

MY LEGAL WORK IS IN THE PROPERTY OF A TRANSFERRED INMATE:

Attention DOC Staff: _____,

another prisoner was preparing legal work for me when we were separated by transfer to another unit and/or facility. His helping me is a permissible and established practice, and may not be retaliated against. See: Johnson v. Avery, 393 US 483 at 487, 89 S.Ct. 747 at 750; Wolff v. McDonnell, 418 US 539 at 570, 94 S.Ct. 2963 at 2981 (1974). One of my rights, protected by the Constitution, is the unalienable right to contract: "No State... shall pass any... Law impairing the Obligation of Contracts.." Article I, Section 10, Constitution for the United States.

Penitentiary officials have an affirmative obligation to get my legal work back: "Affirmative obligations are imposed on the state to assure all inmates access to courts and assistance in preparing and filing legal papers." Petrick v. Maynard, 11 F.3d 991 (10th Circuit 1993).

Prison officials are not entitled to 'qualified immunity' from liability for failure to return a prisoner's legal papers: "Reasonable officer would have known that seizing [...] papers prepared on behalf of another inmate from prisoner's cell was unlawful, so that prison officials were not entitled to qualified immunity." Newell v. Sauser, 79 F.3d 115 (9th Circuit 1996).

An avenue must be made available to me to retrieve my legal work, this is clearly established law!: "Penitentiary's failure to provide for return of inmate's legal documents when jailhouse lawyers were transferred to another unit, violated inmates' right of access to the courts." Goff v. Nix, 113 F.3d 887 (8th Circuit 1997).

Despite internal rules and regulations, my legal work must be returned to me: "Internal agency regulations cannot legitimize the violation of Constitutional or statutory rights. U.S. v. Morole, 173 F.3d 1213 (9th Cir. 1999).

8 APR 07. Dear Michael: Many thanks for your letter of 4-4-07 & the enclosures, which I shall copy & return to you. I hope, by now, you have received your 3 envelopes of material which I sent in a flat rate, priority envelope.

Re religious emblems: A group of WSP zoggies told one P.O.W. that his Swastika was an "American Indian" symbol. It is also a holy Hindu symbol. If a White man can wear a cross or jew death-star, why can't he wear a Hindu or Indian symbol? As far as Thor's Hammers are concerned, would the zoggies accept the excuse that the wearer is awaiting a miracle in which the inverted T becomes an inverted cross? Abra-cadabra & hocus-pocus.

I can see if I can purchase a rubber stamp & red ink-pad re "PUBLIC RECORD." Will this stamp be required from now on for all appeal-related items? We may need to use it on the blank backs of pages, to avoid obscuring the text on the printed side. Should I include the RCW 42.17 reference on the stamp? Just let me know!

Your zoggite eye mistreatment is an atrocity. If there is any justice under ZOG, you should be compensated for life. Blinding a prisoner is common to some oriental despotism, like our ZOG. NPR jewsradio featured some Hebrewood commentator who said that torture is now 'fashionable.' It used to be that the torturer was the villain, but not now! Current torturers are 'heroic.' The Hebrewoodite claims that Americans now identify with the torturers as "the good guys." Why do "Amurricans" enjoy watching torture scenes? No mention of sado-masochism was made during the entire program, to my knowledge. My thought was that we are sick, indeed. When I saw the Gitmo torture chamber on TV, I said to a fellow viewer that we are now in the same league as the Soviets, the Gestapo, &c. A jewess who wrote about the "confession" of an accused Arab "terrorist," said that the whole thing is a publicity flop, since the USA admits it uses torture on such people. She wrote that the torture victim could also confess to sinking The Titanic, without impressing the disgusted public. I suggested to a local zoggie that we 'solve' all the unsolved crimes in WA, for there's at least one "terrorist" who'll confess to everything! Bemused looks from local zoggies were the only responses to my suggestion. Sacrificing an eye for knowledge is awfully steep in my book. Brit journalist Douglas Reed noted that exclusivity is necessary for self-preservation. He noted that jews insist on their exclusivity, but they also insist on Whites' IN-CLUSIVITY. We note the devolution from "equal rights" to special rights amongst groups favored by ZOG. Those favored groups can invade all White, male institutions, while reserving their institutions for themselves, exclusively. Such a deal! This is a hypocrisy, not a democracy, as we have learned. Thanks for the case law in regard to The Boy Scouts' right to exclude on the basis of "cultural expression." As I read in the jewsmedia, retaliation was immediate on the part of those excluded, in regard to public support for Scouting activities & funding. We shall see.

Yes, the COTC may have risen from the ashes, or it may be a burning phoenix which is about to return thereto. I'm dubious about a group which appears to exist, for the most part, in the ZOG-gulags. Most COTC members appear about to get out, or about to go in the prison system.

Thanks for informing me that David Lane broke up with Katja, or vice versa. That I did not know. The blightwing sure keeps secrets from the blighters, but never from the ZOG. That's why it's called the blightwing.

I'll do my best to pass on your enclosures & info to JWG.

Thanks for your view on A.H. Your opinion coincides with Savitri Devi's who said that he was "too much sun & not enough lightning." I reflected that, had he been any different, he would likely not have received the support of his people. Politics is the art of the possible. Indeed, we should all remember the Holohoax. The Talmud says that "a lie kills 3 persons: The one who is lied about; the one who tells the lie, & the one who believes the lie." How bizarre that jews would state that in their 'holy', 63-volume Soncino Edition in English of The Babylonian Talmud!

All the best to you, as always. DOWZ & ORION!

Eric
