

TVO revisionism?

# Control of monetary policy was the impetus for American revolution

After watching six hours of TVO's recent airing of "Liberty" (an expensive American production purporting to explain the reasons and history of the American War of Independence), I am driven to ask if this TV fare was an indication of TVO's participation in the Revisionist Movement or simply a careless and uncritical acquisition?

Frankly, nobody gives a damn what nonsense the media promulgates in the US but for TVO (unwittingly or otherwise) to participate in this propaganda is, in the name of historical accuracy, shameful!

But, one might ask, what about all those History academics who lent their faces and names to the production? Courtesy demands that the obvious answer be set aside.

Canadian school children, or Canadians in general, were they to be asked to explain the origins of the War of Independence, (if they were listening to their teachers) would doubtlessly respond with, "It was a case of taxation without representation, brought to a head with the Boston Tea Party." Charming, of course, but essentially false, and should be filed along with that silly Cherry Tree incident.

To get to the nub of this historic event we must cite the first clue which can be found in the words of one Benjamin Franklin (1706-1790). Right, he was the guy

with the kite and the bolt of lightning; but he was also an American statesman, diplomat, author and inventor who helped draft the Declaration of Independence.

Around the time of the Treaty of Paris, 1763, Franklin, who was visiting England, was asked to explain why the colonies were so prosperous, to which he replied:

"That is simple. It is only because in the colonies we issue our own money. It is called 'Colonial Scrip' and we issue it in the proper proportion to the demands of trade and industry." (See Senate Document #23, Page 98, by Robert L. Owen, former Chairman, Committee on Banking and Currency, United States Senate.)

Owen writes: "It was not very long until this information was brought to the attention of the Rothchild's Bank, and they saw that here was a nation ready to be exploited; here was a nation setting up an example that they could issue their own money instead of the money coming through the Banks.

"The Rothchild's Bank caused a bill to be introduced in the English Parliament, therefore, which provided that no colony of England could issue its own money. They had to use English money. Consequently the colonies were compelled to discard their 'Scrip' and mortgage

themselves to the Bank of England (i.e., the Bullion Brokers) to get money. For the first time in the history of the United States our money began to be based on debt.

"Benjamin Franklin stated in one year from that date the streets of the colonies were filled with the unemployed because when England exchanged with them, she gave them only half as many units in payment in borrowed money from the Rothchilds as they had in 'Scrip'. In other words, their circulating medium was reduced 50% and everyone became unemployed according to Benjamin Franklin's own statement."

Continuing the quote from Senate Document #23: "Mr. Franklin went further than that. He said that this was the original cause of the Revolutionary War. In his own language: The other matters had it not been that England took away from the colonies their money which created unemployment and dissatisfaction."

Finally, the six-episode document, along with a few intonations by the voice of American conservatism, George Will, ended with that seemingly irrepressible falsehood: "The Revolution (the creation of the U.S.A.) was caused by a tax dispute with the British."

Hail Jacob! Thanks for your letter of 18 FEB 10. Your statements are most relevant in terms of the context in which we live, which makes our deeds or lack thereof pertinent to ourselves & to Our Folk. Your points arrived in a very timely manner, since the jewsmedia are putting their 'spin' on the Kamikaze Tax Protestor, Joseph Stack, whom they are attempting to link with "White supremacists." As I gather from Black supremacist Louis Farrakhan, who dislikes our Zionist Occupation Government, the media jews could just as well claim that Stack had links to Black supremacist groups.

Of course, Zionists are jew supremacists, so we should consider the role of the IRS as a branch of ZOG, which is run for Zionist banksters & their state of Israel. In 1913, in a evening session around Yuletide, CONgress passed 2 acts of treason which subverted U.S. sovereignty: The Federal Reserve Act & The Income Tax Act. By allowing jews to create our money & charge us interest on every dollar they allowed us to print, debt-based money required funding greater than the dollars printed. This was the justification for our present tax system. Therefore, any attack on The Federal Reserve Racket & the Income Tax is "anti-jewish," & thus a "hatecrime." But can we say that such acts are only the purview of "White supremacists?"

The Goyim (Gentiles) who resisted imposition of jew money in 1776, with its interest-slavery & abuses of inflation & deflation, suffered poverty & unemployment similar to that of 1929-1939 & the present, which is only beginning! I've attended "Tea Parties" locally at which I've spoken briefly on this subject to mainly mestizo (Eurasian) audiences, under Freemasonic supervision. I suspect that the jews' bankster stooges, the Freemasons, instigated these Tea Party protests, so as to assess the anger of the Goyim, & to make note of any with leadership potential. The last Tea Party I attended had no 'open mike' opportunities for speakers from the attendees, but had a kosher prepared program of speakers instead, so as to control the subject matter, of which no mention was made of The Federal Reserve that I can recall. As usual, Christ-eaters spoke on the lack of 'godliness.' Clearly, we have offended The Great Pumpkin, so our human sufferings have no basis in human causes! In brief: B.S.

It is notable that the jews are selective in their assignment of linkage to violent acts. Brunn & Stack werelinked to "White supremacists." In the case of Brunn, there may be evidence of his sympathies for the White Cause, or his alleged sympathies, but I see no such linkage in Stack's case. I notice that the jewish linkage was omitted by the jewsmedia in the identities of the 2 Columbine High School shooters, & no linkage was made in the case of the Chinese shooter of Virginia Tech. to Asian supremacist groups. Neither were the 2 Black snipers linked to Black supremacists, as I gathered, but an Ostensible White who offends ZOG is alleged to sympathize with "White supremacists." Why not with Al Qaeda supremacists?

Gentiles need to know that Zionists (jew supremacists) are definitely a hate group, & jews who claim Gentiles to be "two-legged cattle without souls" are also "haters." When a jew points a finger at a Gentile, the jew points 3 fingers back at himself.

Eustace Mullins, now deceased, spoke about Propaganda, as addressed by two 20th century writers. Their conclusion was that "Who controls the media controls the minds of the masses." Our first step toward freedom is our understanding of who controls the media of information, 'edjewcation' & entertainment. When we recognize enemy propaganda, we will learn how to deal with it. The Internet has made great inroads against the power of the jewsmedia, so jew J. Rockefeller wants to censor the 'net, allegedly against "terrorism." ZOG statements reveal that "terrorism" is whatever ZOG wants it to mean, at any time, so might makes 'right.' I note the lack of appeal to logic, as well as open defiance of the U.S. CONstitution by ZOG whose minions claim to represent it!

Amid all this spin & slime spewed by the jewsmedia, we must pay attention to our role in White Nationalism. Our actions must be based on proper 'target-selection,' in terms of "who benefits?" Zionist deeds make the best anti-ZOG propaganda, so our job is to wake up the "cattle" in regard to those misdeeds which victimize Gentiles of all races. You are in a favorable position to think & to acquire knowledge for yourself & Our Folk, unlike so many Goyim who are immersed in torrents of trivia & distractions outside of ZOG's gulags. Try getting a word in edgewise amid constant cellphone calls, for example! As I've heard said: "Make the time work FOR you." Congratulations on your choice of reading material. Keep up the great work. Our Race Is Our Nation! (ORION!)
