attract many journalists and members of various solidarity groups and activists, who would visit the place and gather with the family.

"REVISIONIST" SLIP-UPS IN SACRAMENTO

An allegedly "gay", would-be "revisionist" pastry chef, Walter Mueller, tried to put together an international conference with the help of IHR incompetents such as Mark Weber, Harvey Taylor, et al. They failed to secure a backup venue, and when a German gymnastic club, Turnverein, cancelled them out, they had nowhere to go. The group apparently had no idea that "holocaust deniers" were renting their facility, evidently because the allegedly "gay" pastry chef did not level with them – or line up a backup! At the last minute, with the help of some nationalist groups like National Alliance and Stormfront (whom Mueller dislikes), a rump conference was held. Of the several speakers from overseas, only a couple of them showed up. Horst Mahler, who was the big draw, did not come, but who can blame him? Not only that, some who were announced on the Internet as speakers were later nixed with nary a word. Numerous revisionists lost out on book sales, and even though Mueller has allegedly refunded the ticket money, this hardly compensates for time and money lost on hotel reservations, airfares, etc., which had to be cancelled. Naturally, Mueller and Weber made it seem they pulled off a miracle – how typical.

None of what I have said or what follows is in any way a reflection on the speakers who did participate. Most of them will also be in New Orleans at the end of May, where the participants and the attendees will see a staggering and pronounced difference from the California ignominy.

Mueller is largely a liar. He got his knickers in a twist when I declined to plug the event, so he sent out an ugly email (to everyone on his list but not to me!) misrepresenting the reasons that I gave for declining, the main reason being that I refuse to support anything to do with the now-ineffective and almost inactive IHR. Mueller publishes a little tabloid newspaper, but if this is any example of how he reports the news, then what does that say about his reporting abilities and his overall honesty? As readers know, I almost never get involved with "blight-wing" infighting, but Mueller's egregious conduct caused me to make a rare exception. Below are some related items by Elizabeth Carto and columnist Yancy Ames.

QUESTIONS TO MARK WEBER!

By Elizabeth Carto

Since Weber turned the whole thing over to this Kelso, he gives the final blow to the IHR. This will drive away the last "academics". Faurisson was told before 1993 that Willis would turn the Journal into a "racist rag" as you know, F. got scared and believed Weber. But he was just petrified being tied to "racists", what does he say now that his protégé has done it? Weber, as you stated, is closing down organizations, not just IHR but Spotlight and Liberty Lobby too as a result. He is now doing a final assault on revisionism and it is not unplanned. He disables anyone who has a work ethic and is trustworthy. Harvey (Taylor; see below) gave him the \$5000, that is a joke, where did the \$1.1 mill go that IHR got last spring from the Trust they stole from LL in October of 2002?

Weber has money but is spending it destructively. Did you ever ask him about the Allen Trust (not connected to Andrew Allen), a nice old lady who left the money to LL. Wells Fargo held the trust and finally had to turn it over to Weber last year.

Where did the millions go that they got since 2000 from LL, paid under the settlement we had, from the sale of our house (\$400,000) and legacies that the Maino court (a pro-Zionist Calif. Judge) turned over to Weber? These are serious questions that need to be answered. Maybe Harvey and the other officers don't know about this money? Raven bought a 1.6 million dollar property for himself early 2003, before he left to string tennis

rackets. We have proof. Do you find this shocking? It is certainly worth looking into.

A LETTER FROM YANCY AMES TO HARVEY TAYLOR ON THE SACRAMENTO FIASCO

Dear Mr. Taylor: Congratulations on your fiasco in Sacramento. It became apparent to me years ago that you were a complete idiot; now that the whole world knows you are an idiot, I rejoice. You cannot blame your cancelled conference on Willis Carto, who at least can successfully organize functions.... If it achieves nothing else, your sheer stupidity in relying on just one location without several backups shall demonstrate to every revisionist in the world where the real incompetence in the IHR has always lain. Your conference has succeeded in its collapse in a fashion it could never have achieved in the actual event. The demise of Sacramento shall be the resurrection of revisionism from the grave of the IHR.

