

YOM KIPPUR — *What Is It?*

On the evening of October 12, Jews around the world gathered to celebrate the most holy day on the Jewish calendar. It is called *Yom Kippur*, or Day of Atonement. At synagogues everywhere worshippers recited the so-called *Kol Nidre* prayer. Taken from the first two Hebrew words of the prayer, "*Kol Nidre*," it means "all vows."

The *goyim** are told that Yom Kippur is an occasion when pious, saintly Jews approach their Maker in a penitential rite to beg his forgiveness for wrongs they have committed during the past year.

RUBBISH! The occasion is nothing less than a time when Jews ask for and receive absolution for all the sins and wrongs *they are about to commit—IN THE COMING YEAR!* In so doing, they cut a lawyer's deal with their god (whom they call YHWH, or *Yahweh*) which gives them an exemption *in advance* from all wrongdoing.

Here is the actual text of this outrageous "prayer":

"All vows, bonds, devotions, promises, obligations, penalties and oaths wherewith we may vow, swear, devote or bind ourselves: From this Day of Atonement until the next Day of Atonement, may it come unto us for good,—lo, all these—we repent us in them. They shall all be absolved, released, annulled, and made void and of no effect; they shall not be binding, nor shall they have any power. Our vows shall not be vows; our bonds shall not be bonds; and our oaths shall not be oaths."

That's pretty clear, unambiguous language. What we have here, in fact, is nothing less than a one-year, renewable license to lie, cheat and steal with impunity, all based on a decree from the Jews' so-called holy book, which says:

"And he who desires that none of his vows made during the year shall be valid, let him stand at the beginning of the year and declare, 'Every vow which I make in the future shall be null.'"

(Babylonian Talmud, *Tractate Nedarim* 23a & 23b)

Among those who will be reciting the *Kol Nidre* oath are the many Jewish politicians, judges, lawyers, corporate executives, businessmen, journalists, commentators and spokespersons disproportionately represented in public life today. It should be noted that any oaths they may take to uphold and defend the Constitution or otherwise tell the truth are, as of this occasion, "abandoned, cancelled, null and void" and rendered "without power and without standing."

Isn't that nice?

Lost Tribe found in India

More than 2,000 years after they claim to have first set foot in India, the mystery of the world's most obscure Jewish community—the Marathi-speaking *Bene Israel*—may finally have been solved with genetic carbon-dating revealing they carry the unusual Moses gene that would make them, literally the original children of Israel.

Four years of DNA tests on the 4,000-strong Bene Israel—now mainly based in Mumbai, Pune, Thane and Ahmedabad—indicates they are probable descendants of a small group of hereditary Israelite priests, or *Cohanim*, according to results of a new study.

The priests are scattered worldwide but genetically related in a distinctive fashion that leaves just a billion-to-one chance of a mistake in identifying who the Bene Israel really are, says Tudor Parfitt, Jewish Studies professor at London's School of Oriental and African Studies.

Parfitt, who initiated and led the research, says this is the first concrete proof that "exiles from Palestine made it as far as India and managed to maintain Judaism in the sea of Hinduism and Islam."

In the early '50s, 30,000 Bene Israelis returned to the so-called Promised Land, soon after the state of Israel was created. Their Indian appearance, cricket-playing, sari-wearing, curry-eating and Marathi-speaking habits led to a bitter battle for recognition as "real Jews."

The name Bene Israel literally means "Children of Israel," and their legend of origin holds their ancestors to be Jews fleeing persecution in Palestine in 175 BC.

According to the legend, seven men and seven women survived a shipwreck near Navgaon village on the Konkan coast. Their descendants became thoroughly Indian, except for observing Saturday, the Jewish sabbath, as a weekly holiday. The practice led them to be known as Shanwar Teli, Marathi for "Saturday oil-pressers."

It was only 1964, that the Israeli prime minister declared they were genuinely Jewish and should be allowed to return to Israel and intermarry.

But now, the new study goes one better. By studying certain genetic markers in the DNA chain, found only in male descendants of Aaron, Moses' elder brother, who founded the line of Jewish priests, the Bene Israel could well claim to be the purest of the pure.

The new research has also found preliminary genetic evidence to show the declining community of Black Jews of Cochin left Israel in remote historical times.

The new data, which has been featured in leading Western scientific journals, comes after painstaking efforts to genetically source the origins of India's other, self-professed "lost" Jewish tribes, including the Manipuri Jews and the Telugu-speaking Jews of Guntur.

"And thou shalt consume all the people which Adonai thy god shall deliver thee; thine eye shall have no pity upon them . . ."

