

"DO AS WE SAY, NOT AS WE DO."

1 APR 08

Dear Claude: Many thanks for your letter of 21 MAR 08 & the great enclosures! Even if Putin Russia is jew-ruled, I see no need for despair, for all Whites need do is to WAKE UP. We exist in a jew-daze, a talmudic trance, in which we participate willingly. If we can change our minds, we can win against our kosher butchers. Over the years I have learned not to invest in false hopes. This is why I want information on the status of jews in Russia. It appears that Putin favors some jew oligarchs, but not others. Here are a few facts I gathered from the jewsmedia:

(1) Shortly before the collapse of Soviet Communism, itself the offspring of jew bankster capitalism, I read a very small, but very important news item in a Canadian newspaper. It reported that the USSR had agreed to pay the Tsarist war debts of World War I! Would that not have made any Red spin in his grave?

(2) Putin made a kosher arse-kissing pilgrimage to Israel's Holohoax Museum, Yad Vashem, & performed the required rituals. This visit was given wide jewsmedia publicity. Why would an 'independent' Goy nationalist leader abase himself in this manner, if indeed Putin is a Goy Nationalist leader?

(3) Brian claims he sees jews in Russia, & a Russian source told him the jews are still there.

(4) Russians are usually jew-wise, but not Goyim outside of Russia. I recall David Duke telling me, during The Cold War, that he asked ONE alleged Russian he met in SE Asia if the jews ruled Russia. The "Russian" said "No," & Duke accepted his word. I asked Duke if he would believe ONE U.S. citizen who would tell him the same thing about the USA. I saw a photo of Duke lecturing the Ukrainian Parliament about jews. Many of those in the audience had Khazar faces & they were grinning. Duke might as well have lectured about jews in a synagogue!

(5) Wishful-thinkers in southern Africa told me that "The USA was our last bastion against Communism." I told them that U.S. banksters had founded, funded, fed & fostered Soviet Communism, worldwide, from at least 1917 to the present, but no one heeded the truth then, so they are paying for it now. I therefore hope Goyim are not making the same mistake about "anti-Zionist Russia." They just don't want to know, but I'm not afraid of the truth, whichever way it turns out. The wishful-thinkers of Rhodesia & S.A. were wrong about the USA. Are they wrong about their idealized Russia? They have been wrong about Russia since Stalin. "Jew-free," indeed!

As you say, the Zionist bankster apparat is not fool-proof, but as long as we remain fools, it will be.

South Africa is suffering from The Black Plague, which the Chinese will have to 'cure' in order to grab Africa's valuable minerals. I have a feeling that the political/demographic/economic kaleidoscope is about to turn, thus putting the pieces into a 'new world order,' to please, guess who.

I'd like to see evidence of Russian economic independence from Zionist Occupied & jew-populated Europe, as well as from Israel. If Russia is truly independent, we should see her exerting more pressure on NATO, which depends on Russian oil & gas supplies. If not, then my doubts about Russian independence remain. We can be defeated by fighting, but we will be defeated if we join the enemy. I have no such intention, for I live in enemy territory in this land of ZOG. The Zionists demand the extinction of Our Race, so we should not join them, as most Ostensible Whites have already done. I wish you Strength through Joy, as always. ORION! 88!
