

20 JAN 07. Hail Thomas! Please call me Eric. Many thanks for your letter of 9 JAN 07, the powerful poem & the informative downloads which reveal the acute schizophrenia of ZOG's prison policies. Since the Zionist empire of the USA must rely on military force when things get too complicated for the zoggies, they also seem to think that locking everyone up is The Final Solution to social decay. According to mainstream jewsmedia, this empire has the largest prison population in the world. The construction & operation of prisons is now a 'growth industry' in this Land of ZOG, similar to the former Soviet Jewnion, it was said that "½ were paid to guard the other ½." This may be "job-creation," but it is no way to run a viable economy, as the USSR proved. The rulers of the "USSA" have learned nothing from our Soviet baby's example, it appears. Yes, the USSR was founded, funded, fostered & fed by the serfs of the Jewnited States' Zionist banksters: us. I recall the picture of a U.S. farmer on his tractor, wearing a U.S. flag on both shirtsleeves, growing food for the Soviet Union. The jew, Vladimir Illych Ulanov alias Lenin called such sheeple "useful idiots." I can't argue with that. Most denizens of this continent fall into that category.

I agree with your concept of White Unity, which is what I pursued when I returned to North America from Africa. What I encountered was interesting: Most sheeple do not know what a White is. It is not a mood or feeling, but biological fact, as revealed in DNA. I guess DNA test results must be required for all White Nationalists, since they don't seem to know what or who they really are. Since our main enemy is Zionism (jew-supremacism), our unity would include AZA, the Anti-Zionist Alliance, which includes anti-Zionist non-Whites. But allies are not kinfolk. Many ostensible Whites do not understand that, either. Then there are the anti-White Whites: the sort which betrayed us in Rhodesia & South Africa; the sort who employ illegal aliens in the USA; the shabez Goy frontmen of ZOG.

Not only do we have biological confusion, but we seem unable to agree on ideology, i.e. what we want & how to achieve it. Combine this with egomania & corruption, & what we get is known as "the blightwing" of the present. I do not see this dismal state as a problem, however, but as a symptom of Whites' lack of seriousness as we flit about aimlessly, in the dark face of our extinction. Whites are slow to think & slow to act, so this may be par for the course, before Whites finally decide to struggle to survive.

To the territorial escapists I have always said: "No change of place can save Our Race. Only change of mind can save Our Kind." The NW proves my point: Ostensible Whites are fleeing the mess they have helped to create in "Mexifornia", causing costs of housing to rise in the NW. To maintain their Mexifornia lifestyle, they also hire non-White nannies & gardeners. Such a deal!

Demographically, the NW is Asian & part-Asian, with a sprinkle of Afros & Euros. Race-mixing has been promoted on this continent by such madmen as Thomas Jefferson, who wanted to create "an American race" of Anglo-mestizos (Eurasians). In the Hispanic colonies, the Jesuits, whose leaders were jew 'converts' to Christinsanity, wanted to create 'their' American race which would be loyal to Jesuits, not loyal to Spain, Portugal or tribal chiefs. Hence, the creation of the Hispano-mestizos. I recall eating at a Burger King in Louisville (Loserville), KY. There was something strange in my surroundings. I plugged my ears & looked around. Suddenly, I thought I could have been in Mexico City: the majority of the denizens were obvious mestizos. Their southern accents fooled me for a bit. Mestizos are NOT White; Amerasians alias Indians are not White, but ZOG says they are, on federal wanted posters & census statistics. So-called Indians are numerous & rapidly increasing in the NW. They are anti-White.

White Nationalists must for^m their state within the ZOG empire. Nations are peoples, not places, so we must get our thinking straight. The USA always was a multi-national empire, never a nation. Here we have The Yakama Nation, but no White Nation. Why not? The answer lies in us. Jews & Gypsies carry their nations with them, wherever they are. So must we. That is the necessary Change of Mind which we must achieve, on behalf of White survival.

The NW record of White fatcats versus White workers is bloody & shameful, just as it is throughout North America. I worked in Oregon as a fire-fighter for the U.S. Forest Service, & I saw no White Unity, but lots of Indians & other mestizos who were more or less pale. In my years of experience, the most anti-White mestizos are those who could pass for White. That is why DNA-testing is important. Electoral documents in Yakima County must be in Spanish & English; in King County, Mandarin Chinese & English. Sample enclosed.

One thing I can promise is that we have lots of work to do. ORION!

Eric
