

## Praise for *They Were White and They Were Slaves*

---

"...especially after the colonization of the New World, hard labor was often performed by persons who were 'indentured servants'...Many were actually not indentured, but had been kidnapped in the British Isles by thugs and sold to slave-dealers. The appalling and sometimes heart-breaking record is summarized by Michael A. Hoffman II in an excellent book...One shocking fact that you will learn from Mr. Hoffman is that the White slaves commonly fared worse than Black slaves." **Revalo P. Oliver, PhD.**, University of Illinois

"As a teacher of U.S. history from 1943-1968, I knew a lot about the indentured white slave racket, but you even dug up material I had never encountered before."  
**James J. Martin, PhD.**

"Michael A. Hoffman II has filled in a very important vacuum...a new and startling perspective on the slavery issue."  
**Wilmot Robertson**, author of *The Dispossessed Majority*

"This is one of the best revisionist books I've ever read..."  
**Paul Fromm**, High school history teacher, Ontario, Canada

"...solid investigation of the status of press-ganged children and other Whites in the colonies in the 17th and 18th centuries."  
**Mike Gunderloy**, *Factsheet Five*

"Hoffman documents well the fact that conditions were no better for white 'servants' (and often worse) than the conditions for black 'slaves.' You can really learn a lot from this book." **Michael Hoy**, *Loompanics Unlimited*

*They Were White and They Were Slaves* is a thoroughly researched challenge to the conventional historiography of colonial and industrial labor, a stunning journey into a hidden epoch, the slave trade in *Whites*, hundreds of thousands of whom were kidnapped, chained, whipped and worked to death in the American colonies and during the Industrial Revolution. This is a chronicle that has never been fully told, part of a vital heritage that has until now comprised the dustiest shelf in the darkest corner of suppressed history.

"Their bodies and souls are used as if hell commenced here and only continued in the world to come." Thomas Montgomery, in a letter to the Lords of Trade and Plantations, on the suffering of White slaves, August 3, 1688.

MICHAEL A. HOFFMAN II was educated at Oswego State Teacher's College and Hobart College. He is a former reporter for the New York bureau of the Associated Press and former director of the California-based Institute for Historical Review.

5 JAN 07. Hail Colby! Many thanks for your letter of recent date which I received today. Now's the time to begin your advanced studies in any subject you find of interest, for, as one of my old professors said: "We are all self-educated." No one else can learn what we need to know for ourselves.

"By Way of Deception" by former Mossadnik, Victor Ostrovsky, is educational, & I understand that his 2nd book, "The Other Side of Deception," is even more important, for I heard that it exposes the ADL (Anti-Defamation League of B'nai B'rith) as the equivalent of a kosher KGB which is free to operate in the Jewnited States. Effectively, the ADL is a branch of The Mossad, the Israeli version of the CIA. In other words, the U.S. government permits a foreign power to operate against U.S. citizens, inside the USA. That abuse is defined as treason, in clear violation of U.S. laws & the U.S. Constitution. This ZOG (Zionist Occupation Government) of ours also permits dual citizenship in violation of our own oath of citizenship, which precludes dual loyalties & dual citizenship. The truth is that we never were "a government of laws," but always a government of men. No promise is better than the one who makes it, & oaths which do not bind those who make them are also worthless. The Mossad/ADL operates in the USA, now, more than ever.

Your description of the jewish plan to dominate, totally, all Gentiles in this country is coming true, & most of it has been accomplished. The first Rothschild, Meyer Amschel, declared: "Give me the power to issue money, & I care not who makes the laws!" Amschel got his wish in Frankfurt, Germany, in the 1770s. The USA was largely his creation. Amschel's heirs own & run The Federal Reserve Racket, since 1913. With the assassination of John F. Kennedy, their private bank took over all U.S. currency, & got rid of the hated United States Notes or greenbacks, originally issued by Lincoln.

As you say, Whites are being pushed into genocide via race-mixing, & jews call for our extermination, quite openly. That is their goal, for their religion commands them to "kill the best of the Goyim (Gentiles)." The strange thing is how we are going along with their schemes for our own extinction. Of course, the U.S. government has always been the major enemy of the American people, for no other power has caused so many Americans to be killed, & enslaved by debt. Now, this Zionist (jew-supremacist) regime has resolved to export our jobs to foreign lands, like China, & import aliens to take the jobs which remain. Under ZOG U.S. citizens have 'duties' & illegal aliens have 'rights.' Our ZOG rules by deception, & its Gentile slaves die for ZOG's illusions, as they now do in Iraq. The better their hosts are for the jews, the worse the jews treat them. Jewish behavior has not changed since Old Testament times, but the Goyim refuse to learn. Goyim are otherwise defined by jews as two-legged cattle. Only very rarely do we disappoint their low expectations of us.

Part of our problem is that Christinsanity teaches us to be 'sheep,' while Judaism says that they are men, upon reaching puberty. Guilt is ground into us, for the Christ-eaters say we are "born in sin." Jews are not taught such vile rubbish, so they always exploit our indoctrinated sense of 'guilt' for their benefit. Jews are taught that they are masters, & we are taught that we are slaves, or that we should be. No wonder the jews have made such progress against us! We surrender the moral high ground to them, without a fight. This is why our racial enemies use our alleged guilt in their propaganda, which is designed to drive us to extinction--& we appear to believe them. Imagine that you owned a beautiful farm, but a visitor told you that you could have a much better place if you would only give your farm to him & leave. Would you believe him? Many dumb Goyim appear to believe that they should leave this world a.s.a.p. & move onto the 'next'. Jews know better, so they hang onto what they have in the here & now, rather than in some imagined 'hereafter.' The joke is that we could give the jews everything they want, & they'd still be unhappy, for a parasite which kills its host must find another, or perish. The jews are, perhaps, evolutionary failures as parasites, for they kill & ruin their host peoples, without whom they cannot live. No successful parasite behaves that way, for they seek to live off their hosts, not to destroy them. Others have long noted that the jews do not know when to stop increasing their demands upon their hosts, whom they usually drive to desperation & rebellion. The jews are called "the people of the book," but they appear to learn nothing from it, even when they read it! The jews fail to comprehend reality, & we fail to comprehend the jews. Hence, in our faults lie mutual disaster. When will we ever learn? Writers have noted that we are too stupid to avoid disasters; we merely survive them in lesser numbers, & go right onto the next one, like a fool who wanders around with his eyes closed. We sure have Big Things in store for us, in these exciting times. All the best. DCWZ! (DOWn With ZOG!) & ORION! (Our Race Is Our Nation!)
