

## YOM KIPPUR — *What Is It?*

On the evening of October 12, Jews around the world gathered to celebrate the most holy day on the Jewish calendar. It is called *Yom Kippur*, or Day of Atonement. At synagogues everywhere worshippers recited the so-called *Kol Nidre* prayer. Taken from the first two Hebrew words of the prayer, "Kol Nidre," it means "all vows."

The *goyim*\* are told that Yom Kippur is an occasion when pious, saintly Jews approach their Maker in a penitential rite to beg his forgiveness for wrongs they have committed during the past year.

**RUBBISH!** The occasion is nothing less than a time when Jews ask for and receive absolution for all the sins and wrongs *they are about to commit—IN THE COMING YEAR!* In so doing, they cut a lawyer's deal with their god (whom they call YHWH, or *Yahweh*) which gives them an exemption *in advance* from all wrongdoing.

Here is the actual text of this outrageous "prayer":

**"All vows, bonds, devotions, promises, obligations, penalties and oaths wherewith we may vow, swear, devote or bind ourselves: From this Day of Atonement until the next Day of Atonement, may it come unto us for good,—lo, all these—we repent us in them. They shall all be absolved, released, annulled, and made void and of no effect; they shall not be binding, nor shall they have any power. Our vows shall not be vows; our bonds shall not be bonds; and our oaths shall not be oaths."**

That's pretty clear, unambiguous language. What we have here, in fact, is nothing less than a one-year, renewable license to lie, cheat and steal with impunity, all based on a decree from the Jews' so-called holy book, which says:

**"And he who desires that none of his vows made during the year shall be valid, let him stand at the beginning of the year and declare, 'Every vow which I make in the future shall be null.'"**

(Babylonian Talmud, *Tractate Nedarim* 23a & 23b)

Among those who will be reciting the *Kol Nidre* oath are the many Jewish politicians, judges, lawyers, corporate executives, businessmen, journalists, commentators and spokespersons disproportionately represented in public life today. It should be noted that any oaths they may take to uphold and defend the Constitution or otherwise tell the truth are, as of this occasion, "abandoned, cancelled, null and void" and rendered "without power and without standing."

*Isn't that nice?*

\* A derogatory Hebrew word for non-Jews

## Lost Tribe found in India

More than 2,000 years after they claim to have first set foot in India, the mystery of the world's most obscure Jewish community—the Marathi-speaking *Bene Israel*—may finally have been solved with genetic carbon-dating revealing they carry the unusual Moses gene that would make them, literally the original children of Israel.

Four years of DNA tests on the 4,000-strong *Bene Israel*—now mainly based in Mumbai, Pune, Thane and Ahmedabad—indicates they are probable descendants of a small group of hereditary Israelite priests, or *Cohanim*, according to results of a new study.

The priests are scattered worldwide but genetically related in a distinctive fashion that leaves just a billion-to-one chance of a mistake in identifying who the *Bene Israel* really are, says Tudor Parfitt, Jewish Studies professor at London's School of Oriental and African Studies.

Parfitt, who initiated and led the research, says this is the first concrete proof that "exiles from Palestine made it as far as India and managed to maintain Judaism in the sea of Hinduism and Islam."

In the early '50s, 30,000 *Bene Israel*s returned to the so-called Promised Land, soon after the state of Israel was created. Their Indian appearance, cricket-playing, sari-wearing, curry-eating and Marathi-speaking habits led to a bitter battle for recognition as "real Jews."

The name *Bene Israel* literally means "Children of Israel," and their legend of origin holds their ancestors to be Jews fleeing persecution in Palestine in 175 BC.

According to the legend, seven men and seven women survived a shipwreck near Navgaon village on the Konkan coast. Their descendants became thoroughly Indian, except for observing Saturday, the Jewish sabbath, as a weekly holiday. The practice led them to be known as *Shanwar Teli*, Marathi for "Saturday oil-pressers."

It was only 1964, that the Israeli prime minister declared they were genuinely Jewish and should be allowed to return to Israel and intermarry.

But now, the new study goes one better. By studying certain genetic markers in the DNA chain, found only in male descendants of Aaron, Moses' elder brother, who founded the line of Jewish priests, the *Bene Israel* could well claim to be the purest of the pure.

The new research has also found preliminary genetic evidence to show the declining community of Black Jews of Cochin left Israel in remote historical times.

The new data, which has been featured in leading Western scientific journals, comes after painstaking efforts to genetically source the origins of India's other, self-professed "lost" Jewish tribes, including the Manipuri Jews and the Telugu-speaking Jews of Guntur.

