Hail Clinton! Thanks for yours of 13 MAY 09. Yes, the jews want their "Jew World Order." They have planned for "The European Union," which now exists, with its currency, the euro. They have planned for "The North American Union" of Canada, USA, Mexico & Central America, with its currency, the amero. Everything is in place for this union, since we already have "The North American Free Trade Agreement" & huge numbers of "hispanics" living north of the Mexican border. Yakima is over 41% "Latino" at latest census, & their numbers are growing rapidly.

The jews, led by Saul of Tarsus alias Saint Paul, invented Christinsanity for Goyim alias Gentiles. In Judaism, jews are men. In Christinsanity, men are "sheep." Jews are not "born in sin," so they aren't guilty unless they break jewish laws. Christians are all born in sin (Original Sin), so they are taught that they are guilty at birth. Guilt becomes self-hatred, & "sheep" need shepherds to fleece & slaughter them, since that's what shepherds do. Jews are masters; Christians are slaves & scapegoats. Jesus was #1 Scapegoat because he forgave those who killed him, at least in the New (jew) Testament. If you forgive your enemy, the guilt for what he does to you passes onto your shoulders, according to jewish law. That is why jews chant, "Never forgive! Never forget!" Christians EAT their god & DRINK his blood in their disgusting 'communion' rituals. How the jews must laugh at that. Above all, Christinsanity advocates race-mixing, which violates the 7th Commandment: "Thou shalt not commit adultery," so Christ-eaters are damned to jewish hell on that point alone. Christ-eaters make the best slaves for the jews. That's why they get along so well. Christinsanity would kill the White Race, even if there were no jews. With jews, they do it faster.
