

8-8-09

Hail Braxton! Many thanks for yours of 3 AUG 09, that date of the postmark. Yes, I was intrigued by the lack of postmark & return address on your previous letter, since I did not know who sent it, from where nor when. I'm on the lookout for terrorist advocacy mail from Hasidic Harold Covington, since I don't want any ZOGlinks to him. You may know that two of these "Let's go kill 'em" advocates are in jail for what they urged others to do: Messrs. White & Turner, both of whom are said to be jews. Thus return addresses are appreciated. A ZOG agent gets others into trouble by advocating trouble for others. If the listener or correspondent doesn't denounce the violence advocate to the ZOG, he is punished for NOT doing so by ZOG. This form of entrapment has existed for at least a century in the Jew Ass Eh, & was done most recently in the case of the "Liberty City 7" Blacks who listened to an FBI agent provocateur who told them he was "Al Qaida" & proposed some things "which should be done." The Blacks wanted money, so they pretended to go along. Since they did not turn the zoggie into the ZOG, they were abducted (arrested without charge), incarcerated & tortured. They may have been charged, by now, with "terrorist co-conspiracy," &c., & they may even be fit to stand trial, but I've heard nothing more from jewsmedia nor Internet in regard to the case. I understand from the jewsmedia that a U.S. citizen named Padilla was alleged to speak about a "dirty bomb," so he was given the same torture treatment, & now has been deemed unfit to stand trial, since the zoggies' torture techniques have made him insane. Former president Bush promised that such things would not be done to U.S. citizens.

Wayne MacLeod of Vancouver alias Hongcouver, British Columbia, Canada alias China-duh was proposing & promoting a variant of Pierce's "Cosmotheism," allegedly on behalf of White survival. Since White Survival is forbidden in Soviet Canuckistan, Wayne has backtracked from his previous position on "The Importance of Race in Civilization," the title of his book & the reason I contacted him originally. He is now anti-White Nationalist, so we have nothing more to discuss.

Yes, all of us have lots to learn. Your credo of Us versus Them is in perfect conformity with reality. I agree with you 100%, for I've been in the same position since childhood. A warrior must know himself & his enemy. Imagine a lone fighter faced by an army out to enslave him or slay him. Imagine being asleep & waking up to discover that you are now in the camp of the enemy. Do you become "an army of one," to use current ZOG propaganda, or do you learn what you can about the enemy so you can best defeat him when the time & opportunity come? Our great Aryan Hero, Hermann, defeated Varus' legions in the Teutoberger Forest AFTER he'd served in the Roman slave-army. He learned to use Roman tactics against them, by causing the legions to be strung out & thus vulnerable to savage, one-on-one German tribal tactics. Hermann won & Rome retreated, only to return in religious form via corrupt rulers. Thus, war is physical & mental: "Government exists in the minds of the governed."

Roman emperor Constantine was able to militarize the normally defeatist & pacifist sect known as Christianity on behalf of his empire of the east, & so, Christian Western Rome battled Christian Eastern Rome from then, onto the present. Judeo-Christianity is itself a con & a contradiction, a pie in the sky Ponzi scam, so why not have "military pacifists" as well? Absurdity is a form of mind-control, & it works, unless one's critical faculties remain intact through all the hebraic hypnosis. Since most "Goyim" (Gentiles) are sheeple anyway, most become compliant zombies of the ZOG in their era. My credo is that tyranny begins in the mind, & so must freedom, since people think or believe before they act. I therefore seek allies by informing others so they may view things in their interests, rather than ZOG interests, with full knowledge of who benefits. "Is this good for Whites?" must be our eternal question.

Wise men throughout history have known that women think differently. My father advised me not to waste time discussing politics with women. "Tell them what they like & take what you want," was his creed. As Mark Twain wrote: "The older I become, the wiser becomes my father." Women are attracted by presence, rather than by words & reason. Hitler saw the people as "feminine" in attitude, who respond to emanations of power. Rockefeller thug Kissinger said that he attracted women because of his power, rather than his looks, being a typically ugly jew! I voted for Nixon in 1960, because he seemed to make more sense than did 'pretty-boy' John F. Kennedy, which is typical male bias on my part. Women crooned & swooned over JFK, who was murdered for doing something right, toward our independence from the Federal Reserve Racket that enslaves us more & more each day. Under Johnson, the USA began its present economic, demographic & political nosedive. The 1965 immigration liberalization was the major cause of our non-White invasion, under Johnson's administration. Of course, all our presidents have been puppets, to some degree, of special interests, rather than the majority's.

