

3 JEWN 09

Hail Michael! Thanks for yours of 31 MAY 09. I enclose copies of the items you requested & your original of "Understanding the New Breed of Religious White Nationalist Prisoner." As I have mentioned over the years, I consider this mixture of Judaism, Christinsanity & Odinism to be an abomination, so I shall not be a hypocrite by reproducing this lie any longer. Religion is not Nationalism, for one is theology & the other biology, hence it is folly to insinuate any particular religion into Nationalism, in particular those of Afro-Semitic origins. Jews are biological products of genocide, i.e. adultery, according to their hematology, & Christ-eaters believe that "all nations" may become such by "conversion," as in the "conversion" of bread & wine into "the body & blood" of Jesus. Nation is a branch of Race, so mumbo-jumbo "conversions" are invalid. We have enough Eurasians posing as "Whites" on this continent, already. I see no point in Anglo-mestizos versus Hispano-mestizos on behalf of enriching the jew banksters. If "true-jews" want to battle "fake-jews," this is no White's affair nor concern.

I find it satirical that an "Odinist" would retain the name of the arch-race-mixer, Solomon, as did "Odinist" promoter "Christensen," whose ancestors adopted that judaic name upon their "conversion" from Odinism. How hypocritical! No, you shall not "serve two masters," so you can serve Yahweh/Jesus/Odin et al. OR White Nationalism, but you shall not insinuate kosher cults into racial politics, along with non-White "converts" to Aryan Nationhood. Nice try, but no cigar. On this basis, I consider you an honorary member of AZA, the anti-Zionist Alliance, like any good non-White, since you promote non-White beliefs in the name of White Nationalism.

You may therefore be assured of my continued collaboration, within my means, of tweaking ZOG's minions on your behalf, for part of White Nationalism is anti-Zionism. I'm somewhat amazed that you & your zoggies would be embroiled in a "14/88" controversy as the USS Titanic begins its inevitable descent down the toilet of history, on behalf of the Jew World Ordure. No, the USA is not ZOG, but it has been the tool of ZOG since before its felonious foundation by Rothschild agents in the 1700s. The USA has been the White man's Molech, in the service of Mammon's mafia banksters. We have nothing to be proud of. My letter to Joe refers. DOWZ!

VIV'AZA!

P.s.: As a spiritual jew I know you make use of deception, as Yahweh commands, but I'm not your shabez Goy dupe, for I work with any means available to achieve my goal, on behalf of Aryans, if only in this paper war. Now that you are a member in good standing of AZA, I use the above slogan, which means "Viva Aza." As you probably know, "viva," "aviva," &c. are used by Israelites. I don't know if the Hebrew words correspond to the Hispanic word, "viva," to mean "long live," but you love all things Hebrew, so you may know. We can also say "Arriba AZA," which means "up with AZA," as "aliya" means "up with Yahweh" or "up Yahweh's," according to taste.

La Voz de Aztlan featured a complete translation of The Protocols of the Learned Elders of Zion in Spanish & English. La Voz (The Voice) advocated a diamond (jew's best friend) boycott, to which I recommended a kosher tax protest. To my knowledge, I've not heard of any such anti-Zionist activism emanating from Our Side, save for the RNPA.

In the ongoing race war on this continent, non-Whites lump jews with Whites. This is good as long as Whites serve jews, but it also allows jews to infiltrate White groups, as with Jared Taylor's well-funded bunch. As I mentioned, jews claimed to be "White" in Rhodesia, until their kehilla officially admitted they were not, when they thought the truth convenient for their tactical purposes. All of a sudden, jews began to refer to us, sneeringly, as "you White people... Your day is finished." Since jews suffer from demonic discontent, they are never satisfied when they get what they want. Hence, the advent of Black Marxist Misrule in Africa prompted many jews to skedaddle, including Harry Oppenheimer, long a supporter of Black Marxist Misrule. The obvious reason was that jews aren't White, but they don't qualify as Black, unless they are Falashim or Lemba. Surprise! Of course, we should use our own good sense, rather than obey the jews' bad sense, but we must first shake off our pernicious kosher creeds & credulity. I know that's hard for guilt-ridden sheeple to do, but it merits the effort to become men, rather than sheep, as any jew could tell you, were you not a Goy. Ha!

I hope you may find reliable collaborators who at least know how to use 'snail-mail' within the jewdicial system, ZOG willing. I sometimes wonder where people went to school. My idea of helping out is not to load my problems onto those I'm helping, nor to let down those who depend on me. I just like to let them know upon whom they are depending. Yada yada Yahweh & Hi Yo Silver!
