

## Praise for *They Were White and They Were Slaves*

---

"...especially after the colonization of the New World, hard labor was often performed by persons who were 'indentured servants'...Many were actually not indentured, but had been kidnapped in the British Isles by thugs and sold to slave-dealers. The appalling and sometimes heart-breaking record is summarized by Michael A. Hoffman II in an excellent book...One shocking fact that you will learn from Mr. Hoffman is that the White slaves commonly fared worse than Black slaves."

**Revalo P. Oliver, PhD.,** University of Illinois

"As a teacher of U.S. history from 1943-1968, I knew a lot about the indentured white slave racket, but you even dug up material I had never encountered before."

**James J. Martin, PhD.**

"Michael A. Hoffman II has filled in a very important vacuum...a new and startling perspective on the slavery issue."

**Wilmot Robertson,** author of *The Dispossessed Majority*

"This is one of the best revisionist books I've ever read..."

**Paul Fromm,** High school history teacher, Ontario, Canada

"...solid investigation of the status of press-ganged children and other Whites in the colonies in the 17th and 18th centuries."

**Mike Gunderloy,** *Factsheet Five*

"Hoffman documents well the fact that conditions were no better for white 'servants' (and often worse) than the conditions for black 'slaves.' You can really learn a lot from this book."

**Michael Hoy,** *Loompanics Unlimited*

*They Were White and They Were Slaves* is a thoroughly researched challenge to the conventional historiography of colonial and industrial labor, a stunning journey into a hidden epoch, the slave trade in *Whites*, hundreds of thousands of whom were kidnapped, chained, whipped and worked to death in the American colonies and during the Industrial Revolution. This is a chronicle that has never been fully told, part of a vital heritage that has until now comprised the dustiest shelf in the darkest corner of suppressed history.

"Their bodies and souls are used as if hell commenced here and only continued in the world to come." Thomas Montgomery, in a letter to the Lords of Trade and Plantations, on the suffering of White slaves, August 3, 1688.

MICHAEL A. HOFFMAN II was educated at Oswego State Teacher's College and Hobart College. He is a former reporter for the New York bureau of the Associated Press and former director of the California-based Institute for Historical Review.

3-3-07. Howdy, Jason! Many thanks for your letter of 26 FEB 07 & enclosures. I offer the correction: Nation is a subdivision of Race, so both are biological. Religion is belief, & most religions admit converts. I cannot convert myself into a Black, nor a Yellow, but I have known several "Creators" who were obvious non-Whites. The least we can do is to form an all-White group for White people. Traitors are another problem which we must deal with, but let's start off White. I don't know how a public organization can avoid being "spied on," as you suggest, for it needs publicity to gain members. Of course, the muds who claimed they were Creators may have lied to me, but they claimed to have worked with Ben Klassen in Otto, NC. All I know is what they told me, for I cannot confirm their words one way or the other. I would wonder at their motives, for I could see they were non-Whites. Maybe they thought that their claims of being Creators would cause me to accept them as White, but that did not work, either. At least one Jew claims to be a Creator. He is in the ZOG-gulag, like most Creators I now know. As the Founding Felons wrote, the defense of any group requires eternal vigilance. That does not mean we should give up doing our best. I think you are taking all necessary precautions against mud infiltration.

My information on Ben Klassen's death is secondhand, from Dr. Oliver, whom I trusted, rather than Covington. Dr. Oliver telephoned me shortly before he shot himself, as he was dying from acute lung cancer & he could barely speak. I have no qualms about suicide as a non-habit-forming cure for terminal ailments. One fellow I would criticize is a young father of 6 who shot himself, following a quarrel with his wife. He deprived his children of their father. I did not think the family was in financial difficulties, but I understand that his life insurance paid well, despite his suicide. His wife must have had a sharp tongue indeed, to drive him to suicide. What purpose would it have served if Ben Klassen had walked into an enemy establishment with a boom-belt, as in The Middle East? The Jewmedia would have gained favorable, sympathetic publicity, most likely, as they did from the OKC ZOG-blg. bombing, allegedly done by McVeigh. I gathered that the Murrah Bldg. explosion did much to distract the Goyim from the ZOG's Waco Massacre. In all such incidents, we must ask cui bono?

Please don't fall for Jew-jabber that nation=place. It never did, until the advent of the Jew-liar Boas, who claimed that all featherless bipeds born or resident in America are "Americans!" Nation is race, not place. The USA was never a nation, but always part of the Rothschild bankster empire. Even King George III was a servant of the Jew Bank of England, as we became after the 1/2 Jew Hamilton incorporated the 1st U.S. Bank. The scam of equating nation (people) with real estate began, prior to Boas, when William the Conqueror took over England. The Saxon king, Harold, was known as "King of the English," but William changed it to "King of England," thus divorcing the king from his people, so as to make him a landlord, rather than a king, which means "kin." The mud-invasion of England, Scotland, Wales & Ireland logically follows from equating "nation" with land. One brainwashed Brit said, "There will always be an England." I replied, "Yes, but will there be any English on the land?"

I look forward to reading your article on Pearl Harbor in The First Freedom, when I get it, & I'm happy to reproduce your "White Pages" for my correspondents, so as to overcome the all-too-normal blightwing compartmentalization. I am not a shekel-grubber, so I have no fear that anyone will compete for my 'paytriotic profits.'

To the extent that the Union & the Confederacy were anti-White, I cannot agree with either party to the conflict which "killed our nation," just as Cornwallis predicted to Washington at Yorktown. Both sides served the Jew-banksters unto death. This country cruelly exploited White slaves, before it imported Black ones. The 'need' which Southern Whites have for niggers shows where their true loyalties lie. There are some who argue legalistic-ally about "states' rights," but no law justifies slaughtering one's fellow Whites. I've lived in White Supremacist Southern Africa, & it stank, in terms of White racial survival. Southern Whites hated the Nazis, according to a WWII Jew survey, because the Nazis did their own 'nigger work', & the Southern Whites hated them for that. "White America," by E.S. Cox supports my thesis. Our Founding Felons never had any love for the White Race, which is obvious from their actions. Two of my relatives signed The Declaration of Independence, & some were also White slaves, so I have reason to express my views on our corrupt empire ruled by rich rascals, using Rome as their model. Thus, we are going down, just as Rome did, largely for the same reasons. ORION!

P.S.: Our Race Is Our Nation = White Unity. Religions are divisive when they are taken seriously.
