

To Whom It May Concern: The thought-provoking pieces on White Liberation & Resistance are timely & topically relevant, just as White thinking & behavior are largely not. Most Whites appear to cling to ZOG's Big Lies as a drowning man might cling to an anchor which a Jew would drop to 'rescue' him. They even shudder at being "guilty" for being White. Such fools recite their Orwellian mantras, like "Israel is our lifeline to The Middle East," when the truth is that Israel is our hangman's noose. They believe what they want to believe, all facts to the contrary.

Judeo-Americans are a Babel of diverse beliefs, largely based upon Zionist disinformation. Our strong beliefs are mostly related to our ignorance of the real world of politics, economics & demography, that is, corruption, racketeering by banksters & non-White invasion of our jobs & living space. We live in a part of ZOG's military-industrial complex, on borrowed Jew-bucks, so we are dependent upon ZOG for our food & jobs. Under its present program, ZOG is reducing our jobs by export to other countries, & by import of jobless aliens. The Jews also export our technology for use against us. So far, we have dumbly accepted these ZOG policies, like good Christian (Jew-loving) sheeple, for they claim that "It's all prophesied." I say to these sheeple: Go seek your Jesus in the alleged afterlife, now, & cut your defeatist kosher crap. There is no shortage of cliffs to jump from. Our duty is to live life in this world with human courage, rather than passive compliance in our kosher slaughter.

Let's consider "Leaderless Resistance." Apparently, my historical research on the Spanish Anarchist disaster of The Spanish Civil War made no impression. The Spanish Anarchists were numerous, but when they tried to fight in the Civil War of 1936-1939 they were victims of their own Willful Indiscipline. Thus were they defeated by their organized, disciplined opponents, who did not practice Anarchist equality, but believed in hierarchy. Discipline is the opposite of anarchy; thus was Anarchist leader Durruti killed by one of 'his' own men who objected, apparently, to Anarchist participation in government.

The facts are that we are not equal, & that there are natural leaders whose potential may be improved by training & experience. The huge U.S. prison population is a tribute to Leaderless Resistance at present. All the inmates of ZOG's gulags objected to something, & did things 'their way.' Many didn't have 'enough' drugs or booze, so they decided to take others' lives & property. It should be unnecessary to state that Anarchy can only work if all are agreed on a set of values. The trick is to obtain Unity of Purpose & Action without Unity of Organization. Nobody has ever achieved that, to my knowledge.

J.B. Campbell, a former Rhodesian combatant, allegedly stated that the Oklahoma City demolition of the Murrah Building destroyed the militia movement, along with the ZOG infiltrators of the Movement. McVeigh's useful idiocy also served to drown out the outrage over the Waco Holocaust. Nice going, Tim. ZOG love ya.

According to former Mossadnik, Victor Ostrovsky, Mossad strives to recruit Arabs for use in its ZOG programs. No, they don't advertise in terms of "Do you hate Israel? Then come to work for Mossad!" Obviously, all Arabs have good reason to hate Israel, the concentration camp for Arabs. They are usually hungry, desperate young men who are approached by mysterious, possibly Arab handlers who offer them money, action & 'honor' against the "enemy," whoever he is alleged to be. It seems there is no shortage of suicide bombers, but how many of them serve Mossad/CIA, rather than Islam & their fellow Arabs? Various sources describe Al Qaida & Hamas as Mossad/CIA plants, since they appear to benefit ZOG's version of "terrorism!"

Obviously, "terrorism" has replaced the kosher Cold War as a pretext for our Zionist political economy, which is aimed at killing & impoverishing Whites, most likely on behalf of China, the Jews' new hosts. We do not exist in a vacuum. Imagine the likely fate of the Russian Empire which was destabilized, depleted & subverted by World War I & the Bolshevik Jews. Had China been as powerful then as now, Russian & later, Soviet territory would have been lost to Chinese invasion & occupation, regardless of the regime which came to power in Moscow. Consider what the Chinese will do, in co-ordination with their Jew world order backers, were the USA destabilized & involved in racial turf wars. According to Jew media, China is coming out of the current economic crisis, & we, the sheeple of the USA, owe them mucho dinero, as they say in Brownest Yakima & other parts of Judeo-America.

When, not IF, Whites become THE visible minority, it will be impossible to work under cover, as it would be for Whites to do so in Zimbabwe or South Africa. All Gringos, like myself, are a visible minority in this part of "Northern Mexico," as are Blacks. If ZOG wished, its minions would have no problem tracking my movements in my daily activities.

