

WANT TO END WAR IN IRAQ? END ASSISTANCE TO ISRAEL.

War for Iraqi oil is a myth. Saddam Hussein was not restricting Iraqi oil. But Saddam Hussein was the most dangerous enemy of Israel in the region. Coincidence? The war was planned a decade in advance by men like Richard Perle and Paul Wolfowitz. Coincidence? Alliances are made for *mutual* benefit. Israel is no benefit to America. It is a liability. Its political operatives in AIPAC have dragged America into an unnecessary war. Israel does not deserve American aid. Write your congressman today to end all assistance to Israel.

30 APR 07. Dear Jan: Many, many thanks for your letter of 22 APR 07 & the great enclosures, including the 20 Euros, which I have no problem spending. Maybe I should hide it in my mattress to keep when the U.S.\$ collapses, as all news sources indicate, but when that happens, survival will no longer depend on money of any sort, for we shall be in a civil war situation, that is, race war, as our Zionist empire disintegrates on demographic lines. Of course, our Zionist Occupation Government (ZOG) is anti-White. It always was & still is, but Whites don't seem to know it.

Thank you for sending me the download of FOLKETS NYHETER, & for mentioning me beside Fabian Månsson & Adolf Hitler! I am truly flattered to be in such great company.

I, too, wonder about the author of the download entitled "Cold War." Hermann Rauschning, who allegedly quoted Hitler, was a notorious liar who told the Allies whatever he thought would please them. As you say, the quote was completely out of context, & had no purpose in the article. It is indeed interesting & informative about the way in which the bankster-gangsters disposed of their hired stooges to cover up their support of the USSR. Yes, Bolshevism/Communism/Capitalism were kosher throughout, as I discovered for myself. We should now call it The Kosher Cold War, which was an Orwellian hoax, in which the real war was fought, not between governments, but between the governments & their governed Goy slaves, dupes & traitors. One omission in regard to The Morgenthau Genocide Plan, which he entitled "Germany is Our Problem," was not merely the division of Germany, but the total extermination of all Germans by enforced starvation & sterilization. Henry Morgenthau Jr. merely repeated two other jew writers, Kaufmann & Nizer. Kaufmann published "Germany Must Perish!" in 1941, & Nizer echoed his genocide thesis in "What to do with Germany?" When jews saw how willing the Germans were to be Zionist slaves, the extermination part of The Morgenthau Plan was deferred so profits could be made from the Kosher Cold War Fraud, & Germans could support Zionist Occupied Palestine via "reparations payments," forever!

The fatal fate of western stooges sent to teach & supervise Soviet project workers was confirmed in a book entitled "The Long Walk." It is non-fiction & tells the story of 5 Siberian gulag inmates who escaped during World War II & walked from Siberia to India! As I recall, 3 survived the trek. One was an American engineer who'd worked on the Moscow subway, only to be 'buried' in the Soviet gulag system. I wonder what happened to him upon his return to the USA. I wouldn't want to sell him any life insurance, for his knowledge would be hazardous to his health. Otherwise, it's a great article. Much appreciated! Few U.S. Goyim know that the USSR was founded, funded, fostered & fed from the USA, via 'our' jew banksters & commercial criminals, with the full complicity of the U.S. Government.

A fairly recent bit of recycled disinformation which has appeared in blightwing publications is that all jew banksters, including Rockefellers & Rothschilds, are "Germans" who seek to destroy the USA on behalf of The Kaiser & Hitler. These same banksters apparently tried to conceal their "true identities" by having millions of Germans killed in two world wars. Amazing! If FDR was 'really' a German & Hitler was 'really' a Communist, I guess such idiots must believe that "Stalin" was a "Nazi." Such fools are hopeless, but not serious. If Putin offends "Usrael," then he must now be a "Nazi." That would sure surprise him! The enclosed rene.com download refers.

Thanks for the download on the American bison & the mischief created by 'beefalo'. It is logical that such hybridisation would mix up the immune systems. I recall an article & a radio report on the high percentage of obesity, diabetes & heart disease in the USA's "White" population, as opposed to the British Whites. The jewsmedia were baffled by this difference in "White" populations, since the British Whites ate the same rubbish & were similarly sedentary. One woman supposed that the British "walked more than the Americans." Many, if not most "White" Americans are mixed with Amerasian genes to one degree or another. This would account for their penchant for common Asiatic diseases, largely due to over-eating, smoking & under-exercising. Race-mixing (adultery) is the proverbial dog which did not bark in America after dark, but it sure does bite! I never heard about the European bison or wisents. Now I recall seeing ancient European cave paintings which featured these animals in hunts by spear-carrying people. I am amazed that any now exist.

Let me know when I should collect my Nobel Peace Prize! In the meantime, many thanks for your letters & support. It's great to know you are still alive, for I was beginning to worry. I greatly appreciate our correspondence. Best regards to The Folk. DOWZ, CRION & 88!
