

15 MAY 05. Dear Günter: I just returned to Brownest Yakima, so I must first answer my piles of correspondence. I am looking forward to translating the German text you gave me, & I hope we may break through Raphael Johnson's ignorance & possible religious bias. Carto really gets some 'strange birds' in his nest, some of whom turn out to be cuckoos like Weber & Marcellus. Many thanks for sending my letters to IMPACT. I'm glad they find them useful.

I read the prison letter from Ernst. He is definitely the most self-centered of all the prisoners I correspond with. No, I have not yet been summoned to testify for Michael Nelson in his pending persecution case, which may not get to court if the ZOG gets scared from any publicity it receives. I have put Nelson's writings about anti-White prison programs on the Internet, so the ZOG is getting cold feet. Ha! They do not like exposure, just like the cockroaches they are.

I suspect that Wolfgang Droege was involved in drugs, but we may find out for sure when the murder suspect goes to trial. Please keep me posted. It is strange that "Don Andrews" would accuse him & Paul Fromm of being "CSIS agents", and that David Duke would be a "KGB agent", especially since the KGB is now the FSB. That reminds me of the Zudniks' Putinwahn, which apparently originated with "Rimland of Odessa". Putin's recent visit to Israel revealed his vigorous support for the Holohoax, so Ernst will receive no help from him. I still ask all Putinisten to check out The Canadian Jewish news for their biography on Putin. As I recall, they wrote that he had "a good jewish background" or words to that effect. As I said previously, he is the twin of the jew Yezhov who was an NKVD chief under Stalin. We should never base such important matters on wishful-thinking. Wouldn't it be nice if Stalin & Putin were both "Aryans"? Ha! Wouldn't it be great if Eurasians were also Aryans? I recommend mehr Wahrheit und weniger Wahnsinn from our friends.

When I must be out of Yakima, I sometimes watch History Channel on TV to catch up on the news. I was out of the U.S.A. for decades, so I missed lots of events of the sixties, seventies & eighties. I am surprised that many people connected with The Third Reich appear on the History Channel whom I've met or corresponded with. Frau Rost van Tonningen appeared on a program on Himmler, & Hajo Hermann appeared, who I met in Toronto. The young General Remer was also shown in a feature about the assassination attempt against Hitler, etc. The best kept secret on the so-called History (or the Holohoax Channel, as some call it) is Stalin's plan to invade Europe as soon as Hitler attacked England. No one has revealed the fact that Hitler saved Europe from Stalin by hitting the Reds just before they were ready to attack. Obviously, History Channel is very selective & biased in its historical coverage, but since the jews run the media, that is not surprising.

19 MAY 05. Not only do I have lots of mail to catch up on, but now I have been called for jury duty. That is likely to interfere with my correspondence, also. On May 18th I received your great mailing, including your letter of May 12th, \$20, a 3¢ postage stamp & great enclosures, as always. Many thanks! Thanks for clearing up the mystery about my returned articles. I put them into my general propaganda file, so I don't know what they were, in my haste to leave Yakima from 22 April to 11 May. Sorry! Isn't it funny how the anti-German hate propaganda increases as the non-White invaders increase? As you & I note, the jews misuse the term, "anti-Semite" by referring to Arabs as "anti-Semites". I point out that lie whenever I have the chance, otherwise, dumb Goyim can't focus their tiny minds on the subject, if it appears out of the clear blue. "Anti-Semite" requires a bit of background for me to introduce the subject to the ignorant. I see the Canuckpöstniks are now cancelling your stamps. Well, they may get tired, so we can look forward to some more presents from CANZOGland. Now that we see so many jews in high places, like Cotler et al., would Whites be able to understand that there really is a ZOG? White Americans seem not to know that most of Bush's regime are jews. Most of them don't know & those who know don't care. They say, "So what would be the difference if they were Baptists, instead?" These creatures are too dumb to live, it appears.

I wonder what Bundeszog intends to do with Ernst. As I say, I would not try to sell him any life insurance! We should take advantage of every moment we have in which to 'get the word out' on behalf of ORION! Keep up the good work. I photocopy Claude's great Holohoax debunking articles for the dumb Goyim. Best regards to him, also. Well, I'm in a rush, so I'll send this off as soon as possible. ORION!