2)

Anti-White Eisenhower decreed that 200 Germans would be shot for every Allied soldier killed or wounded by the Werewolves, the German World War II partisans or guerrilla warriors of Zionist Occupied Germany. According to my sources, the Werewolves were unwilling to pay that price, so they quit their resistance struggle.

The German occupiers of other lands were hampered by such partisans, as they called them. But the important difference was that Germany was German. Soviet territory was multi-ethnic, as was former Yugoslavia, where inter-ethnic hatreds were fierce. France had its Communists & jew partisans who could care less about their fellow French citizens, who were either Goyim or bourgeoisie, & thus worthy of death at the hands of the Germans. Serbs enjoyed shooting at Germans in Croatia, so the Germans would exact reprisals on Croats, rather than Serbs. As we see, Afghanistan is a major partisan play-ground, where one's tribe or clan's wellbeing comes first, especially if it comes at the expense of others' tribes & clans. Judeo-America is also atomized in terms of identities & loyalties, right down to the individual 'consumer.' What Judeo-Americans do is for themselves, not their kin nor their children, but they believe ZOG propaganda that they do it for "democracy", "freedom" & "USA." It's convenient for ZOG & its sheeple to cloak their selfish interests in altruistic pretensions. Rome's legions fought for 'their' empire, at least until Hermann's Germans saw their opportunity to break free from tyranny in the Teutoburger Forest. German freedom lasted until Rome reappeared under the guise of Christinsanity, by means of anti-German rulers such as Karl the Saxon-Slayer alias Charlemagne. Thus began our jewification, with the propaganda of "White Guilt" & sheephood. As long as we proudly wear these chains of our conquest, it is unlikely that Whites will become effective warriors for Our Race. ZOG knows!

We have lived in a "surveillance society" for centuries, from the Catholic confessionals to the "all-seeing eye" of the Judeo-Freemasonic agents of Rothschild. Under Calvinism, we allegedly resisted the Catholic tyranny, so as to become more jewish, as followers of The Gospel of Wealth. Economist Werner Sombart described the USA alias Judeo-America as "the distilled essence of Judaism," in his book on jews & capitalism. Even our cops have 6-pointed jew Death Star emblems, so "all things are made manifest," as stated in the Cabala, or jewish magic recipes, whose raw material & victims are us: the Goyim.

Obviously, ZOG knows that at least some of us are unhappy with its policies & its alien peoples, whom we serve. ZOG's minions are many, because of ZOG's control of our money. Potential infiltrators & informers are motivated by ZOG's prospective rewards, as was Grant Bristow, ZOG's paid agent in Canada alias China-duh. In his case CANZOG had him found The Heritage Front, along with its frontman, Wolfgang Droege, both of whom I knew.

When Zionists see that Goyim are unhappy, they offer us causes & groups which we may join or otherwise support. As others have noted, it's one thing when a group is infiltrated, but it's really bad when the group is founded & lead by a zoggie from the beginning! Some useful idiots or ZOG agents tout that "the Mafia is anti-Communist." But it's also jewish, so how is the Mafia anti-Zionist, that is, anti-jew-supremacist? It ain't, any more than jew banksters are "anti-Communist" or anti-Mafia. Jew banksters are the money-mafia, as always. ZOG has its hierarchies & specialized branches which work in co-ordination against us Goyim, for ZOG & its minions know their place in the jews' scheme of things. Whites do not, which explains why we are in our present mess.

As I see it, our weakness is folly & our enemies' strength is in their numbers & wealth. Could we discover a way of growing out of our folly, so as to use the ZOG's strength against it? As one writer stated, our focus must be on strategic targets or propaganda of the deed, which affect ZOG's subjects morally & materially, so as to divert their loyalties away from ZOG. It is well said that "Government exists in the minds of the governed," so hunger may be used to realize ZOG's policies OR ours. In politics & comedy, timing is everything. ZOG is creating a context of events, according to its plan, but we must use those events for our racial benefit. As the Chinese character for Crisis = Danger + Opportunity, we must take advantage of any opportunities we see to advance our people's interests, even despite themselves. The Danger is increasing for Our Race in any event, as ZOG creates one crisis after the other. Strength through Joy to all our comrades. DOWZ! ORION!
