

2 OCT 08

Hail Michael: Thanks for your letter & documents of 29 SEP 08 in the two envelopes, which arrived on 1 OCT 08. In your letter you enclosed the WA Supreme Court ruling which I return herewith. "Nice try, but no cigar," as the carney concessionaires would say. 'My' letter to Sr. Cedeño was as good as anything I could say, & better, since I'd need the specifics from you for substance. Airy-fairy appeals on behalf of "justice," "decency," & "fairness" tend to be all things to all men, i.e. in the eye of the beholder &/or perpetrator. Anything in writing can be interpreted to mean what the reader wants it to mean, even if he must ignore 95% of the text. Writers have noted that people usually adopt the views of their paymasters: "His bread I eat, his song I sing."

From your letter, it appears that you have achieved a quid pro quo relationship with your zoggies, in which they lay off you if you lay off them. You certainly worked hard to achieve that relationship.

I enclose a complete copy of "Prison Censorship of Religious Literature" which includes Sr. Cedeño's letter of 29 MAY 08, in which he states that "...there currently is no evidence that these publications would cause or precipitate violence against you by the ethnic groups mentioned." I take that to be the 'truce' letter. Because of the bulk of these documents, I shall send them in separate envelopes.

It seems to me that your years of non-STG behavior would serve to nullify that status. I gather that you were not responsible for the recent lock-down, since you are not currently a member of the Crips or La Raza. Perhaps your zoggies think you have the power to transmit STG thoughts telepathically. Oy veh! (In Spanish, already).

Thanks for the update on multi-racial behavior. ZOG wants to Africanize Whites & feminize White men, while masculinizing White women. Still, biology does count for something, so we shall see how far they can go in their War against Nature. Savitri Devi characterized all Semitic cults as being anti-Nature, by seeking to remove Man from his place in Nature, as if Man were an alien being, who can deplete & pollute the planet without suffering consequences. This includes jewish-capitalism, communism, Judaism, Islam & Christinsanity, in which "man conquers Nature." No, man succeeds to the extent that he knows how to work with Nature, for man is not exempt from natural laws, kosher cults to the contrary. As one thinker wrote: "For man to know that a 'miracle' has occurred, man must know ALL natural laws." That would make him a god, & if pigs could fly, they could reach The Pie in the Sky in the sweet by & by. Speaking of miracles, I'll send you some of my recent writings in hopes your zoggies will allow the exchange of ideas & information, in terms of the 1st Amendment.

Your suggested remedies for our present economic crisis are tried & true, for nothing in ZOG's bankster bailout stimulates productive enterprise, but toxic speculation. Hitler put millions to WORK, building the infrastructure so as to increase the wealth of the Nation. We can't say that a country with crumbling infrastructure, like the USA, is "wealthy." As you say, the bailout can only mean big inflation. Over 20 years ago, an economist whose name I forget wrote that the USA is living beyond its means, in regard to public spending. This requires us to raise taxes, but the corrupt & easy way 'out' will be via inflation, which will be no solution at all. The economy is a house of I.O.U.s, so writing or printing more of same will rob people of their savings & their earnings. The majority will suffer for the greed of the minority, as the jews did to biblical Egypt, where "the money failed."

Palin, as I understand, uses her husband's name, although these days, married women seem to retain their maiden names. That name could be jewish, but she strikes me as a typical Anglo-mestiza (Eurasian). If she becomes president, she will be one more Zionist war-monkey on behalf of Israeli interests, at the expense of the U.S. sheeple. So, what time is it? It's Goy-fleecing time. Such a deal!

So far, my copy place is holding the line against inflation. Photocopies are still 5¢ each, if one does over 50. Otherwise, they are 7¢ each. I always do over 50.

It seems that Black newspaper columnist Pitts thinks there are only 2 races in Judeo-America: Blacks & Whites. ZOG says in its census & on its wanted posters that Eurasians are White. They are not, of course. Half White is not White, not even if he is Obama. My impression is that Whites are the real racial minority in North America, but I must rely upon my own experience of knowing blond Eurasians' Asian parents, & medical statistics for the USA which show much greater incidence of Asiatic diseases amongst so-called Whites than are recorded amongst Whites in Britain. The non-White admixture correlates with Ostensible Whites who are rabidly anti-White, including jews & other Eurasians. DNA is the only way to be sure of race. Keep up the good work. DOWZ & ORION!
