

26 MAY 05. Dear Phil: Many thanks for your letter of 23 May & all the goodies. It appears that the presently-promoted "Zündel Movement" is kosher throughout, including The Zud, himself! Cy veh! David Irving is a self-admitted jew, according to jewish law, just as is the Zud, whose mother was also jewish. Mark Weber's visage is like a caricature of a kike, and his sister lives in Israel, so how many clues do we need to conclude that he is also kosher? Jews do not always toe the current Zionist line, as we know, & it is the sincere dissidents within jewry who bear the brunt of Zionist/Communist persecution, like their fabled prophets. For us Gentiles, the problem is to distinguish righteous hebrews from jew self-promoters. For this reason I proposed The Anti-Zionist Alliance, in which sincere, righteous, anti-Zionist jews & other non-Whites can contribute their words & deeds on behalf of Mankind. An alliance is comprised of diverse groups who, ideally, work toward mutually-beneficial goals. The abolition of Zionism is clearly beneficial to all peoples of this planet, so members of the 3 races should collaborate & co-ordinate their efforts to eliminate this deadly scourge, for all our sakes.

As you observe, environmental issues loom ever larger, as humans deplete, pollute & over-populate their own living space. Increasing areas are being or have been poisoned with radioactive products resulting from our greed, stupidity & carelessness, just as chemical contaminants increase in our air & water. The normal by-product of large populations & their abuse of their environment is plagues & rapid mutations thereof, as we saw in "The Spanish Flu" epidemic of 1918 & in the previous "Black Death" of the 14th century, which originated in Asia.

Thanks for the John Birch Society flier. As Dr. Oliver told me, he was a founder-member of the group, but it did not take him long to discover its jewish origin & direction. The Birch Society was specifically founded, funded & directed by their jewish masters as a means of diverting real anti-Communists from identifying & rooting out American Communists, most of whom were kosher. As you say, it has brought forth all sorts of phony issues with which to bemuse & occupy its dupes. The J.B.S. revealed its farcical nature when it announced its intention of "fighting Communism", rather than fighting Communists. The Mafia might as well join a group which intends to "fight crime", rather than criminals. J.B.S. is more waste of The White Man's time & money.

Thanks, but I do not intend to visit the Chernobyl site & its ongoing damage to our environment. Maybe it would be a good idea to keep one's Geiger Counter handy, all the time. A local acquaintance told me recently of his discovery that a Yakima lamp shop had an X-ray lamp in a storage room, which was being used for illumination! When he pointed out the danger, the proprietors said, "Oh, it hasn't done anything." (yet). As I understand, exposure to radiation is cumulative, so regular, small doses can be just as lethal as a sudden big dose.

The dearth of enlistments in U.S. ZCG-merc forces is a positive indication that sheeple are not quite as dumb as their Zionist rulers deem them to be. If the draft is restored, the citizens will be called up, but the millions of illegal aliens will remain to take their places. Such a deal! Canada has, ostensibly, slammed the door to people who would flee a U.S. draft, so stay tuned. All the best. DCWZ! & ORION!