REGIME CHANGE AT IHR: AN IDEA WHOSE TIME HAS COME!!!

Needless to say, I don't recommend that anyone give IHR money. And, if in good faith, you have left them a legacy, well, it's time to change your will! Enough said. Those who want to go to a really first class event should make their plans now for New Orleans. In addition to David Duke, Edgar Steele, Willis Carto, Erich Glibe, Don Black and many others will speak. Look for a full report next issue.

WAR WITH THE SHIITE ARABS

[Leela Publishing, March 25, 2004] The Iraqi resistance against the U.S. military occupation of Iraq is about to flare up into a full-scale war. The Shiites of southern Iraq (60% of the population of Iraq) who until now have stayed neutral and out of the resistance to the U.S. invasion, are about to take up arms against us. They have been left out of the command of the new Iraqi army and police force by L. Paul Bremer, the U.S. administrator, who announced March 24 that he was going to appoint a new Defense Ministry this week and a national security board. He will also appoint inspectors general to each of Iraq's 25 existing government ministries, appoint a public broadcasting board, and hundreds of other new officials. He has already appointed most Iraqi ministers. All this has happened before elections, before any elected Iraqi representatives had any voice in the nomination and appointment process.

Bremer has argued that elections cannot be set up before June... but this complex process of creating a vast government bureaucracy surely requires more time and effort than elections. The Shiite neighborhoods already have their own tribal and extended family leaders, who could be identified tomorrow by show of hands at neighborhood public meetings all within a few days. The Shiites have been demanding elections before creation of a new government. The Ayatollah Sistani speaks for them, repeatedly requesting elections first, formation of government bureaucracies second.

The Shiites know that Bremer is not appointing true native Shiites to these government positions, but Israeli agents recommended by the Iraqi Governing Council, headed by Israeli agent Ahmed Chelabi. Chelabi was the source of the false information (passed on through Wolfowitz and Perle) from London about weapons of mass destruction, which President Bush used to justify the American invasion of Iraq. (See our press release of 7-09-03 about Chelabi).

Such a war in Iraq with the Iraqi Shiites will ignite the whole Middle East, just as Ariel Sharon wants.

IN SAFEGUARDING OUR FREEDOM, WE DESTROYED IT

"In the eyes of posterity it will inevitably seem that, in safeguarding our freedom, we destroyed it; that the vast clandestine apparatus we built up to probe our enemies' resources and intentions only served in the end to confuse our own purposes; that the practice of deceiving others for the good of the state led infallibly to our deceiving ourselves, and that the vast army of intelligence personnel built up to execute these purposes were soon caught up in the web of their own sick fantasies, with disastrous consequences to them and us." Malcolm Muggeridge, 1966

THE MAN WITH THE "KEYS TO THE KINGDOM" IN IRAQ: AYATOLLAH AL SISTANI

Pictured above is the man who holds the keys to short and long-term events in Iraq. One word from him would set the entire Shiite population afire with revolutionary zeal and fury. I believe he is merely waiting for the "democratic elections". Shiites constitute 60+% of the population, and will control everything, that is if a truly free election is ever actually held.

ONWARD GOYIM SOLDIERS

Onward Goyim soldiers marching without fear,
Rumsfeld, Perle and Wolfowitz will lead you from the rear.
Clothed by Chinese sweatshops, and fed on Hormel swill,
Kill off all the Arabs for by now you know the drill.
Onward Goyim soldiers you must be proud to serve,
We must control one big oil source to save the Federal Reserve.
Fight on through the dust storms, and secure that southern border,
Israel is getting very dry and needs to pipe some water.
While you watch the children starving, do not think of sin,
Ari Fleischer is on TV and he'll control the spin.
Fight on in to Baghdad, and try to kill Saddam.
If you can't find him do not worry,
George will drop a great big bomb.
Onward Goyim soldiers, we know you're bad to the bone,
When all of this is over you'll get a medal from Ariel Sharon.
Onward Goyim soldiers, marching off to war
With the Star of David going on before.

