SEND IN THE CLOWNS!

"Every war of the Soviet Union is a war of defense, even if it is conducted with offensive means." -- *Fundamentals of Communism*, published by the Communist Party of America, p. 31

Does that sound at all familiar? It is the same doubletalk we have been hearing for years from George W. Bush, our Liar-in-Chief.

A year ago, Colin Powell was telling the General Assembly of the United Nations: "Not only do we have proof that Saddam Hussein has Weapons of Mass Destruction, we know EXACTLY WHERE they are!"

After almost a year of U.S. genocide against the Iraqi people, the U.S. has yet to find ONE SINGLE "WMD" in Iraq. Nevertheless, Bush's oil and drug cartel buddies are profiting handsomely from the "war against terrorism." Halliburton, for instance, formerly headed by Vice-President Cheney, has made tens of millions cheating the U.S. Army by overcharging for oil, and taking millions from the taxpayers for services never delivered, such as meals for non-existent U.S. soldiers.

It is becoming clearer every day to the people of the world, as well as the people of the United States, that the most horrible "Weapon of Mass Destruction" in the world is GEORGE BUSH'S MOUTH!!

This Republican Zionist regime of G.W. Bush is without a doubt the most corrupt and crooked administration ever to run our country!

But, if you think the "Demon-crats" are any better, think again! Just look at the pro-Commie/Zionist CLOWNS running for the Demoncrat Presidential nomination.

First we have John Kerry, Massachusetts Senator, who the Jewsmidia calls a "war hero," but who is actually a WAR CRIMINAL AND MASS MURDERER! Kerry went on 60 Minutes about two years ago and admitted that he had murdered hundreds of Vietnamese women and children, for no necessary reason. He pretended to be sorry for what he had done, but seemed to justify it by claiming it was a "normal practice" that almost all U.S. soldiers committed. This swine should be on his way to the "Big House," NOT the White House!

Also, Kerry favors "gay marriage", gun control, and increased legal importation of taco benders.

Finally, he is a member of the "SKULL AND BONES", the SAME Satanic Cult as GEORGE BUSH!

So, if Kerry is elected, we would be exchanging one war criminal for another, one Satanist for another. . . What's the point??

The other Demoncrats are no better than Kerry, some probably even WORSE. Dean, for instance, who should be credited for strongly criticizing the war in Iraq, is married to a Jew woman named Judith

Steinberg. He hept her hidden from sight up until the Iowa Caucus. As soon as voters became aware of her, Dean lost all his political "clout," and has been declining in political popularity ever

since.

Then there is Wesley Clark, not a Jew but with a strong Jew background and supported by a lot of Jew money.

There is the openly Jew Lieberman, who had to drop out after the 7-state primary, when he failed to even come close to winning anything.

Then there is Edwards of S. Carolina, a race-traitor and strong nigger lover, who has been getting some former Dean voters lately.

Then there is Al Sharpton, the crazy anti-White nigger fanatic who helped stage the phony "hate crime" against Tawana Brawley for the sole purpose of whipping up niggers to hate White people (and, possibly garnering a lot of donations from brain-dead White liberals). The conspirators went so far as to smear excrement on the girl and carve "KKK" on her chest with a knife -- what extreme criminal fanatics would do such a thing, just to whip up anti-White HATE?

Then there is Dennis Kucinich, a radical left extremist with a face that is a cross between Howdy Doody and Alfred E. Neuman. He has as much chance of winning anything as a snowball in hell. . .

All White people should clearly understand that BOTH major parties are PARTIES OF TREASON! We can NEVER free our Race by VOTING someone into power. There is an old but true saying: "If voting did any good, they would make it illegal."

Even if a White Racist or National Socialist did somehow succeed in getting elected to ANY major position, he would be quickly murdered by the Jews or their agents. Just look at George Lincoln Rockwell, murdered because he was planning to run for President in 1968. (The Whites at that time were so pissed off at all the nigger riots, etc., that Rockwell would have gotten a LOT of votes, if not enough to win, at least enough to show the power of the White race and possibly change some government policies.)

Another example is George Wallace, ex-Governor of Alabama. He was, at the time he ran for President in 1972, still a Segregationist and White racist. He actually won a MAJOR PRIMARY in Michigan and was close in several others. So, he had to be shot. The Jews did not succeed in killing him, but wounded him so bad as to confine him to a wheelchair the rest of his life, and take him out of the 1972 and all future Presidential races.

There are many more examples that could be cited, for instance Huey Long, populist Governor of Louisiana who was planning to run for President against FDR in 1936 (that is, until he was assassinated by a JEW!)

The ONLY viable path to White Liberation is WHITE REVOLUTION!! There is NO OTHER WAY to GET RID of the FEDERAL JEW TYRANNY!

Yet, we have a number of idiots among us who run for public office, or support the campaigns of White Racialists for office. When they get 500 or 1000 votes they

think they have really accomplished something [They did -- they got more votes than "Mickey Mouse" and "Donald Duck" combined!!].

Since the National Socialist White Revolutionary Party was established in 1995, our basic slogan has remained consistent and correct: "WHITE REVOLUTION IS THE ONLY SOLUTION!"

Nothing in this life comes easy, and when it does, it is usually not worth a red cent. Freedom and survival for the White Race must be FOUGHT FOR, they can not be purchased with money or obtained by voting. They will never be "given" to us just because we deserve it.

I will say this: If you don't want to FIGHT the enemy, then GET the HELL out of the Movement. We have no use whatsoever for vacillators, weaklings, compromisers or other fuzzy-brained idealists.

