Walla Walla's Suppression of Religious Freedom

*A horrifying Washington DOC Breeds Home Grown Terrorist Employees.
Written by a correspondent inside Washington State Penitentiary at Walla Walla*

Here in the solitary confinement "Intensive Management Unit" (IMU) at Washington State Penitentiary (WSP) at Walla Walla, Washington, we who are devotees and practitioners of the religion called Asatru are being deprived of our religious medallions ("Thor's Hammers"). These medallions are as sacred to most Asatru practitioners as are the medicine bag for some Native American religions or the crucifix for some Christians, and so on. Native American, Christian and other religions are allowed to have their sacred objects -- but we are not.

Nor can we have access -- as others can -- to catalogs from which to buy books on our religion. Why? Because WSP, for its own devious reasons, falsely classifies our Asatru religion -- as a gang! WSP employees CUS Chris Bowman and CPM Ron Knight are the two main state employees that are denying Asatru members our religious medallions. Also, Chaplain Ron Willhite, who has catalogs with Asatru books, will not loan them to us, nor will he make photocopies and distribute them to members of Asatru so we can study our religion. There is plenty of money in our Inmate Betterment Fund, and about once a month he buys religious supplies for the Christian groups, but Chaplain Willhite will not take even a few dollars from the fund in order to get a few books for IMU Asatru believers to study. Even worse, Chaplain Willhite recklessly stigmatizes and slanders our Asatru religion as "devil worship," etc. (Unlike Christianity, Asatru does not even have a "devil" concept in its cosmology!)

THE TRUTH ABOUT ASATRU

Please visit the "Ghetto of The Spirit" <http://www.ghettoofthespirit.com> in order to get the fascinating and inspiring TRUE story of Asatru. There are several web pages there devoted to scholarly descriptions and explanations of our Asatru beliefs and history -- as well as of other religions.

TERRORISTS WITHOUT A CAUSE

As explained above, these three -- Bowman, Knight and Willhite -- are violating our freedom of religion and practice. Also, Asatru believers are being written up for using such words as "Aryan" in letters, and are being falsely stigmatized as racists! Asatru is a modern version of a widespread religion practiced for millennia in much of Europe before the coming of Christianity, and is now having a worldwide renaissance. It has been, and is presently being twisted and exploited by fascists, just like virtually every other faith is, and has been, throughout history: gruesomely distorted and used by demagogues and demagogic governments for their own non-spiritual, political machinations. The Crusades and the Inquisitions are but two of the better known examples of this. Present day acts of terrorism are being perpetrated by groups and governments who claim to be doing it in the name of their religion: whether Christian, Jewish, Hindu, Muslim, Sikh, Buddhist -- you name it.

23 OCT 06. Hail John! Many thanks for your letter of 14 OCT 06 & the Latest Brushfires #6, which I have copied for mass-mailing, as usual. Yes, correspondence does pile up, despite our best efforts.

From more information I have received, the "STG" classification of ZOG-POWs is revealed as a punitive measure for specific POWs, rather than a set of codified rules. One correspondent in a CA ZOG-gulag wrote that his zoggies INVENTED a nonexistent STG for him: "The White Supremes," as I recall. I replied that such a name sounded like a bleached Motown singing group. This indicates that the STG classification is often used arbitrarily, at the whim of individual zoggies. As our informants allege, STG is used to 'justify' increased expenditures of tax-payers' money on building super-max prisons & solitary confinement cells. ZOG is our biggest "Security Threat Group."

I enclose the latest info I've received on the slow progress of Washington State Prisons' Reintegration Program alias "RIP" course, which replaced their "Victim Awareness Education Program," all of a sudden. As I understand, the VAEP course had classroom attendance, but RIP seems to be aimed at the isolated POW, so as to deny him access to others' inputs. So far, I am unaware of any curriculum or required subject matter for the course. It appears to be a female voyeur exercise comprised of surprise visits & individual interviews of ZOG-POWs, assessing their opinions on certain topics.

We see how the fuzzy wording of the VAEP course was talmudically-twisted to emphasize anti-White indoctrination, so we must stay tuned to see signs of this genocide-oriented indoctrination in the RIP course. I shall keep you informed as soon as I learn anything more about RIP. I only know one ZOG-POW who is currently taking RIP, but I'll let you know if I discover anyone else.

It may be that the Thought-Cops in U.S. prisons are playing mind-games with their ZOG-POWs & with the public, with their recent chopping & changing of their brainwashing programs in the gulags. Then, too, the confusion on ZOG's part may be genuine, for ZOG's minions are not very bright, & are probably confused as to their own identities, if they have swallowed ZOG's gobble-de-gook & psycho-babble, as they are paid to do. Poor little zoggies! It appears from recent news reports that ZOG's days are numbered, as multi-racial-multi-culturalism explodes in Europe, Australia, North America et al. I wonder what the zoggies will do when their money becomes worthless & the lights go out, as occurred in Black-ruled Rhodesia & now, more & more in Black-ruled South Africa, where tribal rivalries are also increasing, as resources for living decrease.

The Jewnited States has the world's biggest prison population, so that means we can call ourselves a "democracy," since that word means all things to all men. My Gestalt, as I gather from jewsmedia & other sources, is that the USA is pretty much pooped out, politically, economically & demographically, like decadent Rome, before it went out of business. The "Moment of Truth" will be if FEDZOGUSA dares to restore the military draft, since we are fast running out of White suckers. Asians, Blacks & hispano-mestizos have their own political agendas in the USA, & they do not coincide with Israel's. The irony is that La Voz de Aztlan identifies jews as "Whites," so the sheenies are lumped in with the race they so much want to destroy. How fitting! The pale-skinned parasites will suffer the fate of their White hosts, if we do not cast them off our backs & throw them out of 'our' governments. The big demographic bomb we sit upon is invasion from Mexico, greatly augmented under the 'refugee' scam, following rumors of another Mexican civil war. Would the denizens of the USA have the will & the means to stop sudden millions of Mexican "refugees?" With our military forces bleeding overseas, could we stop Mexico's annexation of the USA? Remember that our ZOG, which was established in 1776, has long wanted to annex Mexico or vice versa, to create 'our' NOVUS ORDO SECLORUM, along with Canada, under The (Rothschild) Bank of England & all its branches. We sure live in exciting times!

All the best & ORION! (Our Race Is Our Nation!)

Eric