FRAUD ON THE RIGHT

By Pamila Emmerich

[MORE ON WEBER AND MISDEEDS: Just before completing this issue, we received this item from Pamila. Even though we've already said quite a bit about miscreants, it seemed too good to pass up!]

It was June, 2002, when a friend of mine received a mail solicitation from something called THE CONTRARIAN PRESS, which offered videos that had been copied from film in Hollywood studios, proving the Holocaust was a lie. CAUGHT ON TAPE was the title of the videos, and a special video was to show Irv Rubin and his sidekick, Karl Krugel, openly admitting the Holocaust was totally fabricated. Other video titles were INSIDE THE NAZI GAS CHAMBERS, THE BOMBING OF THE KING DAVID HOTEL, the bombing of Hamburg and Dresden, AND A FILM OF THE PHONEY GAS VAS, INCLUDING FOOTAGE OF A FAKE POLISH FACTORY WHICH HOLLYWOOD FAKED and was purported to be the Treblinka death camp. A 'secret' video taken inside a Holocaust museum was also included. The list went on. But why, I asked my friend, has not this startling evidence been mentioned by AMERICAN FREE PRESS, THE TRUTH AT LAST, the IHR, or any other familiar outlet for such revelations? Instead, you have received something from a self-professed 'insider' in the Hollywood film industry by the name of Desmond Boles. How peculiar. It was only \$80-some dollars to see the death knell put to the Holocaust lie, so why not? So my friend ordered these gems and we waited in anticipation. In viewing these videos, if anyone thinks you would be shown a snarling, mouthy Irv Rubin, you would be mistaken. These videos, proclaiming to put the lie to the Holocaust would make the most cynical person believe that Irv Rubin was the most honest credulous person on earth. I swear, they'd just make you want to run out and take hold of the skirt of a Jew!! As to the rest of the videos, I can sum them up thusly: they resembled a Charlie Chaplin movie run backwards at triple speed. They were senseless and without continuity. The inside of the Holocaust Museum looked like Fibber McGee's closet or a homeless man's habitat.

To my surprise, in November, 2003, I received a solicitation from Contrarian Press, signed by Mrs. Edith Boles, saying her husband had passed away (to the Bahamas?) and she was selling out all the stock of Contrarian Press. I could get videos, books, papers---everything but the fish factory in Tel Aviv, for just \$59.00 plus shipping. Knowing the offer to my friend had been a sham, I nonetheless decided to take Mrs. Boles up on this offer, just to see the incredulity of this pro-Jew scam. I sent Contrarian Press a check for \$63, which was dutifully cashed, but as May 1, 2004, I have received exactly zilch.

Mrs Boles clearly implicated Mark Weber of the IHR as being in collusion with her husband on these videos and their distribution. Therefore I shall gleefully include Mr. Weber in my complaint of Mail Fraud. My opinion of Mark Weber is lower than the mummy in a peat bog, as he and his ghouls are the ones who have caused Willis and Elizabeth Carto the loss of their home, the loss of the monies a wealthy widow left to THE SPOTLIGHT, the vile attempt to put the SPOTLIGHT out of business, and inestimable amounts of money, besides other mischief. Mark Weber and his cabal are the ones who told Faurisson that that Willis Carto

would turn the *Journal of Historical Review* into a "racist rag" and scared the wits out of Faurisson and other former allies from Europe. Weber has a yellow underside--probably with a Mossad Star of David emblazoned on it. The harm he and his fellow travelers have done is enormous. Any person or group that would deliberately set about to destroy our oldest, most patriotic institutions, Liberty Lobby, and the nations most honorable newspaper, THE SPOTLIGHT is vile beyond reckoning.