Exercise, make yourselves STRONG, train and prepare for WAR, study military STRATEGY and TACTICS. Most of all, DON'T FALL IN LINE BEHIND THE SHYSTERS WHO PROMISE AN EASY SOLUTION!

The Whiteman has proved throughout history that he can defeat ANY ENEMY. Cortez, for instance, wiped out a MILLION AZTECS with only 600 Spanish troops; the 286 heroes of the Alamo, while they didn't win the battle, killed over 1500 Mexican invaders. They lost their lives, but their heroic action allowed the rest of the Whites to re-group and eventually take *half* of Mexico away from the spics [Besides keeping Texas WHITE!]

Life IS hard and unfair, but NEVER DOUBT for ONE SINGLE MINUTE that we will eventually win complete victory over the Jews, the niggers, the spics, the gooks and the queers!

The history of our Race is a history of heroes, from Prometheus and Pythagoras and Plato to Galileo, Columbus, Ford, Edison and Tesla.

As Indra, the "King of the Gods" said in the Ramayana: "I gave the earth to the ARYAN."

And, BY GOD, we CAN AND WILL KEEP IT!!

24 OCT 06. Dear Michael: Thanks for your letters of 11 & 18 OCT 06 plus enclosures, which I shall photocopy. I shall return the originals to you for further use &/or reference, & I shall send the 11 pages to Sr. Cedeño as you requested.

In your letter of 29 AUG 06 you emphasized the murder of "Corey" by ZOG's forced integration of celling & the zoggies' responsibility for the PROTECTION of those in its custody. The religious part of the download was off the topic, & it appears in 2 parts, so I substituted the item about La Raza & ZOG's financial & political support thereof. I further did not believe that you would support Asatru, which McNallen has been quoted as proclaiming that Asatru is "for Everyone," i.e. people of all races. The same news article referred to the Asatru Murder of Asatruite Parker by Asatruite Lenz in a Virginia prison, during an Asatru service. It mentioned words to the effect that Asatru constituted a violence-prone cult, which could translate as a "Security Threat Group." Unfortunately, Karl Hand chose to obliterate the New York Times article on an apparently recent Supreme Court ruling on religious freedom in American gulags that referred to Asatru, so I can say no more.

In my subsequent mailings, I shall give due emphasis to Asatru by circulating copies of the first page of the download from PrisonerLife.com. If McNallen's purported statement is correct, then Asatru will become one more race-mixing cult. Ostensible Aryans will need DNA tests, for it is a mockery of 'racism' if it means all things to all men & women. Politics (people-power) has usually been divorced from biology, so if we are to engage in biopolitics, it behooves us to belong to the race we purport to be. As I wrote to one blightwinger over a decade ago: As I refused to fight one tribe of Blacks on behalf of another tribe of Blacks in Africa, so do I refuse to fight one bunch of mongrels on behalf of another, unless they are anti-Zionist allies. Allies are not Kindred, however. The Christian disease of 'converting' non-Whites into "Whites" is more confusion of identity & therefore of purpose. As Injun John Ross Taylor used to say: "He can't be jewish. He bought me lunch!" Butler, who was a twin of a Sioux neighbor of mine named Bill Irontail, apparently went by Injun John's criterion, for the jew Braunhut bought him a jeep. Braunhut was good buddies with Taylor, who was an obvious mestizo, as Braunhut was an obvious jew. Obviously, "Aryan Nations" never distinguished Aryans from non-Aryans, which makes it a farce, rather than a force in politics. In its more comical aspects, I asked Butler/Irontail if he knew English, & if it were his native tongue, as spoken by his nation, for "Church of Jesus Christ Christian" is called a redundancy, that leads one who speaks English to understand that there could be A Church of Jesus Christ Satanist, or Buddhist, or Moslem, as well as atheist or jewish, as with Jews for Jesus. Chief Butler no sayum nada.

I've yet to meet a White or Ostensible White from MN. Recently, I encountered a specimen from MN who claimed to be a "Viking." He had varying degrees of Afro-Eurasian, with kinky black hair, negroid features & mottled skin, complete with headband. He assured me that "if you felt like a Viking, then you were." I replied that a rabbi had declared that "if you feel jewish, you are!" He warned me that "bad Vikings" were tall, blond, pale & blue-eyed. I heartily agreed with him, that those Vikings were the worst of a warlike breed, who caused Christ-eaters to have instant diarrhea. With that mutual agreement, he lurched off in search of more firewater.

Congratulations on freeing The 14 Words from ZOG's "thought-cops"! Similar statements have been made by jews & members of La Raza without ZOG's designation of "racism." Maybe my suggestion that another race be inserted where "White" appears drew ZOG's absurdity to the zoggies' attention. As a Black defendant told a judge: "Hey, it's time to wake up & smell the cocaine!" Speaking of which, in Brownest Yakima, the motto is "Dare to keep your cops off drugs." Happy Freedom From Discrimination Month!

Re your letter of 11 OCT 06: Your Bill Riley, who apparently has no access to records of your incarceration, or doesn't know how to look them up, supports your belief that your STG classification is mischievous & arbitrary. As you stated, it appears that you have received STG status because of alleged beliefs, rather than behavior. It will likely turn out that your zoggies are guilty of discrimination & stereotyping which they condemn in others. Best wishes to you, on all fronts! DCWZ! & ORION!

P.S.: Sorry, I can't find the Personal Restraint Petition you mentioned in your letter of 18 OCT 06.
