

## ***The Prophetic Words from Benjamin Franklin 1787***

*(This prophesy by Benjamin Franklin was made in a "chit chat around a table" at the Philadelphia Constitutional Convention of 1787. This statement was recorded in the diary of Charles Coatsworth Pinckney, a delegate from South Carolina.)*

*"I fully agree with General Washington that we must protect this young nation from an insidious influence and impenetration. The menace, gentlemen, is the Jews.*

*In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded, by objecting to its restrictions; have built up a state within the state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.*

*For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only among themselves. They must subsist on Christians and other people not of their race.*

*If you do not exclude them from these United states, in their Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land and change our form of government, for which we Americans have shed our blood, given our lives our substance and jeopardized our liberty.*

*If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude Jews for all time your children will curse you in your graves.*

*Jews, gentlemen, are Asiatics, let them be born where they will. No matter how many generations they are away from Asia, they will never be otherwise. Their ideas do not conform to an American's, and will not assimilate even though they live among us for ten generations. A leopard cannot change its spots. Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by this Constitutional Convention."*

1 AUG 06. Hail Chad! Many thanks for your letter of Jewlie 30th! Zoggies are slow readers, so be patient in regard to your mail. If they are allowed to have sharp objects, such as ballpoint pens, you might advise them that those fear-inspiring plastic covers & binders may be removed quickly by inserting a ballpoint pen or even a pencil into the binder. By pulling the binder away from the pages, it lets go & frees pages & covers. For disposal of the plastic, you may refer to The Department of Homeland Security. Mr. Chertoff would probably tell your zoggies to put the plastic where the sun doesn't shine, or other such jokes. If you ever receive the two shortstories, I hope you enjoy them.

In the last 2 years of World War II, the German civilian population was not over-eating. According to several Allied P.O.W.s who were incarcerated in Germany throughout the war, one reason they did not try to escape was that the German civilians were actually starving. One said that they even stripped bark off trees. He stayed with his prisoner column because they received their daily sliver of bread, right to the end of the war. He recalled its dimensions exactly. As luck would have it, I met my former P.O.W.s in Rhodesia, Africa. The fellow who remembered his bread ration was a Brit who was captured at Dunkirk, so he spent 1940 through 1945 in Germany as a P.O.W. That's why I could compliment him on his German! All the Allied P.O.W.s I have met who were in German custody said they had no dislike for their German captors, who treated them fairly & as decently as possible, in the midst of wartime shortages. As I recall, a U.S. publication reported that over 90% of Allied P.O.W.s, with the exception of Soviet prisoners, survived the war & lived to tell about it. The USA & USSR killed off most of the German P.O.W.s who surrendered at the end of the war. See "Other Losses" by Bacque. More Germans died after the war than during it, thanks to The Morgenthau Plan of anti-German genocide. Lesson: It does not pay to stop fighting, for the Zionist enemy intends to kill you in any event. The Brits who surrendered to the Japs at Singapore lived long enough to regret it, as did the U.S. death-marchers of Corregidor. My U.S. uncle missed that event because he had broken his little toe playing football as a kid. The toe did not set straight enough for the U.S. Army recruiting sergeant in the 1930s, so his neighborhood playmates were chosen to go, & he was left behind, until 1941. The bent toe did not exempt him from the draft. That's how armies behave: It's not a matter of fitness, but of need for bodies in uniform which determines acceptance or rejection for military service. I saw that during the Rhodesian Civil War, in which I was a reluctant participant, with no death-marches, fortunately!

I tried to point out the fact that belief or disbelief in the Holohoax did not make one a "Nazi" or a Zionist. As you noted, some not only believe in The Six Million Swindle, but they'd wish for "six million more!" They would be classified as Nazi Holohoax-Believers. I knew jews who were not only there, but who willingly stayed with the Germans. I knew other jews who lived in Germany during the war, without being grabbed & taken to "the gas chambers!" I saw a 1944 Berlin telephone directory with a red cover, displaying an eagle & Swastika thereon, which listed at least a dozen jewish organizations in Berlin! If jews do not believe in the Holohoax, they do not become "Nazis" thereby, any more than Nazi Holohoax-Believers would become "jews." Unfortunately, Zundel's defence attorneys turned a deaf ear to my advice. Now, Holohoax Denial is a crime in international law, thanks be to ZOG. Truth is now deemed "no defence," as I've read on ZOG legal documents. As you noted about the victors' propaganda becoming the 'history' of the vanquished, I have objected to truth-seeking historians calling themselves "revisionists," for they are historians, not propagandists, as were their predecessors, who were NOT historians!

Your "RIP Course" sounds like fun, especially for one like you, who has a brain & can use it. Most sheeple do not use their brains, even when they are 'smart.' They are consumers who accept lies & truth as 'entertainment', & they parrot their indoctrination to get good grades in school, rarely exercising their critical faculties on what they are taught. When my jew 'history' professor told my fellow university students that we'd flunk his course if we ever claimed that Roosevelt had prior knowledge of the Pearl Harbor attack, I pricked up my ears & stayed away from writing papers on World War II for his "American History Course," but I paid attention to any such reports on Pearl Harbor thereafter. Yes, FDR did know -- he practically arranged for the Jap attack on Pearl Harbor! Like my fellow grade-slaves, I had no wish to challenge the jew-prof., especially since I knew nothing about Pearl Harbor's origins at the time & could not find out. If the Internet had existed in 1941, such crucial knowledge would have been available. Only 50 years later did I find out the truth, one source being Dr. Oliver, who helped crack the Jap codes before Pearl Harbor. As defenceless & despised as it is, truth can come out, eventually. DCWZ! & CRION!