2)

Andrew Jackson's presidency seems to be an exception. Usually, pro-American presidents are killed in office, usually by jewish interests involving money-control & Americanism, rather than judeo-imperialism. The jew, Teddy Roosevelt, created a 'macho' image on behalf of imperialism alias Rothschild bankster policies, worldwide. Teddy's treason has been concealed by the jewsmedia, but "The Little War of Private Post" is a good insight into the war hysteria of that time, directed against Spain. Young dumb Goyim were told that "This may be the last war, boys, so get in while you can!" Yes, young men are attracted to war & foreign adventures, especially when there is jewsmedia-instilled popular sentiment in favor of it. I craved foreign travel on my own, without 'benefit' of military servitude.

My advice re women is to be nice without **sacrifice** of your beliefs. If she insists that you change your beliefs in order to please her, she is the enemy. There is nothing to gain by betraying yourself: "For one pleasure, a thousand pains," as the old saying goes. The book of Esther is a kosher fable of a 'holy whore' who turns a Gentile ruler against his own Folk, on behalf of the jew parasites. It's a fable, for no Persian ruler of that name existed, but it serves as a recipe for jewish behavior, with hoped for results. I've seen it work in real life. But the Goyim will not learn.

I agree that Blacks may be older than Whites, as are chimpanzees also our seniors, so Whites are higher on the evolutionary scale than are Blacks & chimps. At least some of us try to be! Your retort to them was right on target. If Whites should breed with Blacks, then they should breed with chimps, provided the chimps allow it. Yes, those who have great achievements don't need to write books to convince others about themselves. The absurdity is: If Blacks are so superior to Whites, why do they put up with us? They could return to Africa & enjoy the company & culture of their fellow 'godlike' beings. Yassuh! Louis Farrakhan is a good speaker. His criticism of Whites is basically our criticism of jews, & he is justified as long as Whites **serve** jews. I saw him break into tears when he described the enormous losses of World War I which were instigated by jew banksters. If we had a White leader who could speak like Farrakhan, we might be well ahead of the game, because he speaks with assurance & sincerity. Black, White & other racial nationalists should unite in The Anti-Zionist Alliance, in our own interests, rather than fighting each other on behalf of the jews. That's something I've learned from the ZOG, our eternal enemy. Even the Romans called jews "the enemy of mankind." How quickly we forget.

I agree that the jews' new hosts, the Chinese, work to eliminate Moslems, but I don't believe they would ever want to destroy Earth, since they want to inhabit & exploit all of it. And we are helping them get it, under our jew masters.

I look forward to "The Pale Horse," whenever you care to send it, with your name boldly thereon. I certainly wouldn't want to reduce its value by removing it.

Yes, there is ample evidence which points to ZOG's creation of the HIV (AIDS) virus. In "Deadly Allies," the USA & Britain worked to make deadly animal diseases mutate so as to be deadly to humans. With AIDS they succeeded, according to Doctors Cantwell, Strecker & Douglass. Douglass examined the AIDS virus under an electron microscope, & he wrote that it appears to be a version of the ovine visna virus alias sheep AIDS. Cantwell wrote that AIDS was promoted by a jew doctor Szmunn from Communist Poland who infested the Jew York medical authority. He purposely contaminated a hepatitis C vaccine with AIDS for use in the homo communities of major U.S. cities. The World Health Organization brought AIDS to Africa with contaminated smallpox vaccine, according to Cantwell. Yes, I've corresponded with Dr. Cantwell. I can't correspond with Dr. Strecker because he was killed. ZOG is well into biowarfare in addition to AIDS. There is also good evidence that ZOG used bioweaponry against U.S. troops in the first Gulf War against Saddam Hussein under Bush the First, thus making "Gulf War Syndrome" a fact. Under ZOG, we are all biowarfare guinea pigs, so "Enjoy!" as jews say.

