

DEMONS, MAGIC, AND MYSTICISM IN THE CABALA

Cabalism is pure Illuminism because it teaches the twisted and perverted secret doctrine that, ultimately, the higher level adept embraces: That the Holy Serpent is the true God; that all the evil that a person does, through alchemy, is magically transformed into righteousness; and that, yes, Lucifer is Lord. Satan is the true and only god. That is the essential doctrine of Cabalism. That, dear friends, is the horror and the shame of the Jewish Cabala.

Here are the eye-opening comments of a number of

knowledgeable authorities on the Jewish Cabala:

The Cabala contains such power and demonic teaching, it is more than enough to give the ideology and driving force needed to lead the world astray and to keep such an evil conspiracy alive through the centuries...The Cabala is a teaching source of the Freemasons as well as for other groups.

Kabbalah: The sacred books of black magic of Orthodox Judaism which form a large part of the basis of the western secret societies, from Rosicrucianism to Freemasonry and the OTO. Kabbalism is itself derived from the sorcery of ancient Babylon and...Pharaonic Egypt.

— Craig Heimbichner
Blood on the Altar

The Hebrew Cabala is a series of occultic writings that are as demonic as any incantation ever uttered in witchcraft. Webster's Dictionary tells us the Cabala (sometimes spelled Kabbala) is "an occult religious philosophy developed by certain Jewish rabbis..."

Sorcery is commonplace in the depraved religious rituals of cabalistic Judaism. Here a rabbi is seen carrying a chicken off to be sacrificed in a voodoo/ Santeria-type ritual during the Jewish festival of Yom Kippur. The Occult Magic of the Jewish Cabala (Continued from page 2)

officials have admitted that the Lodge's rituals and teachings are but the offspring of the Jewish tradition. Albert Pike, former Sovereign Grand Commander of the Scottish Rite, wrote: "One is filled with admiration, on penetrating into the Sanctuary of the Cabala."

In 1855, the renowned Rabbi Isaac Wise wrote: "Freemasonry is a Jewish establishment, whose history, grades, official appointments, passwords, and explanations are Jewish from beginning to end."

The *Jewish Tribune* newspaper, in 1927, in an editorial, stated: "Freemasonry is based on Judaism. Eliminate the teachings of Judaism from the Masonic ritual and what is left?"

Ray Novosel, writing from Australia in 2004, states: "Zionist world leaders, men in influential positions with the various Masonic organizations everywhere, have worked 'hand in glove' for a universal world revolution, which will bring in the One World Church and a One World Government. Many Masonic Lodges are exclusively Jewish, as are the controlling B'nai B'rith Lodges—the mother of the infamous and very dangerous Anti-Defamation League (ADL)."

Albert Pike maintained that, "Every Masonic Lodge is a temple of religion; and its teachings are instruction in religion." Pike also asserted that the true meanings of the mysterious and arcane symbols of Freemasonry are found in

In Richardson's *Monitor of Freemasonry* (p. 64), this symbol is used to illustrate the Royal Arch Degree. Masonic literature is replete with examples of the Jewish Star of David and other Cabalistic tokens, symbols, emblems, and signs.

the occult philosophy of the Jewish Cabala, that Freemasonry owes all its secrets to the Cabala, and that Freemasonry is a religion based on the Cabala.

Regrettably, few Christian leaders have the courage to even mention the Jewish Cabala, let alone expose it. Timid, little cowards, they are too frightened, worried they will be reported to the Jewish ADL thought police and that they might (horrors!) be branded an "anti-Semite."

Here at *Power of Prophecy*, however, we choose to serve God with boldness and courage. Truth is its own reward, and we know that, no matter what the evildoers try to do to us, God is our shield and our protector. The Cabala is a supreme work of darkness, and *Ephesians 5:11* commands we unmask darkness. That is enough for me.

13 Jewlie 08

Hail Andrew! Many thanks for your letter of 10 Jewlie 08. In answer to your question as to why jews want to destroy Whites, it is contained in their commandment that "The best of the Goyim (Gentiles) should be killed." As economist Werner Sombart reported: "Wars are the jews' harvests," since they lend money to all parties. Hence, whoever wins owes the jew banksters money, thereby enhancing the jews' power & profits. Unfortunately, we behave like the jews' Golem (Goyim), a mud monster into which a rabbi inserts a piece of paper with magic symbols thereon, which animates the Golem to obey the rabbi. We are at fault to the extent we behave like this mythical jewish mud-monster.

