

15 MAY 09

Hail Dave! Thanks for yours of "12 May 2009." I'm not on the Internet, either. If I were, I'd have very little time for correspondence, research & thinking. I rely upon my network of correspondents & local contacts for relaying important & allegedly valid items from the Internet. I add such information to my existing store of knowledge, which I cross-check for accuracy, to the best of my ability, amid the jewlies & disinformation.

No wonder our concerns are misplaced & contribute to our racial extinction. Yes, breeds of dogs coincide with personalities, traits & abilities. That's why man created them, as he did with horses. We can observe the breeds of mankind. Some are good for certain things & others are not. Mixed breeds tend toward Babel/chaos. As it says in the Hindu holy book, The Bhagavad Gita: "From the corruption of women proceeds the confusion of races; from the confusion of races, the loss of memory; from the loss of memory, the loss of understanding, & from this, all evil." The jews' Babel-Fable was not about a Berlitz language blitz. It was about the results of race-mixing (adultery), as forbidden by the 7th Commandment. Carl Jung appreciated Racial Memory. My people are of Norwegian stock via The Orkney Islands & the Hebrides, with Celtic admixture, so we are "offshore Scots." When I studied Swedish in Stockholm, I learned quite rapidly, as if I were remembering. Perhaps that's why I always felt at home on the sea, & why I've done more sea miles than I have travelled air miles in the 20th century, as my ancestors did. When my ship stopped at Aden, I knew that my father had passed there, as had my great grandfather, en route to India, where I was going.

The Red Chinese learned in Korea that fewer than 1 out of 20 U.S. P.O.W.s had any leadership^P potential. Guards were told to look for the man to whom others listened; the man with a sense of humor, & the man who showed courage in the face of his armed enemies. Such men were segregated from the sheeple, according to the Pentagon tapes I listened to in Air Force ROTC. This policy resulted in no escapes, & many deaths, for leaders were needed to tell the sheeple to get up & eat something! I later learned that 2 U.S. P.O.W.s did escape; one Black, one White, much to the consternation of FEDZOGUSA, which backed the Red Chinese, to whom it fed our dupes. In the State of Washington, gulag inmates receive kosher commie indoctrination courses, often mandatory, on behalf of Marxist dogma. Such a deal!

Amerizombies have been no different, as French observer Alexis de Tocqueville described on his visit to the USA in the early 1800s: Liberty + Conformity was what he noticed, as I recall. U.S. Goyim are programmed with Pavlovian Stop-Think dogmas, such as the Rothschild Freemasonic injunctions against talking about religion & politics. Now, I hear "conspiracy theory" whenever reality is discussed, such as Federal Reserve policies. Henry David Thoreau, as I recall, advised us to "Build better men," rather than "better buildings." I think he used the word "great," rather than "better," but I read Thoreau 50 years ago, so my memory is hazy. Thoreau & Veblen seem like soulmates for me, as I've come to know myself, with a wee dash of Mark Twain. Ha!

Yes, why didn't the mixed-breed president get a mixed-breed dog? Maybe he's a "secret Nazi." Yes, reality is so weird that I never needed LSD to make it so. Thanks for sending me a copy of RAGE. I'll let you know if I receive it.

"Gemeinde" means community, so "Gemeinhardt" as a name may mean "Firm Community." As you say, names have variations in spelling. "Gemein" means "common," much as used in English, as mutual or vulgar, so "Gemeinhardt" could mean "Firmly common." Sometimes, German names are not complimentary.

I see no guarantee of "historical inevitability" in regard to survival of the White Race, one way or another. The jew & his creatures are anti-Nature, so if they succeed, this planet may spin along without its population of "featherless bipeds," or our activities may cause a salubrious population crash, in which the fittest survive. Jews are not the "minority" they claim to be. If they were, they would not be so ubiquitous, nor so iniquitous. Whites are THE minority in Judeo-America, since they appear to suffer from Asiatic diseases which Whites in Britain don't, such as diabetes, obesity & heart disease, even though both populations are sedentary junk-food consumers. Jefferson wanted a mestizo "American Race," & it appears he succeeded, just as the Jesuits did in Latin America. In Brownest Yakima, I'm known as "The Old Gringo, so it's as if I were back in Mexico after all. I am definitely a visible minority here.

I recall White Rhodesians who inveighed against oncoming Black Marxist Misrule by saying when in their cups that "the White Man should take every artifact of civilization out of the country if he must leave. Imagine waking up to Black Misrule with one hell of a hang-over," as such Whites probably did. Take care. ORION!
