Hail Chris! Your zoggies have objected to my inclusion of others' names in my gulag correspondence, so they may object to my calling you Lief. I received one mail rejection notice on 5 Jewlie 07, allegedly in regard to a "publication" which I sent you that was not sent directly by the publisher. I thought I was already aware of that policy, so the alleged publication may have been in the mind of the zoggie. At last, I located my only copy of "The Ducks & the Hens," Which I hope you receive, ZOG willing.

I always reply to your letters, so if you receive nothing from me, that means you didn't receive my reply, thanks be to ZOG. I therefore include copies of my letters to you dated 14 Jewlie 07 & 4 AUG 07. For good measure, I've included my letter to you of 5 Jewlie 07.

Thanks for your letter dated 9-11-07, which was mailed on 9 OCT 07 & was received by me today. Yes, I'd be most interested in receiving photos of the USS Liberty atrocity. The enclosures refer. Over the decades, I've followed Israel's attacks on U.S. targets, beginning with The Lavon Affair of the 1950s; the Liberty Atrocity; the 1st Trade Tower bombing & their final success on 9-11. All these attacks on the USA were aimed at enlisting us into war against the true Semites, the Arabs. The failure of them prior to 9-11 was due to the fact that the jews responsible were identified as such by U.S. Intelligence, hence, no Arab culpability. 9-11 was achieved with the full complicity of Bush's ZOG. Few Goyim can or will comprehend the significance of the collapse of Tower 7 on 9-11, which was not struck by an errant aircraft, as were the other towers. All collapsed towers were imploded, which was the reason for their neat vertical descent, rather than a toppling, similar to a felled tree, which would have been too costly.

Re David Lane: some Crazy Identity Idiots have condemned him to hell, for not kow-towing to Yahweh. Crazy Identity alias British Israel was financed by the Rothschilds before World War I, so as to split the Germanic peoples. Around that time, the British House of Hannover became the House of Windsor, & Battenberg became Mountbatten. Goyim were about as stupid then as they are now. Such a deal! Good luck on your acquisition of D.L. writings!

It is indeed strange that ZOG denies knowledge of Robert Matthews' death. I understand that the FBI took part in his murder, so they must know all about it, unless they smuggled him out alive & are hiding him under the Witness Protection Program. Obviously, if R.M. is alive, his documents will not be released. Matthews' death reminded me of J.W. Booth's alleged death at the battle of the burning barn. There, too, a charred body was allegedly found by zoggies. I understand that the body had the WRONG leg broken. Dr. Mudd knew which of Booth's legs he'd set, the night of the Lincoln Assassination. I'm not saying that Matthews is still alive, any more than McVeigh. My suspicions were aroused as to such a possibility by the Order's irrelevant target-selection, which corresponded with that of a ZOG phony combat cell of the sort I learned about in Latin America, long before Pierce wrote "The Turner Diaries," upon which The Order was based. ZOG set up "combat cells" based on Che Guevara's abject failure. Such cells were advertised to attract activists, isolate them & then trap them. ZOG often allowed the 'leader' to escape, so as to entrap another batch of dupes. It's an old game, which Sun Tzu no doubt understood, but few Goyim beyond myself are at all aware of such duplicity. Consider how many died, believing that the Cold War was serious, when it was just another bankster hoax, of the sort described by Orwell in "1984."

It is my firm understanding that any Goy who "denies" the 'Holy Hoax' is prosecuted for thought-crime in Zionist Occupied Germany, but any jew who says the same thing is not prosecuted. I offer as examples anti-Zionist jews, such as Josef Ginsburg, Gilad Atzmon & Israel Shamir, all of whom have denied the Holohoax in Germany, & none of whom were prosecuted to my knowledge.

The reports of jewish Nazis in Israel is not surprising, since Israel determines jews by genetics, not by religion. I heard from Dr. Israel Shahak that two thirds of the jews in Israel were "secular," that is, non-religious, who were jews by race, not by religion. Were all Goyim to vanish, jews would be fighting amongst themselves, as depicted in "The Life of Brian." I'll be on the lookout for these & other items you requested.

Thanks for your efforts on behalf of Truth, Freedom & Justice. All the best & ORION!
