

THE CABALISTIC CURSE OF CHRISTIANITY by Eric Thomson

The Babylonian Talmud comprises 63 books in its Soncino English translation. The Talmud is the basis of Judaism, as practiced by those who claim to be jews. It is The Law of Judaism, whereas The Old Testament is the alleged history of the hebes. In America, one can read or not read what purports to be history, but one is subject to laws which are based on The U.S. Constitution. The Babylonian Talmud includes the semitic religions and philosophies which the jews found in Babylon. It also includes The Cabala, which Gentiles would recognize as black magic. This is The Law to which jews are subject and to which they wish to subject their intended victims: us!

Some would scoff at the use of magic, even as they are the victims of it. What is magic, anyway, but the clever manipulation of natural phenomena for the achievement of results desired by the practitioner. A chemist who produces solid sodium chloride from gaseous chlorine and metallic sodium is just as much a magician as one who pulls the proverbial rabbit out of a hat, for both are manipulating natural phenomena. A knowledge of the human mind is reflected in the use of propaganda and hypnosis. Who can question the magic of money? Mere pieces of paper upon which numbers are written, for which men will kill one another, even as armies in the field! And who manipulates the world money supply? The jews do, according to their talmudic recipes.

Since the Babylonian Talmud preceded the writing of The New Testament, the basis of Christianity; and since The New Testament was written by the jewish heirs of the Talmudists, we must evaluate this religion for Gentiles in talmudic terms, in order to understand its real meaning for those whom the jews would enslave and destroy: us! The Babylonian Talmud teaches the avoidance of guilt by the guilty and hence, the avoidance of punishment, usually at the hands of the victims and/or their kin. To make the criminal guilt-free and to transfer this guilt to the criminal's victim, it is necessary (according to The Talmud) for the criminal to "make all things manifest" at a certain point in the commission of the crime. In short, the criminal must inform the victim about his deeds and his intentions. In blunt terms, this means that a poisoner must inform the poisoned that he or she has been poisoning the victim or has poisoned him. IF THE VICTIM DOES NOTHING IN HIS OWN DEFENCE OR DOES NOTHING TO PUNISH THE CRIMINAL, THE VICTIM BECOMES THE ACCOMPLICE IN HIS OWN MURDER, AND THE CRIMINAL IS GUILTLESS! This is how the jews see matters, and this is how they act. Esau is punished for Jacob's crime; the prodigal son is rewarded; the Israelites gyp the Egyptians and make good their getaway; the scapegoat is laden with the burden of sin, so the sinners may sin again; the innocent Jesus is sacrificed by the Children of the Father of Lies, etc.

In regard to Christianity, we have certain salient ideas which supposedly emanate from the Christian god, himself: "Turn the other cheek"; "Love thine enemies"; "Resist not evil"; "Forgive", "Forgive", "Forgive"! In other words, Christianity is the mirror-image of Judaism, just as slavery is the mirror-image of tyranny. Christianity is not the 'correct' form of Judaism, any more than slavery is the 'correct' form of tyranny. It is as simple and natural as the predator and his prey; the parasite and its host. With Christianity, Gentiles are trained to become the prey and the host to predatory, parasitic practitioners of Judaism.

This means that Christians are trained to obey and to serve those whom Jesus described as the minions of Satan. Only a fool can feel righteous when he has performed great service to Satan, as made manifest by Jesus, who then directed his "sheep" to "turn the other cheek". How very Christian and also, how very talmudic it all is. The jews pretend to hate Christianity, but every now and then, they will tell us how much they need it for their purposes. When we acquiesce or participate in our own destruction, then we are indeed guilty, even though we are the victims, much like the lemmings who take part in their rush to the sea. If a jew hands you a cup of poison and tells you what it is, you need not drink it; if he offers to slit your throat with a knife, you need not submit to it voluntarily. On the one hand, your refusal to drink the poison will prevent the occurrence of a crime. On the other, your self-defense will prevent the crime and punish the criminal. By imbibing the poisonous cult of Christianity, Gentiles make Satan's children much more productive of evil. A Christian is in jewish-talmudic terms one who feels righteous when doing evil to himself and to other victims of Judaism. Snap out of your jew-daze, White Man! OUR RACE IS OUR NATION!

2AUG 07. Dear Steve: Thanks for your note of 26 June (?) 07 which was posted on 27 Jewlie 07. It seems your zoggies are very active meddling with 'snail-mail.' Our modern ZOG appears to deem 'snail-mail' as a thing of the past, for I rarely have problems with my mail, outside the ZOG-gulags, where prison censors are arbitrary & erratic.

Sorry you couldn't visit the blightwing in the Jewnited States, but you haven't missed much. Your money is better spent on postage.

Thanks, also, for the informative enclosures, including STORM, your letter to Ralph, to Brian, the item on ASLAV(E) enhancements & the news clippings.

NPR jewsradio had a report on a Roman Catholic priest in Australia who has been relieved of duty for slapping an invader wog who was skateboarding in his cathedral courtyard. The priest used "politically-incorrect" terms to chide the woglette, all of which was captured on videotape, & quickly flashed worldwide on the Internet. Such a deal! At least, the priest did not assault the wog sexually, as so many are prone to do, especially to their choir/altar boys. As was heard near a confessional: Priest: "See ya later, fornicator." Confessee: "After 'while, pedophile." Knowledgeable church-goers know the mantra: "Sex is evil. Evil is sin. Sins are forgiven, so let's begin!"

In the USA, Christ-consumers, i.e., those who eat & drink the flesh & blood of Jesus, lust for converts, so wogs & nig-nogs are welcome. The churches openly brag about sheltering illegal aliens in the USA & Canada, so Christinsanity = anti-White & pro-race-mixing.

Mormons believe that their hocus-pocus can convert non-Whites into "Whites," on behalf of adultery, & that the dead, going back to Adam & Eve, can all be posthumously converted into Mormons. I have therefore converted all Mormons & Mormons to be into giraffes, since giraffes do not go to hell, for advocating adultery (race-mixing). What a good Goy I am!

Maybe you've heard of the pending North American Union of Canada, USA & Mexico. All things are falling into place for the creation of such an entity: The Council on Foreign Relations of the Rockefeller/Rothschild cabal has approved the NAU, so all the building blocks have been laid or are being laid: A huge population of Mexicans now live in the USA. The North American Free Trade Agreement is in effect, which is a customs union. A new currency, the amero, is in the works, so all that remains will be a political union, as occurred when Germany was formed in 1870, after its customs union or Zollverein.

In my opinion, another 9-11 style incident may be the pretext for the NAU. I'd figure that an attack on Los Angeles by "Arabs" &/or "Moslems" would do the trick to enlist Mexicans into a Zionist 'holy war,' or jewish jihad in The Middle East. Stay tuned!

Meanwhile, China awaits its raking in of the chips, with the jews' help, as always, as they brag in their Old Testament. In South Africa the jews infiltrated the government by claiming they were "White," but in 1972, they officially declared that they were not White. That's when they began to address us as "You White people," with a sheenie-sneer. I shall not forget that. Many of the South African jews invaded Australia, once they had obtained the Black Marxist Majority Rule they wanted.

We sure do live in "interesting times," as the Chinese curse goes.

All the best & ORION!