Jealousy has always tweaked the lips of murmurers against Willis Carto. I have followed this man and his work for over 40 years, and Willis Carto has always stayed the course. He has

been WITH us, fought for our causes, and kept us truthfully informed for decades. Never has he wavered, and in my opinion, he is one of America's greatest patriots.

I hope none of you got caught in the Boles/Weber scam, but if so, you know as I do, you will not recruit any Holocaust deniers with the Contrarian Press videos--if you ever received them!

THE WAR WE WORSHIP

By Yancy Ames

The official memorial to World War II is about to open. It is not, needless to say, a memorial to Charles Lindbergh. The United States has many military memorials. The battlefields of the Civil War from Chattanooga Mountain to Antietam to Gettysburg are commemorated to the memories of those who fought and died there. Armistice Day, or Memorial Day if one prefers, is dedicated to the end of a great blood bath. But the WWII memorial is something more than a memorial to the sacrifice of those who died. Indeed, one might fairly say that they are merely a façade for the real purpose. The WWII memorial about to open in our nation's capitol is the centerpiece of an Orwellian rewrite of the traditions of the American Republic. It is an attempt to send down the memory hold the profound opposition of the American people into the war. It is, moreover, an attempt to gloss over the disastrous geopolitical consequences of the war, the sacrifice of American neutrality and non-intervention forever, and a reminder that the duty to rescue a certain minority in peril is the ultimate national duty. The WWII memorial shall not honor Burton K. Wheeler, John Thomas Flynn, Generals Robert Wood and George Van Horn Moseley, Norman Thomas or even Sargeant Shriver and Gerald Ford, in the folly of their youth. The America First Committee shall not be decorated for heroism under the fire of withering propaganda nor shall the profound and honest writings of George Morgenstern, Charles Beard, Harry Elmer Barnes, James J. Martin and Arthur Butz merit an honorable mention. The tomb of the unknown soldier shall be replaced by the library of the unread historian and the imposing figure of David Irving shall not guard the entrance to officially sanctioned events. World War II is now the "Mother of all holy wars". As such, it is immaculate in conception, pregnant in mythology and immune from the groping hands of hard, factual questions. The World War II memorial is the hoopskirt wrapped around its corset of cover-up.

AN OPEN LETTER TO ZIONIST HATEMONGER

STEPHEN BYERS By Mark Farrell

Someone recently brought to my attention a statement given by Mr. Byers. He is the chairman of England's Parliamentary Committee Against Antisemitism. He reportedly stated, "The reason for the resurgence of an old hatred is simple. Antisemites feel emboldened again. Their prejudice, suppressed out of guilt but lingering on in the past 50 years, is finding its way back to the mainstream. This cannot be ignored. Anti-racists everywhere have a responsibility to challenge and expose anti-semitism wherever it occurs."

To this, I responded with the following message to him:

Dear Mr. Byers: It is my understanding that you are against racism and hatred. I am too. I have been trying to stop the Zionist hatemongers for years from sowing their hate-filled ideology, as if naught but poisonous seeds that infect this world. Yet it seems to be of no avail, trying to stop these Zionist terrorists from sowing the seeds of discord. Daily, we see such honorable people as Mr. Yasin being murdered in cold blood--as if just another drop in the terrorist Sharon's bloodstained bucket, already flowing over from his years of unchecked hatred when he murdered innocents during Sabra and Shatila, not to mention Jenin and the Al Aqsa Mosque massacres that occurred later. We think about how former Israeli Prime Minister Menachem Begin murdered many innocent Englishmen when he bombed

Hotel. We recollect the days when the
ne Minister Yitzhak Shamir murdered
d, Lord Moyne, and mailed many decent
letter-bombs, murdering more innocents as
Zionist inspired hate-filled, venomous ways.