I'm not surprised that homos would troll the ZOG-gulags for male recruits, especially on behalf of jew-cults like the Unitarians, which <sup>were</sup> founded & funded by Jacob Schiff, as I seem to recall. I'm all in favor of non-White "gays," as long as they keep their distance. Schiff was the jew bankster who primarily funded the Bolsheviks in Russia. Esperanto is the commie-favored language going back to the 1930s. I understand that there is another called Interlingua. Wayne MacLeod apparently favors Esperanto, a language with no literature & no ethnic base. Why do this, when English is the world's business language, soon to be replaced by Mandarin, ZOG willing?

It's funny that you are censored by your anti-White cousin, rather than your gulag zoggies who censor most information, so as to keep it kosher. Whites' worst enemies are often those

3)

closest to us, including those whom we let get too close. I'll see what booklists I can find for you, ZOG willing. It's in accordance with The Law of the Contrary that your cousin who is free to obtain books of all sorts is not interested in them, while you want to have them, but can't even get the booklists advertising them. You're lucky to be in Pontiac!

I could try to send you "Mein Kampf," page by page, but it's really long, so there are other items of current importance which I should send you within my postage budget. Sorry! Hitler described his life & that of The Party in his times, with his jews & his Germans. We live with our jews, but with no White Unity to speak of. This makes our destruction that much easier for the jews. Lack of unity was what made it easy for the British agents of the jewish empire to conquer India, whose diversity was its weakness, as ours will be for the Chinese of the Jew World Ordure, exactly as planned by ZOG.

"The Scarlet Letter" is, I understand, the letter "A" which was branded on unfaithful men & women who had sex outside of marriage. "A" stands for "adultery," but adultery is really race-mixing, so the Judeo-Christians are wrong on that count, as usual. Sex outside of marriage is also called "fornication," & it is covered by the commandment not to covet another's property, which included his wife or wives. Hence, Christ-eaters' use of "adultery" is misleading, exactly as planned. I recommend "The Purloined Letter," a great short story by Poe, in which an incriminating letter "vanishes." Poe's detective character was at least as good as Sherlock Holmes. I think his name was Dupin, if I recall correctly. Poe also wrote "The Gold Bug," an adventure in code-breaking on behalf of pirate treasure.

A DNA test would reveal if one has any Afro-asiatic blood, for race does not = place. A jew born in Scotland does not thereby become a Scot, although he may claim to be. Jews say "he was born in Scotland," Poland, &c. as a code to say he's a jew. Jews correctly go by race, not place, unlike us dumb Goyim. What is taught to us by jews such as Boas is usually untrue, for lying to us is their job & their mitzvah or holy duty.

On the pro-White female front, I recommend you contact Tina Higgins of Aryan Syndicate for information. Otherwise, I know of no such females. The rowdies tend to be druggies, as well as race-mixers who sell sex for drugs. No way, Jose. A. Syndicate's address is P.O. Box 592, Syracuse, NY 13206-0592. Good luck!

Many, if not most, biker groups are kosher, with jew members. They are well-known for dealing in drugs, weapons & whores, all jew trades, so beware. I haven't "just read about it," for I know & knew such people in USA & Canada, over the decades. Real bikers tend to be loners, like my Dad & friends of mine who actually spend lots of time riding their motorcycles on roadtrips, rather than wearing biker-garb in bars, as most do. I've ridden my Dad's Harleys & the Vincent Black Shadow he used to have, which was very hard to start, as I recall, but it had a very smooth ride, once you got it going. He got rid of it for another Harley, because the Brit electrical system shorted out & made it a road hazard at night. Dad loved motorcycles because they were the nearest thing to flying in an open cockpit airplane, which he'd always wanted to do. Heavy traffic on roads & streets finally made him quit riding, because motorists behaved as if they didn't see him. Friends of mine involved in bike-auto collisions have said the same thing. I notice that mestizo motorists "don't see" pedestrians, especially Gringo pedestrians, unless they shoot at them. They also seem not to see oncoming vehicles, judging by the spic headons in the local newspapers.

