The 1919 "Holocaust" of "6 million jews" was just as phony as the World War II Holohoax.

"Sch(w)indler's List"

A German view of this Zionist propaganda movie

The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN

(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within them reside the limitless possibilities for the advancement of the human race as naturally would reside in six million human beings. We may not be their keepers but we ought to be their helpers.

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessities of life; eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a bigoted lust for Jewish blood.

In this threatened holocaust of human life, forgotten are the niceties of philosophical distinction, forgotten are the differences of historical interpretation; and the determination to help the helpless, to shelter the homeless, to clothe the naked and to feed the hungry.

WHITTIER?

In all of us by the hand of God, and the man or woman who can, and will not, hear the cry of the starving; who can, and will not, take heed of the wail of the dying; who can, and will not, give a helping hand to those who are suffering.

Dear Members and Supporters:

As I am writing these lines, the anti-German propaganda movie *Schindler's List* has been in the theatres for 16 weeks. It is shown in 1,382 locations across the country, and has so far grossed \$74.7 million. Needless to say, the Jewish overlords are making every effort to promote this hate film, and everywhere, brainwashed teachers are taking their pupils to see it.

Have no fear though: I stick by my prior statement that almost everything the *Oberjuden* are doing now, including this stupid film and the numerous "Holocaust" museums and memorials, will backfire. (Just notice what is currently happening to the unrepairable relations between Blacks and Jews.)

To the left you will find an important *Zeitdokument* (document pertaining to our era). As you see, it is from the 31 October 1919-issue of an American Jewish magazine, and must therefore be true. Please notice that Gov. Gwynn spoke already then of "6 million" and a "holocaust". This information was discovered by the Polish Historical Society, 91 Strawberry Hill Ave. Stamford, CN 06902

GANPAC is the *only* organization politically defending and representing the interests of the 60 million Americans who have declared themselves "German-Americans", this nation's largest ethnic group. It is GANPAC's aim to fight the constant defamation of all things German by the American newsmedia, to inform the American public of the great contributions by the German-Americans and Germans to the growth and well-being of this nation, and to help build a better society for all.

The GANPAC BRIEF appears monthly. Subscription/donation rates are \$50 per annum (\$25 for students and Social Security recipients - U.S. addresses only.) Back issues are available. Write for list.

12 JUN 09

Hail Joe! Thanks for your poem & letter of 7 JUN 09. The poem I shall forward to THOR INK , in hopes they will publish it.

I've only read of Skrewdriver. My experience with so-called White Rock bands has been painful to my ears, rather than inspiring to my psyche. I attended one such performance in Toronto by George Burdi alias "Reverend Eric Hawthorne" of the COTC, who founded Resistance Records. After a ZOG raid, Burdi joined a Black group, & RAHOWAs no more. Skinheads don't last long, at least not outside prison. After you graduate from the ZOG-gulag, I hope you can avoid returning to same. Life on the outside will be more difficult than ever, in view of the Judeo-American economy, which is being looted by the same tribe as looted their former Soviet Jewnion. The parallels are so obvious that Amerigoyim cannot see them. We even bleed to death for ZOG & China on the same spot as our Soviet predecessors: Afghanistan. There are no big secrets, for they are in plain sight.

Yes, ZOG moves in mysterious ways its mischief to perform, so your sudden move is no surprise. My knowledge of "The Transfer Agreement" is based on my memory of reading the book by a young jew named Black. ZOG suppresses 'inconvenient' books by withdrawing them from circulation & holocausting them in a Canadian book crematory in Gravenhurst, Ontario, from whence I rescued my copy of "The Transfer Agreement," as well as "The Magic of Obelisks" by Peter Tompkins, a satanic Freemason. What the Goyim did with their copies which I gave them, I do not know. I left my copies in Toronto, for I had to travel light. Travel is the death of libraries. When I was broke & jobless in Brownest Yakima, I sold several good books to a local bookdealer. When I earned enough zogbucks to buy them back, they were gone. Jews routinely inspect 2nd hand bookstores for gems of wisdom, which must be denied the Goyim, as the Morlocks did to the Eloi in Wells' "The Time Machine." Sometimes fiction is truth in disguise, as in "1984" & "Fahrenheit 451." The essence of "The Transfer Agreement" is the collaboration between jews & Nazis to break the Zionist economic blockade of wartime & prewar Germany. When one looks at records of the time, one finds more Nazi-Zionist collaboration than 'persecution' of the precious sheenies. What jews claim as "persecution" & "genocide" was really protection. The Zionist Allies of World War II bombed German cities, but not labor & internment camps for jews. In fact, the closest Sabina Citron, head of The Canadian Holocaust Remembrance Association, came to dying in German custody was when their Red Cross train was strafed by Allied aircraft enroute to Berlin, as she testified under oath in Toronto. Another source is Israeli: "Adolf Hitler, Founder of Israel," by jew author Kardel. Jewish involvement on behalf of National Socialism was apparently rife in "Nazi" Germany. Approximately 150,000 soldiers of jewish descent fought in Hitler's Wehrmacht, & I've actually met 2 of them. A Communist jew, Josef Ginsburg, testified to "Zion-Nazi" collaboration before & during World War II. If "all" jews were to be "gassed" in German jurisdiction, how come a 1944 Berlin telephone directory listed jewish organizations? If Germans were "exterminating" jews, why did those jews who could walk leave Auschwitz, voluntarily, with the retreating Germans, to escape "our gallant Soviet Allies?" A French member of the SS Charlemagne Division told me that he helped defend Berlin from the Soviet invaders, along with Berlin jews, who wore their yellow stars of David as they helped him dig anti-tank ditches. But how could they dig, if they had been "gassed?"

As a White born in the USA, I ask jew "survivors" of "The Holocaust" what they did FOR the Nazis, to have "survived" for years in Nazi custody. Allied sources reveal that the jews made uniforms, counterfeit money & secret weapons for the Nazis during the war. Eventually, the jews will tell of their "slavery" in "American captivity." They always claim they were 'persecuted' by their former hosts, so never look to the jews for gratitude. Beware of those who cry as they lie! Jews claim that 6 million "died" & over 5 million "survived" the "Holocaust."

As for Black racism, their chief prop is their belief that all their faults are solely due to Whites. Black slavery existed before Whites came to Africa, & continues today, as people are bought & sold by others. The first slaves in Judeo-America were White. Some of my relatives, the Thomsons, were brought to America in chains, as revealed on the Internet, under genealogy. Black slaves were brought in via jew slavetraders, as luxury items, for Whites often were obtained for nothing. See "They were White & they were slaves" by Michael A. Hoffman. If Blacks are so 'superior' why do they bother to hang around "White devils," instead of going to their African homeland? I understand that Ghana awards citizenship to all Black "returnees," as does Israel to jews, who are also dual citizens, according to their "Law of Return," regardless of their country of birth. Goyim are taught to equate Nation with Place, but Nation = People, not real estate, as jews & Blacks well know. Thanks for S.P.'s address. All the best. ORION!

Eric
