

# The American Genocide Machine

## The Murderer of the White Race

Write this in the stars  
and chisel it in stone:

*"America's police and  
military powers, along with  
her media, industry, religion  
and finance are the agents used  
to mix, overrun and exterminate  
the White race."*

101st Airborne at Central High School in Little Rock, Arkansas, 24 Sept. 1957

- 1) Only 8% of the earth's population is White, and only 2% is White female of child-bearing age or younger.
- 2) The inevitable result of integration for the White race is genocide, as has been proven throughout history. Forced or encouraged racial integration is deliberate, malicious genocide!
- 3) The 101st Airborne used bayonets to integrate America's schools. That is genocide!
- 4) Under Federal edicts the police beat the White mothers of South Boston into bloody submission when they protested forced integration of their schools. That is genocide!
- 5) America denies the White race its own nations, schools, neighborhoods, organizations, religions, history and everything necessary for racial survival. That is genocide!
- 6) Open-border policies have diluted and destroyed the European racial and cultural heritage of White America. That is genocide!
- 7) Federal "Affirmative Action" programs have legally enforced discrimination against White Americans in employment and education, denying Whites the ability to afford having families. That is genocide!
- 8) Federal assassins travelled to a secluded mountain in Idaho to murder a 14 year old boy and a mother of four children just because they were White and wanted to live among their own kind. This is one of countless examples. That is genocide!
- 9) Federal laws deny employment to Whites who will not promote race-mixing programs. That is genocide!
- 10) The American media and Hollywood film industry promote inter-racialism unceasingly to attain the "New World Order" political agenda. That is genocide!
- 11) America's "justice system" frames or assassinates any White who effectively fights the judeo-christian, judeo-american murder of the White race. That is genocide!
- 12) America's military was used to destroy the racial gene pool of our ancient European homeland, first by war, then by fifty years of occupation by colored American troops. That is genocide!
- 13) The White race has lost over 100 million of its finest in America's fratricidal and no-win wars of the 20th century, while advancing the agenda of international finance. That is genocide!
- 14) Judeo-christianity, the fundamental religion of America, is a universalist, anti-nature, alien, slave religion imposed by force on Whites for 2000 years. That is genocide!

*Absolute, incomprehensible evil, thy name is Federal,  
thy name is AMERICA!*

Dear Tom: Many thanks for yours of 30 'Jewn' 09. Yes, Judeo-imperialism is dysgenic. The Romans selected their tallest & fittest men for their legions. Over generations, the Roman soldiers became shorter. The Germans were not 'civilized,' however, so their combat was one on one. Thus, the tallest & fittest survived & reproduced. Hence, civilized warfare is dysgenic, for the best are sacrificed on behalf of the worst, morally & physically. I was impressed by Vice President Biden standing behind "American" troops, none of whom were White, & all of whom appeared to be 2 feet shorter than Biden. The Spartans made sure that their fittest had children before they went into battle, whereas our Judeo-American empire does the opposite: The best continue to be wasted in jew-bankster wars, leaving the worst to reproduce. I'm sure jewsmedia pundits can find a kosher euphemism for racial suicide as they did for the AIDS death memorial dubbed "The Quilt of Life." Hence, those Vietnam vets I know who are wasting away from Agent Orange could be said to be "living with Agent Orange," rather than dying of it, as they do, in fact. Goyim 'must' heed the symbol, not the substance. The jew has spoken. Another euphemism for LIE is "symbolic truth." Obviously, the Six Million Sheenie Gassees of the Holohoax are symbolic, for the number has remained since 1919, regardless of time, circumstances & major subtractions. Of course, "6 million" is a paltry claim as compared with the "4 billion" sacred sheenies allegedly slain by the Romans at the siege of Bar Koziba. According to archeologists, the besieged town could have contained barely ten thousand, provided they stood closely-packed, & were very small people. Jews are highly compressible, as when they claimed that "250 jews" could fill a boxcar rated for "40 infantrymen OR 8 horses." In addition, the jews also carried their pianos & steamer trunks, & if you can believe such fables, I think I can sell you a historic bridge in Brooklyn at a very low price. The Holohoax racket is much more profitable, like selling The Brooklyn Bridge at least a million times over.

It appears that the Jew World Ordure is embarked on constructing a new version of The Tower of Babel, of dysgenic diversity & political perversity. Such a deal! It seems true that people, i.e. sheeple do get the government they deserve. Our failure, so far, to replace our Zionist Occupation Government with a eugenic regime indicates our unworthiness to be saved by some deus ex machina, for "Zeus helps those who help themselves."

Indeed, the anti-White racism evident in the Obama regime may serve to justify the curtailment of support for Judeo-America's aging White population. Members of La Raza indicate in many ways their hatred of "old Gringos" who are depriving the spic invaders of their welfare & living space. A mass-culling of such "useless eaters" is already evident via the Judeo-pharma racket, but this program is not restricted to aging, ailing Whites, who are now Judeo-America's visible minority. As you observe, Whites have little or no concept of natural biological interdependence of man & soil; man & his progeny; man & his future. This is because Whites live in a jew-daze fostered by jew cults which preach infinite numbers on a finite planet, & which emphasize profit-making at the deadly price of depletion & pollution of all things which sustain us.

The jews, i.e. parasites are skilled at infiltrating & exploiting their host peoples, but we must understand that these parasites always kill their hosts, so they must always seek new hosts, such as the Chinese. A good film on jew infiltration/exploitation tactics was "The Kremlin Letter," in which spies (played by jews) infiltrate Red Russia via prostitution, perversion, blackmail, drugs & burglary, hitting the society from the bottom (the criminal underworld) & the top (members of the Politburo). When we consider the influence of the jewsmedia in our society, we understand that the film barely addressed the tip of the "Goldberg."

Yes, unfortunately, the jews make use of our strength after conquering us because of our weakness. Hence, the weaker we become as the result of jew exploitation, the greater is the possibility of crisis, which is comprised of danger + opportunity, according to Chinese script. There is no guarantee that the danger of the crisis will not outweigh the benefits of the opportunities, but, some chance is better than no chance, no matter how slim. Our refusal to take the chance means that we have no hope. On the brighter side, we may thus declare our situation to be "hopeless, but not serious." Marx claimed that "Tragedy repeated becomes comedy," as I recall, provided that one views another's misfortune as 'funny.' I do not & I never have, although I think I have a sense of humor, which is the next best thing to insanity, if one should take life too seriously. Maybe I never did, because I try to learn, to instruct, to warn, but not complain. Strength through Joy! DOWZ! ORION!