Thanks for the good cartoon work.

For warriors, the Roman motto was "Train hard; fight easy." Modern warriors must have skills & knowledge, for muscles & clubs don't stand much chance against missiles & mind-manipulation. We also need allies who have common enemies, if not common interests, as in AZA, The Anti-Zionist (jew supremacist) Alliance. As you say, we have so much to learn. That is why we should learn in bite-size portions, rather than attempt to gobble the whole, as long as those portions do not divert us from learning The Big Picture. Knowing how to prioritize knowledge is a major asset in political (people-power) thinking. One cannot learn important things by skimming, for the information contained in such things as The Protocols is highly-concentrated, & bears consideration, for proper understanding & efficient application.

Yours in The Struggle. ORION!

## NEW WORLD ORDER PLEDGED TO JEWS

Arthur Greenwood of British  
War Cabinet Sends Message  
of Assurance Here

### RIGHTING OF WRONGS SEEN

English Rabbi Delivers to Dr.  
S. S. Wise New Statement  
on Question After War

In the first public declaration on the Jewish question since the outbreak of the war, Arthur Greenwood, member without portfolio in the British War Cabinet, assured the Jews of the United States that when victory was achieved an effort would be made to found a new world order based on the ideals of "justice and peace."

Mr. Greenwood, who is Deputy Leader of the British Labor party, declared that in the new world the "conscience of civilized humanity would demand that the wrongs suffered by the Jewish people in so many countries should be righted." He added that after the war an opportunity would be given to Jews everywhere to make a "distinctive and constructive contribution" in the rebuilding of the world.

The message was delivered last week to Dr. Stephen S. Wise, chairman of the executive committee of the World Jewish Congress, by Rabbi Maurice L. Perlzweig, chairman of the British section of the congress. Rabbi Perlzweig arrived from England Monday evening.

#### Intention to Right Wrongs

Comparing the statement with the Balfour Declaration of 1917, Dr. Wise declared that in a sense it had "wider and farther reaching implications," as it dealt with the status of Jews throughout the world. He said that Mr. Greenwood's message could be interpreted as a statement of England's firm intention to help right the wrongs

which Jews have suffered and continue to suffer today because of Hitler's "disorder and lawlessness."

Mr. Greenwood, sending the Jews of America a message of "encouragement and warm good wishes," wrote:

"The tragic fate of the Jewish victims of Nazi tyranny has, as you know, filled us with a deep emotion. The speeches of responsible statesmen in Parliament and at the League of Nations during the last seven years have reflected the horror with which the people of this country have viewed the Nazi relapse into barbarism."

"The British Government sought again to secure some amelioration of the lot of persecuted Jewry both in Germany itself and in the countries which were infected by the Nazi doctrine of racial hatred. Today the same sinister power which has trampled on its own defenseless minorities, and by fraud and force has temporarily robbed many small peoples of their independence, has challenged the last stronghold of liberty in Europe."

#### New World Order Forecast

"When we have achieved victory, as we assuredly shall, the nations will have the opportunity of establishing a new world order based on the ideals of justice and peace. In such a world it is our confident hope that the conscience of civilized humanity would demand that the wrongs suffered by the Jewish people in so many countries should be righted."

"In the rebuilding of civilized society after the war, there should and will be a real opportunity for Jews everywhere to make a distinctive and constructive contribution; and all men of good-will must assuredly hope that in new Europe the Jewish people, in whatever country they may live, will have freedom and full equality before the law with every other citizen."

In an interview at the Hotel Astor, Rabbi Perlzweig declared he was certain Mr. Greenwood "speaks for England." There is a clear realization, he added, that freedom and emancipation for the Jewish people are tied up with emancipation and freedom for people everywhere. The message, Rabbi Perlzweig remarked, was the subject of earnest consideration by the British Government.

"This is a declaration in behalf of the whole world," he observed. "Here the British Government expresses clearly what it hopes will take place after the war is won."
