

Welcome to the first and only website devoted to the original Buddhist sources of the New Testament Gospels

The 27 books of the New Testament, as known, constitute the fundamental holy scripture of Christianity.

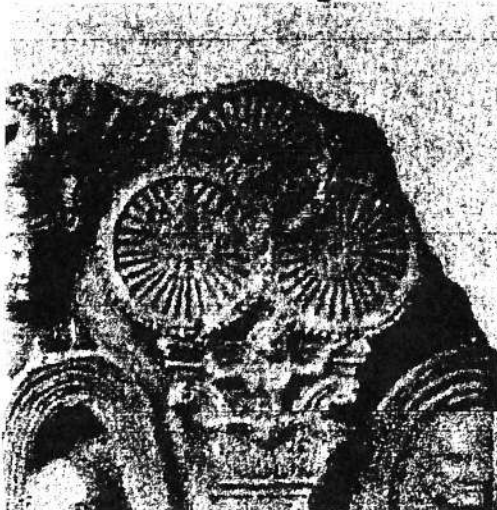

Without the four Gospels according to Matthew, to Mark, to Luke and to John, Christianity is virtually null and void.

Recent epoch-making discoveries of old Sanskrit manuscripts in Central Asia and Kashmir provide decisive proof that the four Greek Gospels have been translated directly from the Sanskrit.

A careful comparison, word by word, sentence by sentence shows that the Christian Gospels are Pirate-copies of the Buddhist Gospels. God's word, therefore, is originally Buddha's word.

Comparison reveals that there is no person, no event, no locality mentioned in the four Christian Gospels not already present in the Buddhist Gospels that, for sure, are far earlier in time than their Christian copies.

9 MAY 07. Hail Michael! Thanks for your letter & enclosures of 4 MAY 07. Methinks that you have ruffled your zoggies' feathers, &c. Plato said that virtue is its own reward, so if your zoggies had steered straight, they wouldn't be confronted with all this paperwork. Bad zoggies! I'll be on the lookout for kosher mass-murderers for use as pin ups. Right now, all I can find are the Zion-nazis of Israel. So far, no reply from IMLO nor Inspector Kuck. You may have noted my signature as "Eric Matsotsi." Tsotsi is gangster. Ma means more than one. You can imagine the horror when the Black Marxist regime of Mozambique changed the name of Lourenco Marques to Maputo. Puto means male whore; ma, more than one!

In regard to the Wilson-Kirby letter of 25 APR 07. After several readings, it appears that your zoggies may have the documents & items you request, so if you pay the required fees you may obtain your information, unless such is "exempted by statute." In other words, disclosure may not be denied, unless it is denied. Rots of ruck! Your reply to her of 2MAY 07 may serve to jog her memory & dispel the bureaucratic obfuscation which clouds her correspondence. I shall send copies to Liberty Rights Advocates.

No further word from Jason W., since I firmly reject a religious approach to politics. History teaches that "revolutions are conservative." People rarely risk everything for novelty or Utopias which they have not experienced, nor imagined that they had experienced long ago. The jew-Bolsheviks promised Russians "Bread, Land & Peace," which is what they had before WW I & the Red Revolution. Some Goyim may have fought for Bolshie promises, but that's not what they got in the end, as we know. The Judeo-French & American "Revolutions" were originally intended to restore former rights, rather than achieve new rights. History shows us that we & the French achieved mostly wrongs, but new ones. Such a deal! One prof. opined, after research, that "politics is defensive." That's how he explained the avid interests of the rich in politics, for they want even more, & they are concerned about what they stand to lose. When Rothschild agent J.P. Morgan was asked by reporters what he'd do if the poor came to get him, he replied: "I'll just hire 1/2 to shoot the other 1/2."

In regard to your alleged refutation of Matthew 28:19 in which Jesus is quoted as saying "all the nations," the words you allege do not exist, for "all" has none of the qualifications you allege. In this regard, you might as well tell me that the STOP sign on the corner 'really means' "stop on every other Tuesday." All I read is STOP. It is best in our racial struggle that so-called Israelites keep a healthy distance from those of us who detest all things jewish. As I said, if I were given the choice of existing with White jews or White niggers, I'd prefer death.

So far, anti-Zionist jews like Israel Shamir, Rabbi Elmer Berger, Benjamin Freedman, Josef Ginsburg, Fred Leuchter, Ditlieb Felderer, David Cole, Israel Shahak, R.G. Dommerque et al. have done more to refute the Zionist lies than all the "True Israelites" combined. That's why AZA exists, for an alliance consists of allies, even, maybe, a few ersatz Israelites, based on performance. My objection to Moslems is that they always seek converts, not allies, just as certain 'true-jews' do & Christ-eaters, also. That is why we should "march separately, but strike together." La Voz de Aztlan even advises a boycott against the jews' diamond-racket, while some suggest La Raza protest the kosher tax as well. No word from Whitey on either jew racket, to my knowledge, but both such rackets shrink to insignificance alongside the kosher Federal Reserve Racket which robs us of our earnings & our sovereignty simultaneously. Such a deal!

As I see it, your big job is to 'convert' Christ-eaters into recognizing adultery as race-mixing, its original meaning. You will also have to nail your interpretation of Jesus' 'intentions', which he 'omitted' to state explicitly about "all nations," & you'll need to explain why he changed his mind between Matthew 10 & 28. But save your words for others, for I am an Aryan, not an "Israelite."

I hasten to mail this before the postage goes up on 14 MAY 07. Let's repeat: "There's no inflation!"

All the best, as always. DOWZ & ORION!

Eric
