

27 JUNE 05. ZOG-ATTACK WARNING: THIS IS NOT A DRILL! by E.Thomson

Tyranny begins with the abuse of language, as Orwell truly said. The latest is used by ZOG as its pretext for abducting & detaining U.S. citizens without due process of law, in cases deemed by ZOG to involve "terrorism" (undefined) & "material witnesses" (undefined). A material witness is not a suspect. He or she is innocent, but as a "material witness" to words &/or deeds deemed "terrorist"-related by ZOG, he or she may be abducted without charge nor 'right' of habeas corpus, for an indefinite period in solitary confinement. The ZOG's logic is that a material witness may abscond, to avoid giving testimony &/or may be intimidated or killed by the alleged "terrorists". Since the material witness is innocent, the Anglo-Saxon concept of "innocent until proven guilty" does not apply, & cannot be used to gain the witness' freedom. Since the alleged witness need not be tried, to see if he or she is indeed a "material witness", the ZOG's allegations may be used to detain the person indefinitely, & secretly, if the ZOG deems it a matter of "Homeland Security". This procedure may be applied to anyone whom the ZOG deems "a material witness".

Now is certainly the time for pro-White Whites to watch out for ZOG-fronts, agents provocateurs, phoney combat cells, &c. It is also time for us to watch our words & deeds, & with whom we associate. There is no guarantee that we can avoid ZOG-traps, but it would be to our advantage if we did not willfully jump into them! ORION!

27 June 05. Jewradio reports mucho conflict in Richmond, CA, which is on S.F. Bay, north of Red Berkeley, which is north of Black Oakland. The violent conflict is expressed in shooting deaths & the parties to the battle are spics & nigs, although no racial identities were mentioned. I just went by the names & accents on the radio. Spic members of Richmond City Council have called for declaration of a state of emergency. This violence appears to be gang & race-related, so it could spread outside CA. Stay tuned! ORION! E.T.

ZOG-LOGIC: We kill Arab Moslems in their countries as we let them populate North America. This would mean that those who are here are 'good', while those who live in their own Arab Moslem countries are 'bad'. Since ZOG believes that one's place makes one 'good' or 'bad', we should be able to stop the war in Iraq by bringing all the Arab Moslems in Iraq here.

Then we could embrace more diversity!

ZOG says: Homogeneity bad; homosexuality good.

JEWS say: Diversity is 'good' for Gentiles, but 'bad' for jews. Therefore, ZOG says: Gentiles must be inclusive, while jews can be exclusive, unless they are non-White Gentiles!

ZOG SAYS: FREEDOM OF ASSOCIATION FOR EVERYONE BUT WHITES!

CHRISTIANS PRAY ON THEIR KNEES. JEWS PREY ON THEIR CHRISTIANS.