"This is the saying of Rabbi Simon ben Yohai: 'Tob shebe goyim harog.' ('Even the best of the Gentiles should all be killed.')"

27 OCT 07

Hail John Paul! It was great to receive your letter & enclosure of 22 OCT 07. As always, I advise my correspondents to date their letters with the date the letter was completed. This way I know if there was a delay between the writing & the mailing. It also lets me know in which order letters were written. I reply to all letters as soon as possible, so if a letter goes 'missing' we can check up on it. I am currently in contact with the Monroe, WA, Police Dept. in regard to First Class Mail Theft by Washington State Prison zoggies. It is my understanding that 1st Class Mail should be returned to sender, if it is undeliverable, either by unnotified change of address or because of ZOG censorship. So far, I've received no reply from Monroe, except for the initial gulag notices of seizure. The allegations on the official gulag forms claim that my 4-page letters contain "thought-crime content." But, by failing to return them, I never know which particular words are deemed "politically incorrect" by particular ZOG-gulag censors. As I wrote to several zoggies, the content of my letters is the same, but their reactions are different. So many of our current gulag procedures are exactly the same as Chinese-run prisoner of war camps in Korea, which included mail-manipulation & mind-manipulation aimed at demoralizing the prisoners, according to an official U.S. Dept. of Defence memo which I heard in audio form in my U.S. Air Force ROTC classes in college. The Chinese censors would select bad news from any good news. In other words, a "dear John" letter from a wife or girlfriend who is dropping her relationship with the P.O.W. would be delivered, but not a love-letter. All bills would arrive from the USA, a.s.a.p. The idea was to make the prisoner feel spurned & abandoned by the USA & the people he knew there. ZOG knows how important communications are, including mail, since USA/USSR/Red China were under the same bankster-ZOG. During The Korean War, FEDZOGUSA lied that "no U.S. prisoners had escaped Red Chinese custody." I learned that two U.S.P.O.W.s had indeed escaped back to U.S. lines, decades after the fact. To their consternation, the 2 escapees were subjected to hostile questioning from U.S. authorities, rather than being welcomed back. Obviously, U.S. authorities wanted to know what went wrong in the Chinese prisoner program. 'Our' Zionist regime was obviously NOT concerned with the well-being of their soldiers, but with the well-being of their fellow zoggies' anti-P.O.W. program. Unfortunately, I received no word on the fate of the Black soldier.

The program began, as in our ZOG-gulag system, with the separation of the 1 out of 20. That is the ratio of leaders versus sheeple which the Chinese determined from their program. Chinese guards were told to be watchful for "men to whom other men listened; men who showed courage, & men with a sense of humor." By segregating such potential leaders, the Chinese easily controlled the 19 out of 20 sheeple, because sheeple lack initiative & the ability to think for themselves. The two successful escapees were a Black & a White U.S. soldier. They were lumped in with the sheeple. The Chinese version of 'diesel-therapy' was to march the P.O.W.s from one camp to another. On one of these marches the 2 P.O.W.s spoke in low tones about their status: Apparently, both were not "politically correct" in their response to the Chink-zoggies' 'therapy programs.' Both men figured they were going to be killed, so they agreed to drop out of the column in the dark. The Chink-zoggies figured this lot of sheeple were sufficiently demoralized that they would not try to escape, but they were wrong in these two cases, much to the apparent consternation of the U.S.ZOG.

The White P.O.W. became embittered because of his needless sacrifice in the Korean "Police Action," which was not, officially, a war when it was fought, similar to The Vietnam War, which was not declared by the U.S. Congress, which must be done to make any armed conflict into a "war." The present 'wars' in The Middle East have never been declared by Congress, either. At the Nuremberg Show Trials, waging war without a declaration of war was deemed "a war crime & a crime against humanity," so our ZOG is guilty under its own precedents established at Nuremberg. The German victims thereof rightly called it "Victors' Justice." How short our memories are! Chinese still remember their 'loss of face' in The Opium Wars of the 1800s. To 'get even', all they need is U.S. technology, which we have already given them, with the approval of our alien rulers & their Goy frontmen. The one recurrent theme in U.S. history is that all our major wars have been between 'our' government & the governed. All bankster regimes have this in common.

I attended a lecture by Israel Shahak in Toronto. He was an Anti-Zionist jew, like several with whom I've worked. The items you mentioned come from The Old Testament & The Talmud. One pope had Talmuds burned, because of their extremely hateful content, so it's good to rely on original sources, as you have said. Remember: jews are taught to be men & Christians are taught to be sheep. No wonder we are in such a mess! I'll send your address to an Odinist publication. All the best & ORION!