Rudolf Hess was well-known as "The Prisoner of Peace," for he went to Britain in 1941 to end hostilities between Germany & The British Empire. Hitler had no intention of invading Britain, & his "Operation Sealion" was a hoax to fool Stalin, which it did. The banksters wanted Hitler to invade Britain, so Stalin could steamroller all of Europe. Stalin's invasion preparations were well underway in 1941, according to a German high altitude aerial reconnaissance observer whom I interviewed. He said that he could see the smoke of ^{aer-}endless trains; that the Soviet railway system had become a gigantic conveyorbelt, bringing war materiel from east to west, & machinery, crops & livestock from west to east. There could be no doubt as to the Reds' intentions: To do what Trotsky had failed to do, the invasion & conquest of Europe, all of it. His observation was confirmed decades later by a former Soviet military intelligence officer who writes under the name of "Suvorov," in his book, "The Icebreaker." Of course, Churchill & Roosevelt knew of Stalin's intentions, so Churchill was waiting for the Reds to stab the Germans in the back, while he bragged of "Britain standing alone." Rudolf Hess' peace offer would have spoiled Churchill's propaganda, so Hess was locked up in Britain, & later in Zionist Occupied Germany. According to his son, Wolf Rudigger Hess, his father was murdered by the Brits who learned that the USSR would release Hess from Spandau Prison on their rotation as guards. The Brits did not want Hess to talk, so they beat him to death, as I deduced from his horrible photos, & then they ritually "hanged" him by draping an electric cord on his neck. "Cording" is a talmudic, cabalistic ritual which identifies the killers as members of a freemasonic "hidden hand." I understand that the Hess File is kept under lock & key in British archives for another 40 years. In law, such behavior is deemed mens rea (the guilty mind). Hitler saved Europe from Stalin, but he could not save Europe from the Europeans, under Zionist bankster rule.

Since my forced exile from the USA from 1969 to 1992 I missed lots of features on TV. One fellow commented that I watched History Channel to catch up on the news. The last TV news I saw, before my return to the Jewnited States, was the murder of Robert Kennedy in 1968. Perhaps I missed a History Channel program on Stalin's plan to invade Europe in 1941, but everyone whom I've asked tell me they saw no such program, so that is one of the best-kept secrets of World War II. I believe that Allied archives have such information.

My name is spelt Thomson. That is Norwegian, for my family come from The Orkneys & Hebrides, making me "offshore Scottish." If I were Danish, it would be Thomsen, & if I were Irish, it would be Thompson. The way you spelt it as "Tomsan" seems Japanese, meaning "Mr. Tom." In correct Romanji, it would be "Tomosan." Ha! When I lived in Japan I was impressed by their 4 alphabets. Naturally, the only one I could read was Romanji or Roman letters. Signs in the other alphabets I could not read at all. Have a "hotodogu," while you watch a game of "besoboru." That's an old Japanese custom.

Other 'corded' Zionist (jew-supremacist) victims include Secretary of Defense Forrestal, who objected to President Truman's recognition of Israel in 1948. He allegedly "jumped" from a hospital window, & he had his bathrobe belt around his neck. During the Vatican Bank scandal, its director, Roberto Calvi, went to London, home of The Mother Lodge of Freemasonry. His body was found hanged, beneath Black Friars' Bridge, after he'd been murdered. Not only was Calvi a Freemason, but he was a bankster, & therefore of interest to The Bank of England, also in The City of London. The Bank of England is a private, jew-owned bank, as is The Federal Reserve et al. Jew banksters also fund the Freemasons who want to be their slaves, in accordance with the Myth of Hiram Abiff, the alleged Gentile slave of the mythical King Solomon, whose temple has never been found. I suspect that "Solomon" was a jew corruption of King Solon who was a great lawgiver, & whose ruined palace is near Tyre in Lebanon.

Make your time work for you by acquiring knowledge. All the best. ORION!