1 Affair, when Zionists bombed American

Americans. We think about all the child victims of the Zionist
menace--what the Zionist hatemongers deem as "collateral
damage" when they bomb large apartment complexes on the
chance that one of their assassinations against decent people
might succeed. The Zionist victims are large and many. But
they must be stopped.

We must do everything we can to outlaw this mentality of hatred,
ingrained in many Jews' heads who would otherwise be decent if
it weren't for the radical and hate-filled diatribe known as the
anti-Gentile Talmud, which preaches an anti-Gentile genocide
(i.e., where it states, which should be in violation of Britain's
decency laws, "Even the best among Gentiles [non-Jews]
deserves to be killed"--a statement given high credence among
many hate-filled Jews). We must stop their frothing at the
mouth, as they salivate and plan more oppression and murders.
We must meet the Zionist hate mongers on the street, in the
alleys, and wherever they expose their wicked heads, plotting
their plans of injustice and hate.

We must teach them to love the Palestinians, to stop their
wayward ways, to become more accepting of other Gentiles, and
to live in harmony with the rest of mankind. I know it is a
monumental task, given the vicious mentality of many Zionists;
but it is something that must be done--that cannot wait. For
should we allow the Zionist hatemongers to continue to engage
in their radical and hate-filled ways, I fear for all mankind,
particularly considering the Weapons of Mass Destruction that
the Zionist hatemongers now possess in Palestine.

How long can we merely sit idly by while the Zionist terror-
machine plots its next course? How can we stand by and wait
while the Zionists might even now, as I write these words, be
planning on murdering more innocents or starting another war?
Nay, Britain and America--and all Europe--must ban together to
combat the Zionist menace before it destroys the world itself.
For if we merely sit by on the sidelines, the Zionist killing
machine may very well destroy civilization as we know it.

It is for this reason that I write you, imploring for you to do your
part to stop the Zionist terrorists, who are salivating at the mouth
with the anticipation of hurting more innocents. I beseech you to
do the honorable and just thing and make certain that these
Zionist terrorists are tried by an international court of justice, to
stand before the rest of mankind and admit to their atrocities,
which are great and many, and to then have Justice carry out its
punishment in a swift and fitting manner.

Best regards, Mark Farrell

FRANCE INVADES U.S.

by Jerry Ghinelli ©2004

jerryghinelli@informationclearinghouse.info

April 11 2004 "ICH" -- After months of build up, the French
government, led by Jacques Chirac, launched a preemptive
attack on the United States of America. Declaring the US "a
rogue nation in violation of international law and in defiance of
UN resolution 1441," France launched a major ground offensive
to overturn what they called "the illegitimate regime of George
W. Bush." Citing the 2000 election as proof of an unlawful
government, the French claimed they are invading the US to
bring democracy to the American people. Termed Operation
American Freedom, Jacques Chirac declared on French
National TV: "the failure of the US to disarm and the threats
against France by the unelected president has created the need
to invade America in order to protect us against the inevitable
aggression by the US along with Bush's stockpiling of weapons
of mass destruction. The US, he declared, was part of an axis of
evil along with the United Kingdom and Israel.

After a relentless bombing campaign termed "Le Shock e Le
Awe," French along with a German coalition forces captured
Washington DC and surrounding areas. German troops
controlled territory from North Carolina to Florida. Chirac
appointed Dominique de Villepin as interim president and
established a governing council of Americans. The complete
transition to the American leadership is scheduled to occur on
June 30 2004. Made up of African Americans, Native
Americans, Mexican Americans, and a few white
"Conservatives," this council will govern the newly liberated US
beginning on July 1, 2004.

