**A Holocaust denier living in Adelaide has been sentenced to three months in jail after being found guilty of 24 charges of contempt.**

It has been seven years since Fredrick Toben was ordered not to publish material vilifying Jewish people on his website.

In 2007 he apologised for breaching the orders and said he would comply.

Last month, Justice Bruce Lander found that since giving that undertaking Toben has disobeyed the ruling a further 24 times.

Justice Lander today ordered the 65-year-old be imprisoned for three months.

He said Toben's behaviour had been calculated and that subsequent apologies were not genuine, but aimed at limiting his penalty.

Toben has not been taken into custody yet and Judge Lander has given him 14 days to lodge an appeal.

Outside court Toben said he had been ready to go to jail.

"I am quite prepared to sacrifice my physical comforts for the sake of free expression," he said.

"The essence of this court case is saving free expression."

The Federal Court case was brought by a senior member of Australia's Jewish community, Jeremy Jones.

He says there have been a number of complaints lodged under the same law.

"Everybody else who has had a finding from this has said 'Yes, we understand the law and we will obey the law.' They might not like to and they've suffered no further consequences," he said.

"It's only because after judgments have come at a number of levels that Fredrick Toben has for whatever reason made a decision not to obey those judgments that he's facing any consequences."

12 JUN 09. Dear Claude: Many thanks for your great parcel of information. A British poster summed up our present status: "The banksters steal & the government lies." This situation continues, since the Goyim do nothing, & they don't wish to comprehend it. Their delusions are too 'precious'.

On [www.rense.com](http://www.rense.com) such headlines have appeared: "German Patriots Turn Selves in for 'Holocaust Doubting';" "11 Million Germans were Murdered after World War II;" "Gross Fraud at Nuremberg--An Ugly History." I shall send copies in due course.

Impact arrived with the latest news & insights omitted by our jewsmedia. Much appreciated!

A blightwinger named James von Brunn, of whom I've heard very little, waged his 2nd armed assault on a ZOG facility. The first was his attempt to kidnap Federal Reserve mobsters, for which he served time in the ZOG-gulag. On 10 JUN 09 he assaulted the Holohoax Museum in The District of Corruption, killing one Black guard & being severely wounded by others. Thus he lies in hospital, at age 88, charged with murder, "hate crimes" & "depriving people of their civil rights."

One ZOG source alleges that von Brunn's writings reveal his "long relationship with Willis Carto." Clearly, ZOG's net has been cast, so one wonders who else will be pulled in as the result of von Brunn's act of "useful idiocy." We know blightwingers can act, but when will they start to think?

Today's Yakima Herald-Republic featured big articles & an editorial on the 'importance' of the Holohoax Museum, "Rising racial extremism," & the "act of kindness" performed by the Black who held the door open for his aged killer. If blightwingers could think, they might switch off their egos long enough to ask "Who benefits?" from their intended acts. Ego, lust & greed are poor counsellors. Zud knows, or should know.

So far, ZOG has used violence & incarceration to suppress "Holocaust-Denial." But now, sheeple see Holocaust-deniers as violent murderers. Jewsmedia programs link historical revisionists with Al Qaida & "terrorism," rather than Victims of Zion. Hence, the jews get to persecute Goyim, & also enjoy their professional 'victimhood.' Such a deal! Thus, what von Brunn did, he did for the jews' benefit, whatever the contortions of his blightwing brain. We know the Zionists don't like our remaining freedom of speech in the Jew-nited States, but it now appears that we have given them a pretext to suppress what remains on the grounds of "terrorism," "racial extremism," & "anti-Semitism" (sic). Aren't we 'good' Goyim? How the jews must love us, when we do their jobs for nothing.

A professor of mine said that "there are no big secrets." Consider the ongoing looting & destruction of the U.S. economy, & its military, by the same tribe of jew-banksters as looted their former USSR, in the same place: Afghanistan! The USA 'showed' the French the 'proper' policy in Indochina. Now we shall show the Russians the 'proper' role in Afghanistan. If we survive that, we may show the Japanese the 'proper' way to commit hari kari. As we bleed to death in the sands of the Middle East, on behalf of jew banksters & Israeli gangsters, the jews' new hosts, China, watch us in wonder & amusement. Now they know that "round-eyed devils" are indeed crazy.

All the best. ORION!
