

Israeli Professor Says 'We Could Destroy All European Capitals'

Jerusalem: February 1, 2003

An Israeli professor and military historian hinted that Israel could avenge the holocaust by annihilating millions of Germans and other Europeans.

Speaking during an interview which was published in Jerusalem Friday, Professor Martin Van Creveld said Israel had the capability of hitting most European capitals with nuclear weapons.

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets of our air force."

Creveld, a professor of military history at the Hebrew University in Jerusalem, pointed out that "collective deportation" was Israel's only meaningful strategy towards the Palestinian people.

"The Palestinians should all be deported. The people who strive for this (the Israeli government) are waiting only for the right man and the right time. Two years ago, only seven

or eight percent of Israelis were of the opinion that this would be the best solution, two months ago it was 33 percent, and now, according to a Gallup poll, the figure is 44 percent."

Creveld said he was sure that Israeli Prime Minister Ariel Sharon wanted to deport the Palestinians.

"I think it's quite possible that he wants to do that. He wants to escalate the conflict. He knows that nothing else we do will succeed."

Asked if he was worried about Israel becoming a rouge state if it carried out a genocidal deportation against Palestinians, Creveld quoted former Israeli Defense Minister Moshe Dayan who said "Israel must be like a mad dog, too dangerous to bother."

Creveld argued that Israel wouldn't care much about becoming a rogue state.

"Our armed forces are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that this will happen before Israel goes under."

8 OCT 08. Hail Leif!

Many thanks for your letter of 5 OCT 08 & the great enclosures. The reason I emphasize education is simple: Whites do not know they are in a war aimed at their total extinction. Our Race is in a similar position to a bunch of surfers & sunbathers on a beach in the South Pacific, circa 1942. They don't have a clue that a war is going on, for they were too busy doing their own things. Imagine how they would react if we ran up to them as U.S. soldiers, & tried to tell them that a world war was in progress, & the Jap navy would soon be shelling the beach. Would they believe us? Why would they want to believe such unpleasant news? Maybe they'd tell us to get lost; that we were "crazy." But suppose that a Jap shell had hit the beach, killing & maiming a few of the surfers & sunbathers. After that, our message would probably be heeded, at least to some extent, although there might be a few wishful-thinkers who'd insist that the shell explosion was an "accident," & no fault of the Japs. Of course, in real life, one shell is usually accompanied by others, so the beach bunch would probably be wiped out in the first salvo, with none left alive to wonder. Right now, our job is to get the message through to the Whites, or wait for them to receive the enemy's message of death. Unfortunately, that may be necessary, before Whites listen up for their own salvation. With ZOG's jewsmedia in charge of what Whites hear, see & think, we can understand how a group like The Order would be rejected by Whites with fear & loathing. Imagine Tokyo Rose on the radio, explaining to the beach bunch that the men in U.S. uniforms are endangering them by inviting defensive fire from the Jap fleet, but if the beach bunch would be so kind as to tip the Jap fleet off about their location, they'd be safe to continue their sunbathing & surfing. That's similar to ZOG's propaganda message, albeit in a World War II context. In my speech about revolution, I merely pointed out the necessity of "objective conditions," the term used by the jew "Lenin" to explain why revolutions succeed or fail. Objective conditions would be present if, say, 99% of the dumb Goyim were hungry, at the same time; not bit by bit, for Goyim are stupid & slow, to a very great extent. When the Ukrainians finally realized that they were being starved to death by Russia's jew rulers, it was too late. That's why jews call us "Goyim" (soulless cattle).

The Chinese military strategist, Sun Tzu, defined war as the displacement of one people by another. We are therefore at war, for we are being displaced right here, right now, but Whitey doesn't want to know. This is why we are losing. We also choose the wrong leaders, who are paid enemy agents or zoggies, to be specific. As long as jew money can hire them, they will do the jews' bidding.

I have no illusions that ZOG will self-destruct, for ZOG loves to switch games around, much faster than Goyim can think. At present, it looks as if ZOG's dissolution of the USA within The North American Union of Canada, USA & Mexico could occur quite soon. It also appears that the jews are making China their new host country, in exchange for real estate in Africa & the Western Hemisphere. My relative, Charles Thomson, a Founding Felon, drew The Great Seal of the USA according to Rothschild/Freemasonic cabalism. One Freemason observed that the pyramid on the back of the \$1 bill is unfinished, as it appears above Novus Ordo Seclorum (New World Order). That's because the USA is the launching pad for the New (jew) World Order; after which, the USA will be discarded into the toilet of history. This is not a certainty, but a definite possibility. As I see it, a lot will depend on the present economic crisis & a possible Third World War. The jew banksters have followed their 20th century formula for economic crises followed by wars, so this present 'recession' could be the prelude for another "jew harvest," i.e. war.

I'll try to get the titles to you which I've written. I still have the text to "The Hitler We Loved & Why," but not "China, the jews & World War III," nor "Germany's Antarctic Claim." The China book was based on my research that the USA/USSR were run by the same jew banker interests until the Rothschild-Rockefeller flip-flop in which Rockefeller employee Richard Nixon suddenly recognized Red China. The U.S. forces were in Vietnam to open a 2nd front against China, with "our gallant Soviet allies" in the north. That way, the massive Chinese forces would be split in two. But suddenly, the kosher kaleidoscope shifted, & the USA flip-flopped against its USSR ally. Soon, the USSR was out of business. If you are a 'friend' of the USA ZOG, you are in great danger. Saddam could testify to that, were he alive, along with Chiang, Somoza, Batista et al., as well as the last Shah of Iran.

(1) Sister = Schwester (2) My word is my honor=Mein Wort ist mein^e Ehre (3) I love you= Ich liebe dich (4) Respectfully=hochachtungsvoll.

As you say, The Order picked the wrong people. They also picked the wrong targets, according to CIA practice in regard to phony combat cells, which I learned about in Latin America. All the best. DOWZ & ORION! *ESS*