*"And thou shalt consume all the people which Adonai thy god shall deliver thee; thine eye shall have no pity upon them . . ."*

*"This is the saying of Rabbi Simon ben Yohai: 'Tob shebe goyim harog.' ('Even the best of the Gentiles should all be killed.')*

5 JAN 07. Dear Shappa: Many thanks for your letter of 31 DEC 06. How did you begin your correspondence with "Jeff Hughes" of Nanaimo, B.C? Canada has a long history of founding false-flag outfits to capture sincere activists, such as the "Heritage Front" which was founded, funded & led by CSIS agent Grant Bristow & the late Wolfgang Droege. Heritage Front could not have existed without the active support of Canada's Zionist Occupation Government. The Nanaimo outfit is even more blatant, so all sorts of legal pretexts could be found to put them out of business, pronto. CANZOG has a long history of persecuting less blatant & more honest efforts, so judging from my long Canadian experience, your Nanaimo contact has "ZOG" all over him. FBI Director Mueller spoke on the radio recently to define how laws are currently enforced by FEDZOGUSA: (1) "Terrorism" is conveniently undefined, so as to make it all-inclusive, therefore, subject to ZOG interpretation. "Terrorism" includes words, spoken or written; no actions required! If a zoggie states words that ZOG deems "terrorist," the listener MUST denounce the speaker &/or writer to the ZOG. If he does not, then the one who reads or hears the ZOG-agent provocateur's words is deemed a "terrorist" & a "co-conspirator." The Liberty City 7 are presently prosecuted according to these criteria. Words, alone, are sufficient for prosecution. You may not be aware of Zionist pressure to abolish the U.S. 1st Amendment, in favor of instituting the same thought-crime laws now in effect in Canada, Europe & Australia. Words which displease Zionists & their flunkies are deemed "hate-speech", & "truth is no defence." If such laws are passed on the federal level, as already applies in 46 U.S. states, then American Goyim will not know what hit them. As you know, a convict who is in prison, & who commits a crime therein can be charged therefor, tried & given an additional sentence. If our ZOG has set up a letterhead outfit in the USA & Canada which touts anything it deems "terrorism", all those on its mailinglist may be deemed "terrorists" & "co-conspirators." You may not know the risk you are taking. All I can offer you is my knowledge, learned from hard experience, which costs you nothing to heed. The cost of not heeding this warning may be much more than you want to pay. I have been summoned into criminal court by something which Covington wrote, without my knowledge, so I have been forewarned, & I have taken appropriate measures in my own defence. Any contact you have with Nanaimo &/or Covington puts you at risk, exactly as FBI Director Mueller stated in his radio broadcast. I'd even advise your zoggie mail-readers to take action to preclude their being accused as "terrorists" & "co-conspirators." Why be 1/2 safe?

Speaking of kindness to zoggies, I am reminded of the Zionist persecution of a Swedish colleague of mine, in Sweden, for "Thought-crime" he allegedly committed in North America. Upon his return to Sweden, its Zionist Occupation Government imprisoned him for offending their jewish masters. The jews learned his prison address, so they began to send him parcels of the filthiest substances they could procure &/or excrete. Naturally, the prison zoggies had to inspect his mail, & they were not at all happy with that part of their jobs. One came to my colleague & pleaded: "Mr. Felderer, please tell your friends to stop sending you shit." He replied: "What makes you think they are my friends?" Ha!

As far as I know, bilingualism (Spanish & English) is not yet required on the federal level, but it is required & encouraged on the local level, as here in Brownest Yakima. It is used as a basis for preferential hiring for cops & teachers in this area. Bilingual Gringos need not apply, as I discovered. For now, all voters' documents must be bilingual in Yakima County. In King County, I understand that such documents must be in English & Mandarin Chinese. I have heard of no recent race riots in prisons since the ones in California last year, between Mexicans & Blacks.

So, the senator from MN did take his oath of office on The Koran. If he believes in Islam, maybe that oath will be honored by him. Jews do not honor oaths which they take on Christian Bibles, in accordance with their religion, & in terms of their Kol Nidre anti-oath oath which jews recite every year. The USA has never been a nation, always an empire. Diversity does not destroy individualism; it destroys community, just as our founding fellows desired. New Year's here was calm. I heard only one gunshot, so I doused the lights & called it an early night, not wishing to make myself such a good target. The local jewspaper, The Yakima Harlot-Repulsive, ran a frontpage article on White Flight & the huge Mexican influx into this region. So I wasn't imagining it, after all.

Take care of yourself. All the best & ORION!
