

YOM KIPPUR — *What Is It?*

On the evening of October 12, Jews around the world gathered to celebrate the most holy day on the Jewish calendar. It is called *Yom Kippur*, or Day of Atonement. At synagogues everywhere worshippers recited the so-called *Kol Nidre* prayer. Taken from the first two Hebrew words of the prayer, "Kol Nidre," it means "all vows."

The *goyim** are told that Yom Kippur is an occasion when pious, saintly Jews approach their Maker in a penitential rite to beg his forgiveness for wrongs they have committed during the past year.

RUBBISH! The occasion is nothing less than a time when Jews ask for and receive absolution for all the sins and wrongs *they are about to commit—IN THE COMING YEAR!* In so doing, they cut a lawyer's deal with their god (whom they call YHWH, or *Yahweh*) which gives them an exemption *in advance* from all wrongdoing.

Here is the actual text of this outrageous "prayer":

"All vows, bonds, devotions, promises, obligations, penalties and oaths wherewith we may vow, swear, devote or bind ourselves: From this Day of Atonement until the next Day of Atonement, may it come unto us for good,—lo, all these—we repent us in them. They shall all be absolved, released, annulled, and made void and of no effect; they shall not be binding, nor shall they have any power. Our vows shall not be vows; our bonds shall not be bonds; and our oaths shall not be oaths."

That's pretty clear, unambiguous language. What we have here, in fact, is nothing less than a one-year, renewable license to lie, cheat and steal with impunity, all based on a decree from the Jews' so-called holy book, which says:

"And he who desires that none of his vows made during the year shall be valid, let him stand at the beginning of the year and declare, 'Every vow which I make in the future shall be null.'"

(Babylonian Talmud, *Tractate Nedarim* 23a & 23b)

Among those who will be reciting the *Kol Nidre* oath are the many Jewish politicians, judges, lawyers, corporate executives, businessmen, journalists, commentators and spokespersons disproportionately represented in public life today. It should be noted that any oaths they may take to uphold and defend the Constitution or otherwise tell the truth are, as of this occasion, "abandoned, cancelled, null and void" and rendered "without power and without standing."

Isn't that nice?

* A derogatory Hebrew word for non-Jews

Lost Tribe found in India

More than 2,000 years after they claim to have first set foot in India, the mystery of the world's most obscure Jewish community—the Marathi-speaking *Bene Israel*—may finally have been solved with genetic carbon-dating revealing they carry the unusual Moses gene that would make them, literally the original children of Israel.

Four years of DNA tests on the 4,000-strong Bene Israel—now mainly based in Mumbai, Pune, Thane and Ahmedabad—indicates they are probable descendants of a small group of hereditary Israelite priests, or *Cohanim*, according to results of a new study.

The priests are scattered worldwide but genetically related in a distinctive fashion that leaves just a billion-to-one chance of a mistake in identifying who the Bene Israel really are, says Tudor Parfitt, Jewish Studies professor at London's School of Oriental and African Studies.

Parfitt, who initiated and led the research, says this is the first concrete proof that "exiles from Palestine made it as far as India and managed to maintain Judaism in the sea of Hinduism and Islam."

In the early '50s, 30,000 Bene Israelis returned to the so-called Promised Land, soon after the state of Israel was created. Their Indian appearance, cricket-playing, sari-wearing, curry-eating and Marathi-speaking habits led to a bitter battle for recognition as "real Jews."

The name Bene Israel literally means "Children of Israel," and their legend of origin holds their ancestors to be Jews fleeing persecution in Palestine in 175 BC.

According to the legend, seven men and seven women survived a shipwreck near Navaon village on the Konkan coast. Their descendants became thoroughly Indian, except for observing Saturday, the Jewish sabbath, as a weekly holiday. The practice led them to be known as Shanwar Teli, Marathi for "Saturday oil-pressers."