Meanwhile, former President George W. Bush has been
arrested after a tip led to his capture in a "spider hole" just
outside of Crawford, Texas. Bush was met by French soldiers
with the greeting: "Jacques Chirac sends his regards." The
American informant received 25 million Euros for the information
and was given French citizenship and a change of identity. The
former undisclosed American citizen who revealed "W's"
whereabouts was hailed as a hero by the French media. George
W. Bush was in good health and seen on TV with a beard, long
hair and his trademark cowboy hat. His daughters vanished and
his wife's whereabouts are unknown. President Bush has vowed
his innocence and declared the French invasion illegal.

Meanwhile American Insurgents have fought the French army
using guerrilla tactics and terrorist strikes. According to Chirac,
these terrorists "hate freedom and will not succeed in our desire
to bring peace, security and democracy to America." Chirac,
when told of the upsurge in American resistance said: "Le' bring
em on." In a recent event, American insurgents attacked an
SUV carrying four French Foreign Legion Mercenaries. Dragged
from their vehicle, the four Frenchmen were executed and
dragged through the streets of Arlington, Virginia. Burned and
hacked the French "contractors" were despicably hung from a
bridge over the Potomac. The French government promised to
"pacify" the American terrorists "at a time and place of our
choosing."

The French forces, equipped with helicopters, missiles and
advanced weaponry, attacked Arlington, Virginia inflicting 490
American deaths and over 1000 injuries. Called operation
Vigilant Resolve, the government of Jacques Chirac claimed the
action was justified to avenge the killing and humiliation of the
so-called French "contractors". Terrorism, Chirac declared, must
be fought at all costs and France will never accept the approval
of the anyone to protect it's citizens."

Meanwhile back in the US, American insurgents have retaken
Charlotte, Savannah and Jacksonville. Chirac, declared these
terrorists will be defeated and the will of the French people is
unshakable. Chirac, after landing on the French Aircraft Carrier
Napoleon, and declaring, "Mission Accomplished," has admitted
over 500 French soldiers have been killed [continued on p. 8]

and 3000 were wounded by the criminals and terrorists of "freedom hating" Americans. A spokesman for the Chirac announced today that Donald Rumsfeld has been captured but his detention remains classified. Donald Rumsfeld, the Ace of Diamonds in the Chirac's deck of cards, was the former Defense Secretary under the brutal undemocratic administration of George W. Bush. Rumsfeld, according to Chirac, was wanted "dead or alive". "The world today is a safer place with Rumsfeld in custody," said Chirac. With the French death toll now surpassing 650 and the American death toll in the tens of thousands, according to Chirac, "all human life is precious, even sometimes American, but such is the price of freedom and democracy."

In an extraordinary event, "High Priest" and former presidential candidate Pat Robertson declared today "Christian Jihad" against what he called the French "Atheists". Citing, "better to die as a martyr," Robertson appealed to all Christians to expel the French invaders and return the US to its Christian traditions. Robertson has issued a "Fatwa" declaring the French "Atheists" as illegal invaders and to attack them with passion. "Jesus is Great," declared Robertson. The French government met in Paris this morning and declared Robertson an enemy of the American people and issued a warrant for his arrest.

In a stunning new development, the French government announced an estimated 10,000 Americans have been detained by French, German, Bulgarian, Ukrainian and Polish coalition forces in newly built "rehabilitation" camp in West Virginia. Branded as "terrorists" these detainees, according to interim president de Villepin, are treated in accordance with Geneva Convention rules. However, he has denied the Red Cross or any human rights groups access to inspect living conditions in the West Virginia "rehabilitation" camp.

Today Chirac and Schroeder issued a communiqué announcing their scheduled meeting in Paris later this week to discuss the ever increasing terrorist violence in the the US. Chirac and Schroeder will discuss the transfer of power the American council on June 30 and how to combat the growing American insurgency. Chirac and Schroeder concluded their communiqué stating: Vive la France and Deutschland Uber Alles.

The author forgot to mention, that president Chirac warned Canada that he will apply penalties on it, if she does not stop the terrorists infiltrators crossing its borders to enter the USA.
