

# CHRISTIANITY

My god has a hammer, your god was nailed to a cross. Any questions?

11 APR 2010

Hail Chris! Thanks for yours of 8 APR 10 & the great enclosures. The photo of Hitler with the Eiffel Tower in the background brought to mind the song, "The Last Time I saw Paris." The first time I was in Paris, in 1964, I noted that the French refused to speak English, so I had to order my train ticket to Copenhagen in German, which they preferred. The next time I was in Paris, I spoke enough French to get around, & I was in no hurry. The French were nicer to me when they thought I was German, rather than American or English. It took British historian Max Hastings' book on the Allied invasion of German occupied France to inform me why the French so disliked the Brits & Americans: We killed more French civilians in our so-called liberation than the Germans had done in 3 wars on French territory! Not only that, but the Americans looted & raped their way through France, after bombing their towns so as to inflict maximum civilian casualties, ostensibly to hold up German supplies & reinforcements for the Normandy beachhead. Thus did I learn the difference between truth & Judeo-American propaganda.

The Reichstag photo is impressive, moreso than shots of the Jewnighted States CONgress. What crimes we committed against Our Race, on behalf of the Jew World Ordure of Banksterdom! As my friend, Manfred Roeder, declared: "On the road to the salvation of the White Race, there can be no detour around our crucifixion of the German people." Amen to that.

The upward-pointing arrow rune insignia is for a unit of the Waffen SS. Unfortunately, I can find no name for the unit.

Sorry to read that the zoggies have put you back in solitary. Well, it's war, waged on physical & mental fronts, so Strength through Joy to you. From a military aspect, you are costing ZOG money, & I wonder how long this Zionist racket can afford to feed, clothe & house the largest prison population in the world. ZOG is blowing money as if there's no end in sight. But there is. The USA is virtually bankrupt & Red China owns most of our debt, so they can take possession of our land in due course, ZOG willing. Many of our jew fiscal flunkies, like Tim Geithner, have long-time Chinese connections. I suspect that the jews have chosen the Chinese as their new hosts. "Such a deal!" as jews say.

Yes, the "Christian Identity" creeps are pure scam-artists. Like the jews they wannabe, they use different names: British Israel, Israel Identity, & lately, Christian Identity. But how can a Christian worship Yahweh & the Old Testament & still be a Christian? He can't, for the two beliefs, Judaism & Christinsanity are contradictory. George Orwell noted that fraud artists inculcate absurdities like "hot-cold" & "black-white" so as to paralyze their victims' ability to think clearly. "Judeo-Christianity" is as contradictory & therefore absurd as is "Marxism-Leninism." I enclose some info on the so-called Israelites of the Old Testament for your knowledge & entertainment. "Judaism" is a made-up cult from its beginnings. My reply to the "true-jews" of B.I., I.I. & C.I. is that they are already in hell, so they have no fit religion for Whites. No, such liars & fools do not scare me, & they should not pretend to call themselves White Nationalists, for their jewish agenda is highly toxic. I've had my fill of Whites who wannabe Blacks, & Whites who wannabe jews to disgust me for a lifetime. This crazy cult has Rothschild origins, for the first propaganda I read was published by His Majesty's Printing Office in Rothschild-ruled Britain, whose present queen is jewish, since her mother was jewish, according to jewish law.

I call this Land of ZOG "Judeo-America," since it was invaded by wannabe jews such as the Puritans & other Old Testamentarians, plus the Mormons. Now we are slaves for Israel, on behalf of Novus Ordo Seclorm, the New World Order, promoted by the Rothschilds' Freemasons who founded this jew-bankster empire or republic of the rich. I wonder how the C.I. creeps got your address. Since they do not heed reason, I'd advise you trash their trash & save postage.

So who's helping the Muslims invade North America? NPR jewsradio proudly mentions The American Jewish World Service & The Hebrew Immigrant Aid Society for salting Somalis et al. in to our former livingospace. Why? So jews can inflame us against Muslims, here & overseas, on behalf of Israel. Zionist organizations are doing this in Europe, Canada, Britain & Australia. Diversity is conflict & conflict profits the jew banksters whenever it can be fanned into war. As economist Werner Sombart wrote: "Wars are the jews' harvests."

From what you say, it appears that some religions are 'more equal than others,' especially if they are White religions.

Good luck getting your proper name recognition. Down with ZOG! ORION!