It was only 1964, that the Israeli prime minister declared they were genuinely Jewish and should be allowed to return to Israel and intermarry.

But now, the new study goes one better. By studying certain genetic markers in the DNA chain, found only in male descendants of Aaron, Moses' elder brother, who founded the line of Jewish priests, the Bene Israel could well claim to be the purest of the pure.

The new research has also found preliminary genetic evidence to show the declining community of Black Jews of Cochin left Israel in remote historical times.

The new data, which has been featured in leading Western scientific journals, comes after painstaking efforts to genetically source the origins of India's other, self-professed "lost" Jewish tribes, including the Manipuri Jews and the Telugu-speaking Jews of Guntur.

"And thou shalt consume all the people which Adonai thy god shall deliver thee; thine eye shall have no pity upon them . . ."
—THE TORAH, Deuteronomy 7:16

"This is the saying of Rabbi Simon ben Yohai: 'Tob shebe goyim harog.' ('Even the best of the Gentiles should all be killed.')"
—THE TALMUD, Soferim 13, Rule 10 (q.v. Jewish Encyclopedia, Funk & Wagnalls, 1907, p. 17: "Gentiles")

9 FEB 06. Dear Ingrid: It was a pleasant surprise to receive your box of great reading material, all of which is much appreciated! JBC's article on The Kol Nidre, with the accompanying jew obfuscator's kosher commentary that The Kol Nidre "specifically is about contracts of a religious nature & NOT about...contracts with men," is what I've heard jews say before. My immediate response was to ask them if The Kol Nidre prayer allows them to lie to Yahweh, only? Naturally, all courtroom oaths, oaths of elected office, &c. are made to Jesus ben Yahweh, Allah, or Yahweh in countries with Semitic religions, so according to this jew's interpretation, such oaths can be broken if they are made to the god of Christians, Moslems &/or jews. Another ostensible jew claims that oaths or obligations(to Yahweh)may be undertaken "unknowingly" or "under coercion!" That is nonsense. It is indeed odd that anything Goyim discover about Judaism is deemed "libel" by the jew-liars. Their Voodoo-style murder ritual is deemed "blood-libel", so their lies about the Holocaust should be deemed "gas-libel!" During a demonstration in Toronto which was headlined: "Germans Picket jews" in the major newspaper, The Toronto Sun, we were close enough to the jew demonstrators to exchange catcalls. The jews shouted first: They told us to "go home to Germany." The fact was that in our group there were only 2 Germans! I shouted to the jews: "Go back to Khazaria!" That brought out kosher exclamations of fear & anger. "The Goyim are onto us?" They shouted:"You are anti-Semites!" I shouted: "No, we love the Arabs!" That caused more "ooos" of anger out of the sheenies, & it ended the exchange.

It appears that former "Nazi-Hunter, Rimland" deleted my original reference to the banksters from her altered version of "The West, War & Islam", which I wrote & The Zud signed. If she deleted that important passage, I would wonder why, since there is lots of evidence about the evil role played by international finance. It appears that Rimland would like to redefine the meaning of German, so as to include Mischlings, jews, & other non-Whites. "Modern" Germans may have to speak Turkish, to conform to the Zud definition. Oy veh! One correspondent warns that so-called nationalist groups in Britain, France & the USA are admitting jews & other non-Whites as members, husbands & wives. By "kosherizing" so-called Nationalists, the jews hope to enlist such Zionist front-groups in a 'holy' war against the Moslems, as the Zionists continue their genocidal war of extinction of Whites all over the world. Would the bombing & occupation of Iran & other Moslem countries in The Middle East, Africa & Asia make Europe "Arabern-rein?" Not the way the jews want to do it. The first task for any real Nationalist^s is to make their own country "Juden-rein!"

Any other items you don't want, please send to me, for I can use them in my own research & writing, &/or I know others who can benefit greatly by such information as you have so kindly sent me. Once again, many thanks. All the best & ORION!

Eric
