

In all that has so far been reported by me to you, I have endeavoured to depict with care the secret of what is coming, of what is past, and of what is going on now, rushing into the flood of the great events coming already in the near future, the secret of our relations to the *goyim* and of financial operations. On this subject there remains still a little for me to add.

*In our hands is the greatest power of our day—gold: in two days we can procure from our storehouses any quantity we may please.*

Surely there is no need to seek further proof that our rule is predestined by God? Surely we shall not fail with such wealth to prove that all that evil which for so many centuries we have had to commit has served at the end of ends the cause of true well-being—the bringing of everything into order? Though it be even by the exercise of some violence, yet all the same it will be established. We shall contrive to prove that we are benefactors who have restored to the rent and mangled earth the true good and also freedom of the person, and therewith we shall enable it to be enjoyed in peace and quiet, with proper dignity of relations, on the condition, of course, of strict observance of the laws established by us. We shall make plain therewith that freedom does not consist in dissipation and in the right of unbridled license any more than the dignity and force of a man do not consist in the right of everyone to promulgate destructive principles in the nature of freedom of conscience, equality and the like, that freedom of the person in no wise consists in the right to agitate oneself and others by abominable speeches before disorderly mobs, and that true freedom consists in the inviolability of the person who honourably and strictly observes all the laws of life in common, that human dignity is wrapped up in consciousness of the rights and also of the absence of rights of each, and not wholly and solely in fantastic imaginings about the subject of one's *ego*.

Our authority will be glorious because it will be all-powerful, will rule and guide, and not muddle along after leaders and orators shrieking themselves hoarse with senseless words which they call great principles and which are nothing else, to speak honestly, but utopian. . . . Our authority will be the crown of order, and in that is included the whole happiness of man. The aureole of this authority will inspire a mystical bowing of the knee before it and a reverent fear before it of all the peoples. True force makes no terms with any right, not even with that of God: none dare come near to it so as to take so much as a span from it away.

Hail Michael! Good Yule & Happy New Year! Thanks for the publications & public disclosure documents which I shall copy for circulation. The originals I return to you herewith. The blightwing taints whatever it touches, so I wonder at their grotesque misinterpretations of such terms as White Nationalism. Jared Taylor includes jews as "Whites." I've experienced that scam in Africa, where the jews declared themselves to be non-Whites in 1972, at their Jewish Board of Deputies in Johannesburg, South Africa. Suddenly, all local jews I knew began referring to us as "You White people," in sneering, triumphal tones, exactly as other non-Whites I knew. One mongrel (Coloured) girl told me that the Whites' day is done. I said "that may be, but yours has not begun, since you are not a Black tribal member. Only major tribal members will have political clout under Majority Rule, for their tribes are their constituencies." I concluded by saying, "Unlike Whites, your people are neither feared nor respected, so if the Whites go, you will be fair game for the Black Majority." And that's what happened. Such jews as Ignatiev & Ehrenberg alias Montagu promoted the kosher credo that race was not biological, merely social & linguistic, but only in regard to Whites, since jews & other non-Whites define themselves biologically. Otherwise, two thirds of Israel's "secular" i.e. non-religious jews would not see themselves as jews, according to Dr. Israel Shahak, whose lectures I attended in Toronto, Canada.

Mexican nationalists deem pale jews as "Whites," but the Mexicans have their own brown jews who pass for Mexican or other mestizos. In Colombia, the jew drug cartel are called "marranos," meaning "pigs," that is, false converts to Christianity. But that cult is also a jew-scam, since it was none other than the genuine jew, Saul of Tarsus alias St. Paul, who promoted Judeo-Christianity into Europe. "Judeo-Christianity" is correct, for their bible includes the Old Testament. Of course, it is absurd to combine a tribal cult with a universalist racket, but absurdity, i.e. contradictions are necessary to paralyze the critical faculties of Goyim. As stated in The Protocols: "Our countersign is Force & Make-believe... Violence must be the principle, & cunning the make-believe...for governments..."

Other wise Goyim have noted the similarities between Marxist Communism & Christianity in regard to economic distribution: "From each, according to his ability, to each, according to his need." "So as ye do unto the least of these, ye do also unto me." Of course, other comen introduce their own contradictions into such cults. The jew "Lenin," saw the inherent impossibility in Marxism, so he declared: "Those who do not work shall not eat!" This contradiction he called "Marxism-Leninism." Calvin proclaimed that the rich are the potential 'chosen' of Yahweh/Jesus, but the poor are certainly not 'blessed,' Jesus to the contrary.

Hence, the thing to beware of is ideological 'jew jitsu' which perverts cults, creeds & policies in their names. In judo, the opponent's strength is used against him, which/the same role as jew-think. The jew, Boas, perverted the word "nation" to mean "place."<sup>15</sup> As we know, nation = people, as this term is still used, correctly, to designate "American Indian Nations." In jew-usage, "nations" are still used in reference to peoples, rather than to places. Multi-national states are actually empires, not 'nations,' just as families are biological entities, rather than residential. In jew-speak, residents of an apartment building could be deemed "a family," if residents of a territory may be deemed "a nation." A nation is a biopolitical state, not a geopolitical state.

Goyim fall into the reactionary trap, also called the Left-Right Spectrum of politics. Rockwell favored the Vietnam War, for example, because the Reds favored resistance to it. If Rockwell had been a true National Socialist, he would have thought in terms of race: If the jewish war was bad for Whites, why support it? We should recall that the German Nazis & the German Commies both supported a rent-strike in the jewish Weimar Republic, in favor of the German workers, rather than the largely jewish slumlords. Thus, the White Nationalist uses valid ideas, regardless of their origins. That's why I support AZA, the Anti-Zionist Alliance, & the blightwing does not. With allies, we might even win, which is unthinkable for the blightwing, of course.

As you know, my background is International Relations, which is useful for imperial living, as we experience here in the Jewnited States under ZOG. Since 'our' media of information, education & entertainment are in the hands of jews, it seems valid that we should have a White History course, for the same reason as Black Studies, & Black Nationalism. Diversity does not mean hostility, unless ZOG says so, in the case of Whites, but the USA, as we know, was never pro-White, as the revelations on White Slavery attest. DOVZ! ORION!
