

DEAD OR ALIVE !

What a monster! Or was it just hate business as usual? But let's see what other people had to say about Hitler.

For example,

Knut Hamsun: "I am not worthy of speaking aloud of Adolf Hitler, and his life and work are not suited to any sentimental talk. He was a champion of mankind and a herald of the message of justice for all nations. He was a reforming figure of highest rank and his historic fate was that he had to work at a time of unparalleled perfidy that ultimately beat him down."

Knut Hamsun

Sven Hedin

or Sven Hedin: "I will retain a deep and indelible memory of Adolf Hitler, and consider him one of the greatest men in history. His work will live on. He turned Germany into a world power. Now this Germany stands at the edge of an abyss because her adversaries could not bear her growing strength and power. But a nation of 80 million, that stood fast for six years against the entire world except for Japan while being outnumbered 25 times over, can never be wiped out. The memory of the great Fuhrer will live on in the German people."

Sven Hedin, May 3, 1945

And then, believe it or not, a man with a brilliant mind but of low character: after the Jews financed his huge gambling debt, he compliantly 'forgot' what he had said in 1938 and did a total about-face. Hitler, on the other hand, never denied his deep admiration for Britain, which eventually led to the big miscalculation at Dunkirk and ultimately in Germany's defeat.

In 1938, he sent an open letter from England to Adolf Hitler: "**If England should ever suffer a national misfortune like that of Germany's of 1918, I will pray to God to send us a man of your power of will and spirit.**"

Source: *Times*, November 7, 1938.

Winston Churchill

W o w !!!

criticize anyone whom we have murdered and tortured and enslaved.

VICTORY? by ERIC THOMSON. "THE U.S.A. NEVER LOST A WAR!" OR SO I'VE HEARD SAID FOR DECADES. IT DOES NOT TAKE A MILITARY STRATEGIST LIKE CLAUSEWITZ OR SUN TZU TO POINT OUT THAT COUNTRIES DO NOT FIGHT WARS. PEOPLE FIGHT THEM. LET'S CONSIDER THE WARS WHICH WHITE PEOPLE ARE SAID TO HAVE 'WON', HERE IN THE U.S.A.; WHEN THE RULERS OF BRITAIN SOUGHT TO IMPOSE BANK OF ENGLAND CURRENCY ON THE NORTH AMERICAN COLONIES, SOME WHITES WERE PROMPTED TO FIGHT A WAR OF INDEPENDENCE. AFTER UNDERGOING LOTS OF HARD WORK AND BLOODSHED, DE JURE INDEPENDENCE WAS ACHIEVED, BUT DE FACTO INDEPENDENCE WAS LOST WITH THE INCORPORATION OF THE FIRST BANK OF THE UNITED STATES WHICH WAS LINKED FINANCIALLY TO THE BANK OF ENGLAND, THE PRECURSOR OF THE SO-CALLED FEDERAL RESERVE. WHEN THE FIRST BANK OF THE U.S. FAILED TO HAVE ITS CHARTER RENEWED IN 1811, THE WAR OF 1812 NEARLY PUT US BACK INTO OUR DE JURE COLONIAL STATUS, BUT THE BRITISH WERE AGAIN 'DEFEATED' AND THE SECOND U.S. BANK WAS CHARTERED SHORTLY THEREAFTER! ONCE AGAIN, THE HEROIC SACRIFICES OF PATRIOTS WERE BETRAYED BY THE HALF-JEW HAMILTON AND HIS KOSHER CRONIES.

THE PEOPLE OF THE U.S.A. FOUGHT THE MEXICANS AND ANNEXED SOME TWO-THIRDS OF MEXICAN TERRITORY. WHAT WE TOOK WITH A FIGHT, WE NOW GIVE BACK, WITHOUT A FIGHT, AND WITH INTEREST! IF YOU GO TO MANY AREAS OF THE SOUTH WESTERN UNITED STATES AND ASK, "WHO WON THE MEXICAN WAR?" THE POPULACE WILL RESPOND WITH BLANK STARES. IF YOU ASK THE QUESTION IN SPANISH, THEY WILL UNDERSTAND, AND THEY WILL PROBABLY LAUGH AT YOU.

JEFFERSON AND LINCOLN BOTH STATED THEIR DESIRE TO RETURN THE BLACK SLAVES TO AFRICA. WHITE PEOPLE FOUGHT EACH OTHER TO THE DEATH IN THE SO-CALLED CIVIL WAR OR WAR BETWEEN THE STATES. THE WHITES DIED AND THE BLACKS REMAINED.

THE PEOPLE OF THE U.S.A. FOUGHT SPAIN, ANNEXED PUERTO RICO AND INVADDED THE PHILIPPINES, WHERE WE FOUGHT THE NATIVES. WE EXPORTED OUR OWN PEOPLE, WHO DIED OF DISEASE AND COMBAT, SO WE COULD IMPORT LARGE NUMBERS OF THEIR PEOPLE TO OCCUPY OUR LIVINGSPACE.

WE FOUGHT WORLD WARS I AND II, WHICH KILLED VAST NUMBERS OF WHITES AND REMOVED THEM FROM OUR LIVINGSPACE, SO THEY COULD BE REPLACED BY NON-WHITES. WE INVADDED JAPAN AND BROUGHT THE JAPANESE INTO OUR LIVINGSPACE.

WE FOUGHT IN KOREA, LOSING MORE OF OUR OWN SO WE COULD BRING LARGE NUMBERS OF KOREANS INTO OUR HOMELAND. THEY ARE STILL COMING HERE!

WE FOUGHT IN VIETNAM, LOSING MORE OF OUR OWN, SO WE COULD BRING LARGE NUMBERS OF VIETNAMESE HERE, WHERE THEY REMAIN AND MULTIPLY.

WE 'WON' THE SO-CALLED COLD WAR. NOW WE ARE BEING INVADDED BY THE WORST OF THE RUSSIANS' KOSHER KHAZAR CRIMINALS.

WE WERE ALLIED WITH THE CHINESE IN WORLD WAR II, THEN WE FOUGHT THEM IN KOREA. NOW, WE GIVE THEM OUR MOST ADVANCED TECHNOLOGY; WE LEND THEM OUR MONEY TO BUILD FACTORIES TO PUT OURS OUT OF BUSINESS. IN EXCHANGE, THE CHINESE SEND US THEIR 'CHEAP' GOODS AND THEIR PEOPLE, WHO OCCUPY MORE AND MORE OF OUR LIVINGSPACE AND WHO TAKE OVER OUR STATE GOVERNMENTS.

EVERYTHING WE DO HAS ONE OUTCOME: FEWER OF US AND MORE OF 'THEM'. I DOUBT WE CAN SURVIVE MANY MORE SUCH 'VICTORIES'. ORION! (OUR RACE IS OUR NATION!)
