**NEW MEMBER'S INSIGHT:** We've had a rash of new recruits since the 24.11.2007 electoral 'victory' by K.RUDD's ALP. One new member told of past experiences as an Anarchist. "When I lived on a commune there was this one young fellow who decided he wouldn't do any work! He lay around all day smoking marijuana and having sex with his girlfriend. But work? No way. So I confronted him about it. I said: 'either you quit slacking off or out you go'. He said: 'Fascist! You can't kick me out. You don't have the power'. You see the mentality: you're a Communist & they call you a Fascist. 'True,' I replied, 'but the Collective does. I will recommend they vote you out'. So he calls me a 'Stalinist!' First a Fascist, now a Stalinist. These hate-words are just ways they silence opponents. He still refused to work so we bundled up his gear and threw him out. He was shocked'.

**LEFTIST ILLOGIC:** Lack of logic by our new friend's old foe is typical of Leftists. Claim to be rational, yet are not. Say we are 'haters' but is they who are filled with bile and display demonic anger. As one ANA member put it: 'If I love my wife, does that mean I hate all other women? No. If I love my country, does it mean I hate every other country? No'. Why do the Left hate nationalists? Simple. They hate the concept of the nation-state. They want One World, without borders. To achieve this they must break down all barriers - between races, religions, nations & tribes. Is why the New World Order has waged its 'war of terror' against Islam since 2001. Islam is the religion most resistant to N.W.O. manipulation, so must be forced to submit or destroyed.

**OVERSEAS CONTACTS:** ANA now have friends overseas. This issue of STORM contains letters and e-mails we have sent and received.

Subject: FORMER ONE NATION QUEENSLAND STATE MP OPPOSES LABOR LAND GRAB

5/5/2008

HANSARD Thursday 30h April 2008 Question on Notice 681

MRS PRATT ASKED THE ATTORNEY-GENERAL AND MINISTER FOR JUSTICE AND  
MINISTER ASSISTING THE PREMIER IN WESTERN QUEENSLAND (MR SHINE)-

With reference to constituents who have raised concerns that the traditional common law rights attached to freehold land in Queensland have been extinguished, and as these concerns arose from a recent legal case where Judge McPherson JJA of the Queensland Court of Appeal in Bone v Mothershaw [2002] QCA120 stated 'he retains unimpaired, for what it is > worth, his estate in fee simple absolute in the land. He has been stripped > of virtually all the powers which make ownership of land of any practical utility or value'-

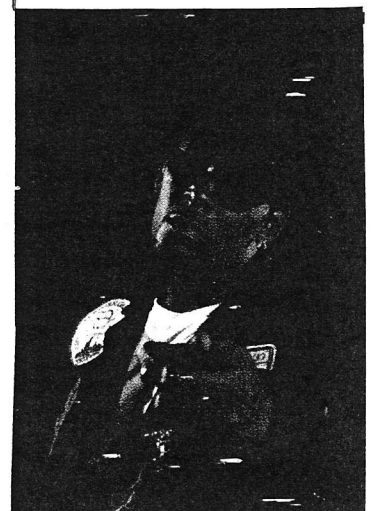

(1) What steps will the Queensland Government take to restore the rights of property owners?

(2) Are there any treaties, national and international, or any other mechanism by which the common law rights of freehold property in Queensland can be overridden?

(3) Who is the holder of public and private land title deeds?

Dorothy Pratt is Independent member for Nanango (Sir Joh's old seat) and was elected as One Nation in 1998 and has held the seat ever since as an independent.

We're coming to take  
your land,  
your woman &  
your life, whitey!

Contact List: In the past ANA have issued periodic 'Contact Lists' of organisations we deem suitable for our supporters. In future we will update the 'List' by advising of groups we wish to 'Add'. Alternately we will advise of groups who should be 'Deleted' after having apparently ceased operations or who's main figures have Fallen.

**2020 SUMMIT:** Dear Dave, may have given false impression about '2020 Summit'. Was organised by the new Labor Party Federal government. Our two federal parties, that rotate in and out of office, are Liberals and Labor. Same as in Britain but think Liberal instead of 'Conservative'. After 10 years of Liberal's Labour got back in. First thing their PM, Kevin Rudd (K.RUDD to us) did was say "anyone got any ideas on how to run a country?" So organised a New Age-style 'Summit' where only 'the usual suspects' were invited. KRUDD pretended these were 'the voice of the people' so is now putting into action their hare-brained proposals.

**CHINA-BOY KRUDD:** KRUDD is a Chinese agent, has never worked a day in his life, they recruited him at Uni when he was studying Chinese. He got sent to the Australian Embassy in Beijing. On his return he was trained in running a government by Wayne Goss where he was Chief of Staff to the Qld Premier. Is now our Chinese Master. He sells all our vast coal, oil, gas reserves to China at discount prices while we starve. How did he ever get elected? Previous PM, a Liberal, went barmy! Passed a law in 2005 abolishing all wages and conditions. Wanted a 'US style' system where bosses set wages and unions were banned. Why? So we could 'compete with China' - where wages and working conditions don't exist, leading to a slave-like economy unmatched since ancient Rome.

**LIBERALS OUT, LABOR IN:** On 24.11.2007 this mad Liberal became only the second Australian PM, since Federation in 1901, to lose his seat. So masses did not vote KRUDD in, they were voting the daft Liberal out. KRUDD has turned out even worse - a full blown traitor and he makes no bones about it. We are loyal subjects of China now - much to the surprise of Japan, our ally since 1960, but China's traditional rival in North Asia. So our RAN ships have been chasing Jap whalers and our 'greenies' attacking Jap ships. USA has said nothing but they rely on Australia and Japan to 'contain' China & North Korea. KRUDD will not do this.

**GOOD NEWS FOR SOME:** As for ANA this is all good news. We have new members banging on our door to get in. Australians have always been paranoid about Asian Invasion - we are only 20 million. 150 miles off our coast is Indonesia, world's biggest Muslim country with 200 million. Then comes China's with 1.1 billion and India with 1.1 billion. What the British call 'the Far East' is our Near North. Wish we had been at '2020 Summit', but only the Left were invited. Steve

### To Be Or Not To Be

Judaic-Trotskyian-Communism disabled and declined the Soviet-Union into extinction. The intellectual legacy of Judaic-Trotskyian-Communism manifested itself within so-called Western Democratic Nations with a vengeance. Having failed in the Soviet-Union and its sphere of influence it has, via political correctness, swallowed up the once intellectually robust Western Nations, disabling them and subjecting them to decline. The End-Result will be the same as in the case of the former Soviet Union, namely extinction, which will also apply to the Zionist Apartheid State of Israel. To rectify this situation, it is urgently needed to revise – and re-open the Nuremberg Trials and History since the establishment of the Federal Reserve-Bank of America, because we have reached the point, that the people of the state have to work for capitalism and capitalism has not to work for the people of the state anymore, already in 1989, when the Berlin Wall fell and the US-British-Zionist Empire was left without any rival anymore. Even China will only succeed to the point where Half-Jew Murdoch will let them and the Israeli Foreign Minister told them the guide-lines already in her last visit to Beijing/Peking.

The same legacy is manifested in the German Quisling-Government of a foreign power, through Trotskyian pseudo-scholar operatives of the London Travistock-Institute and the mainly Jewish Frankfurt School supporting the German Green Party.

Thus scientific legitimized Revisionism is outlawed and punished in the Opinion-Snooping-Dictatorship of Germany. The Victims of this pseudo-Dictatorship are among others Ernst Zuendel and Germar Rudolph. To this see following web-sites:
