

8 FEB 07. Dear Phil: Many thanks for your letter of 3 FEB 07 & the great enclosures! I'm glad to read that your job prospects look 'rose' for spring, as well as winter. Thanks, as always, for the stamped envelope.

It appears that the only difference between the 2 ZOG-Bankster parties is that one wants to set up another Iraqi puppet regime, as it did with Saddam, who was "Usrael's" hand-picked bozo to begin with, & remained so throughout his career as dictator, despite our ZOG's calumnies to the contrary. If you have the USA as a friend, you never need an enemy. "Usrael" merely obeyed Israel's orders to topple Saddam, in favor of the current chaos. Everything the USA has perpetrated in The Middle East, since 1948, has not been in U.S. interests, but only Israel's perceived interests. In an NPR jewradio feature today, Congo-leeza Rice was asked why she had not talked with Iran. She blurted that "Iran does not recognize Israel!" That had nothing to do with the question, but lots to do with our ZOG in The District of Corruption. Our zoggies don't even bother to answer questions that do not concern Israel, directly. Yet, there are some who deny that we have a Zionist Occupation Government. ZOG-deniers are like those who deny the existence of a third rail in a subway. When they act upon their delusion they get quite a shock!

The Republicans want to leave Iraq slowly, after establishing a poor substitute for Saddam. The Democrats want to leave Iraq a bit faster, with no words of their post-Iraq imperialist plans. War criminals in Washington DC may go to war against Iran to cover up their blunders in once-friendly Iraq. At least, Israel wants us to attack Iran & Syria, according to Israeli statements in various press sources. Former Mossadnik, Victor Ostrovsky, stated that Israel's Middle East hitlist is Iraq as #1 & Iran or Syria in 2nd or 3rd place. As you observe, things seem to be self-destructing, right on schedule. Meanwhile, it's bread & circuses, thanks be to ZOG.

The kosher racket continues, as I read in USA Today. Strangely, jews are not noted for their personal cleanliness, nor for their cleanliness in food-handling. Recurrent scandals occur in Jew York Shitty in regard to filthy ingredients in kosher foods, such as cockroach parts & rodent droppings. So now we read of 2 types of kosher: regular kosher & "glatt kosher." Glatt means slick in German, as in slippery or slimey. One hears a slippery character as "Aal-glatt," as "slippery as an eel!" So, if you want to eat "slick/slippery/slimey kosher concoctions," enjoy! as the sheenies say. Every purchase of kosher items subsidizes groups of rabbis, since "kosher" is a tax. The "hechshers" U, K et al. show that the tax has been paid on the item, whether the buyer knows it or not. Formerly, Americans trusted their Pure Food & Drug Act to guarantee that products are safe to eat, but I guess some 'purity' is more equal than others. Now we prefer to trust jew witch-doctors, who undoubtedly have two varieties of kosher: one for them & one for Goyim. Such a deal! Kosher slaughter is common to Judaism & Islam. It is particularly cruel, since the animal is required to suffer, because torture, pain & suffering please Yahweh, & is therefore a mitzvah or 'holy obligation.' The animals' throats are cut & the animal bleeds to death. Hitler banned kosher slaughter, as I understand, but when French actress Bridget Bardot protested against this sadistic atrocity, she was fined for "hate-speech." Jews have told me that suffering "tenderizes" the meat. Goyim are, as jews say, stupid, for the most part. As the Jewnited States becomes ever more kosher, the six-pointed stars of our cops will take on their intended meaning, for "your religion will be Judaism, but you will not know it," as Cornwallis predicted to George Washington at Yorktown.

The USA has been a kosher slaughterhouse for the Goyim since its founding by the jew-serving Freemasons. All the signs are there, as we see on The Great Seal, so the cabalistic curse has been almost fulfilled: the victims have been informed by their victimizers about what the victimizers are doing, but we have done nothing. Hence, the guilt for our victimization passes onto our own shoulders. That's what Christinsanity is all about.

No wonder Our Race is in bad shape, for we put so many things before it & against it, just as we neglect the air, food & water upon which we depend for our survival. Sheeple think that ignorance is bliss, but the sheeple I know suffer from their blind obedience to their kosher shepherds. Their suffering is not bliss, as the penalty for their willful ignorance, but it is deemed a 'mitzvah'. May those who consign their consciences to others still be called 'men'? I think not, just sheeple, or Goyim.

Keep up the good work. DOWZ! & ORION!
