

THE GOSPEL ACCORDING TO E.T.

Brownest Yakima has been variously identified as "The Wobbling Hub of the Universe" or "The Bulawayo of Central Washington," for it hosts certain central figures of Semitic cults. Thus it was that I interviewed Jesus & Yahweh back in the "gay" 90s. It is thus as firsthand witness & survivor that I regale the reader with these glad tidings.

It was a sunny afternoon as I strode across the tree-shaded, grassy divider of South Naches Avenue alias Nachos Avenida, according to mestizo denizens. I noticed, lounging on the lawn, a large bearded jew who bellowed: "Oh ye of little faith, how dare you enter my presence without due trepidation, for I am Yahweh, but you can call me Gordon."

"Mr. Yahweh," I said, casually, "I've read a lot about you."

"Heed not what you read, but only what you hear," he said.

"I recently met your son, Jesus, at a local lunch counter. He introduced himself to me & said that only his meds prevented him from beaming himself into your presence."

"I HAVE NO SON!" he bellowed.

"Being a mere mortal, as I am, I don't know if I have any sons to speak of," I reflected.

"You know who I am?" Yahweh said.

"Oh yes," I agreed, "for you look like that fellow I've seen in a Sunday school coloring book." (Note to reader: Yahweh is depicted as a bushy-headed, bearded, elderly jew, a bit like Uncle Sam, but pudgier.)

"I want you to know," he said, "that the impostor who claims to be my son is a liar, even though you heard him say it. He's nuts, I say."

"With all due respect," I said, "Preachers taught me: 'If it comes from a jew, it must be true,' so which jew should I believe?"

"Me, you hear? Only me!" said Yahweh, "As it is written."

"Thank you for correcting my error," I said, but Yahweh had rolled over & did not reply. He snored, which signified that my divine discourse was ended.

As I walked toward the lunchroom where I met Jesus, I pondered the meaning of my kosher encounter. Then, suddenly, as with the vision of St. Paul, I realized the importance of my firsthand revelation: Religion has risen from the dark depths of mysticism into the bright enlightenment of mental health. Houston, we have lift-off!

Translation: Fools & frauds make profits for prophets while inviting suckers into the many-faceted realm of insanity. "My kingdom is not of this earth, so gimme yer dough, sucker!" sayeth Ponzi the Preacher, & his disciple, Madoff, whose popes are Rothschilds of The Federal Reserve, our Temple of Mammon, whom Yahweh serves.

Since mortgages are promises, in the form of contracts, we may call Yakima The Promised Land. Now, ain't that grand? With heaven comes housing, & with hell comes foreclosure. In ZOG we trust; by ZOG we're bust. ZOG giveth & ZOG taketh away, as it is written.

ZOG's kingdom will continue, as long as Goyim don't wise up, for we are choosing to ignore self-evident truths. There are no BIG secrets, since they are 'hidden' in plain sight. ZOG knows!

ZOG-BUSTERS!

Dear Mr. Nelson: Thanks for your letter of 23 May 2010. I guess we can say that ZOG has conferred upon us 'another miracle.' OY VEH! & yatta yatta Yahweh!

You labor under a burden of misinformation & illusions. There is, for instance, no evidence for the existence of Jesus of Nazareth independent of the conflicted New Testament or texts based thereon. Some suggest that "Jesus" was a composite figure, like King Arthur, a character of myth. The Zeitgeist Internet feature reveals way too many things in common with "Jesus" & other gods based on the Zodiac, with its 12 signs, 12 "apostles" & birth, death, rebirth at solstices of winter & spring. Basically, Zeitgeist is a review of sun-worship, of god the SUN, god the father & god the holy ghost, for the Jesus Myth conforms to the doctrine of sun-worship.

The Vedas written by Aryan conquerors of India / much older than the Old & New Testaments purveyed to us by the jews. In fact, White civilization began in NW Europe & flowed SE into The Middle East, according to archeological studies done by Colin Renfrew, whose studies are based on carbon dating compared with the oldest living thing, the bristlecone pine. His research reveals that the oldest stone structures are in northwestern Europe, & as one goes southeast, those structures, such as the Egyptian pyramids, are of more recent construction.

Apparently, Celts migrated from NW Europe into NW China, where their mummies are still clad with tartans, & their DNA is recoverable. These people were known as the Tokharians, & the Chinese don't want to know about them. They'd prefer that no one else knows about them, either. The Tokharian empire extended from Sinkiang, China, down to Turkmenistan, where archeologists have found their smelters for making high-grade steel from iron ore, today called Damascus Steel. Our Aryan ancestors were light-years more advanced in science than are we today. But, apparently, race-mixing & genocide accompanied the trade routes, so the Aryan Code of Manu, forbidding adultery (race-mixing) was not heeded. In The Bhagavad Gita it is written that, "From the corruption of women proceeds the confusion of races; from the confusion of races, the loss of memory; from the loss of memory, the loss of understanding, & from this, all evil."

The 7th Commandment of the Old Testament forbids adultery, which religious racketeers misconstrue to be having sexual relations outside marriage. They purposely ignore the fact that adulteration still means the mixing of something pure with some alien substance, as with the adulteration of milk with sewage. Of course, "Jesus" advocates adultery when he is alleged to demand the "conversion" of non-Israelites, after commanding his disciples NOT to preach to Gentiles. Look it up in your New Jew Testament, Matthew 15, 24 & Matthew 28, 19. As Christians or Jew-Kingians believe, Gentiles may be converted to jews, bread & wine to flesh & blood, & non-Whites into "Whites."

"Aryan" is not a "out-moded" term, any more than "White," just as jewspeak has perverted the term "gay" into a synonym for pervert. As my friend, Dr. Oliver, said: "If buggery is "gay," then necrophilia must be "jolly." Religion is as potent a weapon for genocide as is the atomic bomb. We see it all around us, every day that we go out on the streets.

Odin is an Aryan tribal god, just as Yahweh & Jesus ben Yahweh are a jew tribal god & a jew deceiver god for our enslavement. If you are called to be a "sheep," rather than a man, the depth of your hebriac hypnosis is revealed if you don't walk out of the farthall dedicated to the Jesus Myth. Judaism = Sadism. Christianity = Masochism. There is neither Truth nor Health in these pernicious doctrines. In order to see the Truth, you must snap out of your Talmudic Trance, which has blinded you.

As for the preachers for profit whom you have named, I have no need to communicate with them. Thanks all the same.

I hope you will awaken soon. Our Race Is Our Nation = ORION!
